COMB SAGE TEA INTO GRAY HAIR

DARKENS BEAUTIFULLY AND RESTORES ITS NATURAL COLOR AND LUSTRE AT ONCE

Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Mixing the sage tea and sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use preparation improved by the addition of other ingredients, costing about 50 cents a bottle, at drug stores, known as "Wyeth's Sage and Sulphur Compound," thus avoiding a lot of fuss. While gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application of two your hair becomes beautifully dark, glossy, soft and luxuriant and you appear years younger. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.—Adv.

COUNSEL NAMED DEFEND MOONEY

ARGUMENTS TO BE HEARD NEXT MONDAY ON MOTION TO QUASH INDICTMENTS AGAINST NOLAN AND BILLINGS

United Press Service SAN FRANCISCO, Aug. 17.—Judge Cabanish has appointed Sidney Robertson as counsel to defend Thomas Mooney and wife, charged with complicity in the bomb outrage perpetrated during the preparedness parade a few weeks ago.

Next Monday has been set as the day for hearing arguments on the motion to quash the indictments charging Nolan and Billings with a part in the bomb explosion. Mooney and wife will plead next Saturday to the indictments against them.

MADERO FAMILY RETURNS TO LAND

FAMILY OF MURDERED PRESIDENT, AS POLITICAL REFUGEES, HAS BEEN GRANTED AMNESTY BY CARRANZA

CORPUS CHRISTI, Tex., Aug. 17.—Forty-eight members of the family of Francisco Madero, murdered president of Mexico, plan to return to Mexico in a few days as a result of President Carranza granting amnesty to and restoring the estates of political refugees.

It is understood that several other wealthy Mexican families, who have been living in the United States for the last few years, also are to return to their native land. The Madero family is very wealthy, especially in land.

CARMEN THREATEN ANOTHER STRIKE

REFUSAL OF STREET RAILWAY COMPANY TO REINSTATE 25 EMPLOYEES THREATEN RESUMPTION OF WALK OUT

United Press Service NEW YORK, Aug. 17.—A renewal of the street car strike, affecting practically all of New York, is threatened as a result of the street railway company to reinstate twenty-five employees who were discharged during the recent strike.

The street car men's union declares that this refusal constitutes a violation of the agreement entered into when the recent strike was called off by the union. Insistence of the railway company in the refusal to reinstate the twenty-five employees probably will mean a strike that will be settled only with more concessions from the company than were granted before.

WON'T RESUME DIPLOMATIC RELATIONS WITH GERMANY

United Press Service LONDON, Aug. 17.—Premier Asquith hinted in the house of commons today that England will not resume diplomatic relations with Germany after the war until Germany makes reparations for the execution of Captain Fryatt and similar alleged outrages.

Higher Education Unfits Girls for Motherhood

United Press Service ST. PAUL, Aug. 17.—"There will be no need of birth control legislation when women demand that science cope with the fear of motherhood, which is the real cause of all this agitation for laws permitting the control of the size of families," said Mrs. Robert B. Liggett here today. She has just completed a three weeks' lecture course on "Twilight Sleep" in Detroit. "American families are decreasing in size every year, even without birth control laws," said Mrs. Liggett. "This decrease in our birth rate is alarming. Every American woman must bring to maturity at least three children, or our nation will go backward instead of forward. It is the immigrant woman who is keeping up the birth rate now. American women are dodging motherhood, and clamoring for birth control because they are physically afraid of motherhood, not because they are afraid of poverty or do not wish to give their time to the care of babies. "The higher education which we are demanding of our girls is unfitting for motherhood, because it is developing them to a high nervous tension and making them more keenly sensitive to pain. We cannot condemn our women for wanting to control the size of their families unless we give them some means of eliminating the pain which they know they must face to bring children into the world. With easier motherhood there will be no need of birth control." Mrs. Liggett will make a tour of Michigan and Indiana for the same propaganda. She is conducting an educational campaign among women urging that they demand emancipation from the traditional belief that child birth must be accompanied by danger and suffering. She has assisted in raising a fund to be used in establishing a Twilight Sleep ward in the woman's hospital at Detroit—the first such ward to be made available for women who cannot afford to pay for the treatment. Mrs. Liggett claims that with better trained physicians for obstetrics, more scientific knowledge by women of the care they should take of themselves and a universal demand that science make some contribution toward relieving the suffering incident to maternity, birth control will not be necessary.

JAPAN TO BUILD 26 BATTLESHIPS

APPROPRIATION OF ABOUT \$150,000,000 IS TALKED OF TO INCREASE JAPAN'S DEFENSE ON THE SEA

United Press Service TOKIO, Aug. 17.—Japan plans to improve her navy as fast or faster than does the United States build up its sea fighting machine. At least, that is the deduction made by the Japanese people from the just announced plan to spend 254,000,000 to 310,000,000 yen building new battleships in the next seven years.

Exactly what the plan under consideration by the finance department of the government is nobody knows, but according to the paper Jiji, usually a well informed publication, the outlay for the "ideal fleet" calls for about \$150,000,000. Other papers' estimates are a bit lower. A hot debate on the program is expected at the forthcoming session of the diet because of the expense involved.

The program is backed by navy leaders and also, it is said, by the ministers of marine and finance. Newspaper reports have it that Japan proposes to build three superdreadnoughts, two battle cruisers, eleven light cruisers, ten destroyers and many U boats.

Claims totaling \$18,000,000 had been recorded in the federal courts by hundreds of claimants who compromised after testimony had shown the disaster to be the result of accident.
