SAGE IFA KEEPS

Gray hair, however handsome, de notes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few ap lications of Sage Tea and Sulphur en inces its appearance a hundred-fold Don't stay gray! Look young! Either prepare the recipe at home or est from any drug store a 50-cent bottle of "Wyeth's Sage and Sulphur Com and," which is merely the old time e improved by the addition of other ingredients. Thousands of folks end this ready-to-use preparation, because it darkens the hair beau tifully, besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored, and it bees thick, glossy and lustrous, and you appear years younger.

Wyeth's Sage and Sulphur Comnd is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease .- Adv.
