

Imprisoned American Troopers Are Released

LOCAL MEN MAY JOIN VOLUNTEER STATE REGIMENT

A meeting of all those who have signed the list of tentative members in case a military company is formed here, and others who are interested in the formation of a company, are asked to be at the circuit court room of the court house at 8 o'clock tomorrow night.

At that time the matter of offering the services of the local men as one of the companies in Colonel Gantenben's proposed Oregon volunteer regiment will be considered. Other matters of interest to the men who wish to form a company will be discussed.

Following the receipt of a letter from Adjutant General White indicating that the company of national guardsmen to be formed here would undoubtedly be for service in the Coast artillery corps, and news that Colonel C. U. Gantenben, Spanish American war veteran and a colonel of United States army reserves, is forming what will be the first volunteer regiment in the United States in case volunteers are needed, local men desirous of seeing service are considering the advisability of offering the local enlistment as a part of the new volunteer regiment.

A meeting to consider this will be held at the court house tomorrow night. All signing the list of prospective members are asked to attend, as this is a matter for their consideration.

In the meantime, without any special canvass being made, the list is steadily growing, and there are now fifty-three men listed.

Since the list was last published the following names have been added: Merle Hewsten, Cecil Lew, Harry Stilla, G. D. Carpenter, F. W. Sexton, M. B. Ford, Barney Doye, Arlie Werrell, Allen McComb, Cullie Bailey, Walter Dixon, Edward Gibson.

Those wishing to sign the list can leave their names at the Herald office, the Commercial Club or with any member of the proposed company. The list will be open for signers at tomorrow night's meeting.

Two Views of Tenth Cavalry, Who Fought Mexicans at Carrizal

Here are two views of negro troopers of the Tenth cavalry, who were in the fight at Carrizal, Mexico. They were attacked by a force of General Trevino's men at the command of General Obregon, minister of the war and navy of Mexico. These photographs were taken about one month ago.

PREPARATIONS TO FIGHT CONTINUED BY BOTH NATIONS

WASHINGTON, D. C., June 29.—The administration today received from Special Agent Rodgers at Mexico City a dispatch officially confirming the report that Carranza had ordered the release of the members of the Tenth U. S. cavalry held as prisoners at Chihuahua City, following their capture during the battle at Carrizal.

COLUMBUS, June 29.—The twenty-three Americans captured at Carrizal arrived at Juarez this afternoon. They arrived on the Mexican Central, in charge of General Bortani.

The prisoners are heavily guarded by Mexicans, nobody being allowed to talk to them. A formal transfer will be made of these men to representatives of the department of war.

SAN ANTONIO, June 29.—Despite the optimistic tone of Washington advice, General Funston continues his preparations for any emergency. The New York militia is now at Brownsville. The Illinois guardsmen will arrive here tonight.

COLUMBUS, N. M., June 29.—Fifty-five thousand Mexicans have almost completed a circle around the American expedition in Chihuahua, if the reports regarding the new Mexican army near Guzman prove authentic. Officers are endeavoring to ascertain the truth of this report.

Carrancistas are said to occupy valuable strategic positions along the American line of communications. The troops from Sonora are said to be approaching the American lines.

Captain Moroy of the Tenth cavalry says six survivors of the Carrizal battle are still unaccounted for. They may be wandering on the desert. General Trevino is reported as fortifying Chihuahua City.

Large Mexican forces are concentrating at Guzman, near the American line of communication.

Several truck loads of New Mexico militia have been sent across the border to escort American cavalry forces to Guzman.

The bodies of eight American soldiers killed in Mexico arrived here today for shipment to relatives.

GALVESTON, June 29.—The U. S. collier Dixie arrived today with seventy-five refugees from Tampico. The steamer Fort Morgan brought nineteen Americans from Puerto.

SENATE VOTES A FUND FOR ARMY

WASHINGTON, D. C., June 29.—The senate committee on military affairs today added sixty millions to the house's army appropriation bill.

Chairman Hay of the house military committee today introduced a bill appropriating \$2,000,000 for the relief of the families of married militiamen, providing the secretary of war can use his discretion in making allowances of \$50 a month.

Action will be taken on the bill Monday. The state department awaits Carranza's reply to the American note. Lansing today informed the Bolivian minister that mediation offers are useless until the note arrives.

Late in the day the state department admitted that if Carranza effectually ends the border raids mediation might be possibly acceptable. It was also stated that mediation over a joint border patrol and arbitration are impossible.

The senate late today passed a resolution empowering the president to draft the militia into federal service.

Repreived Five Times, He Says He Will Never Hang

MURPHYSBORO, Ill., June 29.—Ellston Scott, Illinois' most renowned murderer, sits calmly in his cell in the county jail here, confident he will never hang for the murder of his sister-in-law at Carbondale last summer.

Scott was sentenced to hang October 16th last, but has been reprieved five times by Governor Dunne. His latest reprieve gives him life until July 14th.

The many reprieves grow out of a dispute between Governor Dunne and Sheriff White of Jackson county. Shortly before the date set for the hanging of Scott here, Joe Deberry, another negro murderer explained his crime on the gallows. Large posters announcing that moving pictures of the hanging would be shown at a local moving picture theater reached Governor Dunne. He made an investigation, and, according to his statement, 2,000 persons, most of whom had paid

\$2 for their tickets, saw the Deberry hanging.

Believing the hanging of Deberry a disgrace to Illinois, Governor Dunne, shortly before the date Scott was scheduled to hang, wired Sheriff White of this county to send him the specified number of persons who would witness the execution.

Sheriff White replied by stating he would comply with the law, which in this state, allows him a sufficient number of deputies to prevent trouble.

The answer did not satisfy Governor Dunne, and he reprieved Scott.

The same routine has been gone through five times. Now Scott insists he will never hang.

Governor Dunne insists he never will commute Scott's sentence to life, as the crime was "too revolting to be explained by anything but death."

Governor Dunne is especially antagonistic to capital punishment, and might allow the negro to live until his term expires next March.

RED CROSS MOVES ARE KEPT SECRET

PUBLICITY WOULD REVEAL MILITARY PLANS—4,000 NURSES ARE ENROLLED, ACCORDING TO REPORT FROM HEADQUARTERS

NEW YORK, June 29.—The war department has placed the movement of the Red Cross under the same cover of secrecy as those of the regular army and the militia. Officials of the Red Cross throughout the country have been advised to be careful as to information they give out as the disposition of their forces would indicate the points where troops are to be sent.

The Red Cross began to enroll nurses three years ago for emergencies, and now has 4,000 who are expected to respond if needed. It was arranged also to provide equipment and personnel for enough base hospitals to care for 400,000 men, and to turn these over to the government in event of war.

Unam, the American Eagle, with his full complement of screams, Old Glory in all its impressiveness, patriotic oratory, picnicking, racing and dancing will be much in evidence in different parts of Klamath county July Fourth. A three day baseball tournament will be held here, beginning Sunday, with the Klamath Falls team opposed to Duke & Hughson's Sacramento All-Stars, an aggregation of the cream of the Trolley League. This will be a remarkably fast series, and many of the fans are cancelling all engagements, so they can attend all three games.
