

Hughes Taking Vacation in High Priced Resort

United Press Service
ESTES PARK, Colo., Aug. 30.—Charles E. Hughes is vacationing here in a beautiful mountain park, bounded on the west by peaks of 13,000 feet and on the east by the European Alps. The scenery is of the most beautiful. Here the republican candidate will indulge in his well known love for mountain climbing.

Hotel keepers and ranchers in this Rocky Mountain National Park are fully grateful to Mr. Hughes for the advertising. Estes Park, the name of the postoffice, formerly was the name of all the surrounding thousands of acres, but since Uncle Sam reserved the territory for a people's playground it is officially known as the Rocky Mountain National Park. Government reports show that it is annually visited by more people than any other national park. The Young Men's Christian Association, one of the first to recognize the advantages of the region, has expended over \$100,000 on a tract near Estes Park for a summer camp. Governor and Mrs. Hughes are stopping at the Stanley hotel, "roughing it" amidst surroundings as luxurious as anything obtainable in the country's finest hostilities. They feel right at home among the pines, too, the rates being \$4 a day and skywards.

who try to trail him on automobile trips in the Estes Park region, will learn something about the cost of high living that no New York taxi possibly could teach them.

Wild animal life, glaciers, glacial lakes, everlasting snow, luxurious hotels, beautiful automobile routes, mountain climbing, Colorado sunshine, meadows of wild flowers and piney woods are only a few of the delights of this region.

Governor and Mrs. Hughes were introduced to the scenic wonders hereabouts on their automobile ride from Lyons Sunday following the Denver mass meeting. The candidate will remain here until next Friday afternoon, when the campaign trip will be resumed. Topeka, September 2, and Kansas City on the evening of the same date are the next stops.

VETERANS OF '61 MARCHING TODAY

FIFTEEN THOUSAND HEROES PARADE AS FIFE AND DRUM CORPS BEAT TIME AND BRASS BANDS PLAY NATIONAL AIRS

United Press Service

KANSAS CITY, Mo., Aug. 30.—Fifteen thousand grizzled fighters of the Civil War marched over the downtown section today in the annual Grand Army of the Republic parade.

With a score of fife and drum corps beating time and brass bands playing national airs, the gray haired veterans moved slowly over the line, which included many hills. The streets were thronged with spectators, who cheered each state contingent as it passed, and the veterans doffed their hats and saluted almost continuously.

W. E. Calhoun, commander of the Department of Illinois, and his state organization headed the procession, followed by the Wisconsin and Pennsylvania departments. The Ohio and New York veterans were next in line. Then followed the Southern and Western departments. Missouri brought up the rear.

As the parade swung into Main street there were many stragglers, but they fought bravely on to pass in review before their commander-in-chief, Elias R. Manfort of Cincinnati, and his staff and state and city officials who occupied the reviewing stand.
