Plan Is to Combine Organizations of British Columbia, Washington and Oregon to Route Tourist Travel Through Northwest Much as California and Colorado Have Done With Surprising Success.

Klamath Commercial Club has rereived an invitation from the Port land Chamber of Commerce to sent a delegate to a meeting to be held in Portland October 10th to talk over means of selling the scenic attractions of the Northwest to tourists the meeting in Portland will be only preliminary one to a big meeting in Tacoma on October 11th, when delegates from Oregon, Washington and British Columbia will be present.

In speaking of the pending plan to exploit the Northwest's attractions to tourists, the Portland Chamber of

"We are going to try to do what the people of California and Colorado are doing-pool our finances and our assets. California is getting \$200,-000,000 a year from tourist travel. Colorado receives fully \$50,000,000 from the same source. This year tourist travel has split and passed around the Northwest, one branch going to California and the other to Alaska. Our plan will not require the direct contribution of a single collar from your community. We want you to be here at the meeting on the 10th to go over the whole of the necessity of getting into the scheme with every bit of weight you his armored battle plane. Rockwell possess.
