

THE YEAR'S BIGGEST EVENT FROM A VALUE STAND POINT MY GREAT ANNUAL JULY STOCK REDUCING CLEARANCE SALE

STARTS IN EARNEST SATURDAY MORNING

AN annual event of considerable importance to every person living in the community. No matter how carefully a merchant buys, or how good his business is, there is always bound to be a department here or there that is slightly overstocked at this time of the year. The only logical way is to move this merchandise at once, and to do so, I make great sacrifices in the prices; thus adhering to my policy of never carrying over anything that would be old next season. I am willing at all times for you to compare my quality merchandise, nationally known goods, with others anywhere and will leave it to the public to judge where they can shop to their best advantage.

The early shopper always gets the best values---Be here on the first day
