High school students will have no study first day of school except prepared for high and arranged courses.

All students planning to attend the Klamath county high school during the fall term have been invited to report for registration at the high school building Monday, September 13, beginning at 9 a.m. All students not already registered in the fall term will be invited to report on September 15, and will be in the billing of the registration books and the arrangement of the schedule.

All students are required to report for registration at the high school building and to pay any outstanding balance due, if any. The bills of payment will be submitted as soon as available.

The fall term will begin with the classes on September 13, and the fall term will be extended until December 23.

The following is taken from the Oregon Journal of Beaverton:

This is an appeal by the Oregon Journal of Beaverton to the citizens of Oregon to support their local school districts, and to encourage them to make the necessary payments on their taxes to ensure the continuation of the educational system. The newspaper is urging the citizens to support their local schools and to make sure that the necessary funds are available for the continuation of the educational system.
