## DETROIT BECOMES SCENE NATIONAL POLITICAL FIGHT

MICHIGAN POLITICIANS SAY ROOSEVELT IS FOR

Wilson, Hughes and Roosevelt Selected Automobile Center as Place to Fire Opening Gun in National Campaign—Big Fight is Said to Be for Control of the Immense Progressive Vote of Michigan.

United Press Service

DETROIT, Mich., Aug. 16.—Detroit, political battleground of the nation! Such it is today. For the first time in its history the issues of a great campaign are being fought out by the leaders in this city of the Middle West.

Roosevelt started the tide of battle Detroitward when he came here to preach preparedness. President Wilson selected the City of the Straits for his most important address of the pre-campaign period. Charles E. Hughes launched his campaign for the presidency here August 7th.

Ask Michigan politicians who, and the answer almost invariably is "Ford."

Roosevelt came to fight the anti-militaristic movement that crystallized following Henry Ford's unexpected appearance in the results of the presidential primaries. Wilson picked Detroit as the place for his address on Mexican relations. Politicians believe he picked Detroit because he recognized it as a representative industrial center.

Then came Hughes, selecting Detroit as the scene of his first offensive move in the actual campaign. The motive of the republican nominee in picking the automobile city was practical politics. Michigan was the first state in the union to declare definitely for the ex-justice.

A battle royal for Michigan's immense progressive vote is also indicated by the actions of the two nominees. Normally Michigan is republican by 50,000, but four years ago the progressives received the popular verdict, polling more than 213,000 votes, or nearly 39 per cent of the total. The fight for control of this progressive element promises to develop into one of the feature rounds of the campaign.

## IF KIDNEYS AND BLADDER BOTHER

TAKE SALTS TO FLUSH KIDNEYS AND NEUTRALIZE IRRITATING ACIDS

Kidney and bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation, and is very profuse; again, there is difficulty in avoiding it.

Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and Jad Salts is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. Jad Salts is splendid for kidneys and causes no bad effects whatever.

Here you have a pleasant, effervescent lithia water drink, which quickly relieves bladder trouble.—Adv.

Sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs, which then act normally again.

## TIED BLUSHING FOR HER COUNTRY

WIFE OF FORMER ATTORNEY GENERAL SAYS REAL ISSUE IN THIS CAMPAIN IS PREPAREDNESS

By MRS. GEORGE W. WICKERSHAM (Wife of the former United States Attorney General)

NEW YORK, Aug. 16.—"I am tired of blushing for my country. Never did I think to hang my head as I have been forced to do during the last three years. I am a member of the women's committee of the National Hughes Alliance purely on the score of patriotism. Personally I am an anti-suffragist, but all my energies and interests are concentrated on the coming election."

I long to be proud of my country; I need to be proud of it—proud of our spirit at home and proud of our reputation abroad; and I want to pass that pride on to my son and my grandsons. We must stand before the world as a nation composed in strength, but absolutely ready at every point to back up its ideals when action is necessary. I think the real issue of this campaign is patriotism, and I think a great many of us of varying political convictions are going to work together for the welfare of the country. I am a firm believer in clearly defined political parties, but there are times and conditions in the political history of a country like ours when we must all unite on big issues and agree to differ about the lesser.

As an anti-suffragist I am not concerned with a political organization as such, but as a citizen of this country I am deeply concerned for its welfare. Do I believe preparedness must be made an issue? Yes, indeed. And I want every man and woman in this country to be made to feel a sense of responsibility about serving it in some way. I want people to learn that preparedness cannot be settled entirely by congress; that it is an individual matter and that we must take it up individually to make it national.
