

THE RIGHTS OF AMERICAN CITIZENS DO NOT STOP AT THE COAST LINE.

"When I say that I am an American citizen, I ought to say the proudest thing that any man can say in this world. But you can't have that pride if American citizenship is a cheap thing, if it is not worthy of protection this wide world over. There is no man who could successfully present to an American community the platform that an American citizen's rights stop at the coast line and that beyond that American life is to be the prey of any marauder who chooses to take it."—From a speech of Mr. Hughes in the West.

SAGE TEA KEEPS YOUR HAIR DARK

WHEN MIXED WITH SULPHUR IT BRINGS BACK ITS BEAUTIFUL LUSTRE AT ONCE

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold. Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a 50-cent bottle of "Wyeth's Sage and Sulphur Compound," which is merely the old time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully, besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored, and it becomes thick, glossy and lustrous, and you appear years younger.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.—Adv.

GERMAN TROUBLE MAKER EXPORTED

CHARGED WITH CAUSING FRUSTRATION BETWEEN JAPAN, UNITED STATES AND GREAT BRITAIN ON SEVERAL OCCASIONS

United Press Service TOKYO, Sept. 18.—Herman Wohlers, a German resident of Yokohama for the last three years, has just been deported from this country for trying to make trouble between the United States, Japan and Great Britain. He was given eight days to get out, and he went quick. Among other charges against Wohlers are these: That he wrote charges against Japan to the American government; that he induced an intoxicated American marine to pull the British union jack from the wall of a ballroom where Americans were celebrating the 4th of July with Britishers as guests, for which the marine was court martialed; that he entered Yokohama Park and loudly denounced the Russ-Jap pact.

England Orders Embargo United Press Service WASHINGTON, D. C., Sept. 18.—Great Britain has ordered an embargo on shipments of many commodities to Scandinavian countries and Holland from other countries, including America. The order is causing a demand in this country that America use retaliatory measures.

The Greatest Hurdler

ROBERT SIMPSON

When Robert Simpson, the great hurdler of the University of Missouri, beat F. W. Kelly of the Los Angeles Athletic Club, E. J. Thompson of the same club and Fred Murray of the Olympic Athletic Club of San Francisco in the 120-yard hurdle race in 14 4-5 seconds at the Amateur Athletic Union national championships at Newark, N. J., he not only made a new world's record, but he fixed on him the gaze of athletes the world over. Never before have four such men competed in the race. Simpson was a world's champion; Kelly was the Olympic champion; Murray was the national champion, while Thompson was the California champion.
