TEUTONS SLAUGHTER RUMANIANS

RED SOX DEFEAT BROOKLYN 6 TO 2

BROOKLYN USES THREE PITCHERS, BUT LOSES

Leonard Holds on Through Game, Allowing But Five Hits—Continual Hitting the Ball and Four Errors Place Boston Within One Game of Title of the World's Champions in Baseball.

United Press Service

BROOKLYN, Oct. 11.—The Boston Red Sox defeated the Brooklyn Dodgers today in the fourth game of the world's series by a score of 6 to 2. This gives Boston three and Brooklyn one game. Boston must take but one more game to win the series.

Manager Robinson used three pitchers in a vain effort to stop the slugging Red Sox. Marquard started but was relieved by Cheney, and he by Rucker. Dutch Leonard twirled through for the victors, and allowed but five safe bingles. The three Dutch pitchers were nipped for ten outs.

The weather for today's game was excellent, Quigley called balls and strikes, Dineen watched the bases and Connolly and O'Day were umpires on foul lines.

Boston could not score in the first inning, but Brooklyn made two, its only two of the game. Johnson tripled, Meyers singled, scoring Johnston, Merkle walked, Wheat sacrificed, and when Janvria fumbled Cutshaw's grounder Meyers scored.

In the second inning Brooklyn couldn't score while Boston made three. Hoblitzel walked, Lewis doubled and Gardner knocked a homer, scoring Hoblitzel and Lewis ahead of him.

Neither team scored in the third. In the fourth Boston made one when Lewis singled, Gardner sacrificed, Carrigan singled. Brooklyn made none, although Cutshaw doubled.

Cheney replaced Marquard in the fifth, but allowed a run when Hooper walked and stole second and Hoblitzel singled.

Neither side scored in the sixth. Boston annexed another run in the seventh. Hooper walked, Janvria forced Hooper, Walker sacrificed and Hoblitzel singled, scoring Janvria.

May Tell Germany She Can't Blockade Ports

LONG BRANCH, Oct. 11.—After a long conference between President Wilson and Secretary of State Lansing, it was learned that many telegrams have been received by the government from business men of the country urging notification to Germany that she cannot blockade American ports.

It is believed probable that steps will be taken at once to ascertain whether or not Germany plans to make her submarine warfare on this side of the Atlantic permanent.

Neither Lansing or President Wilson will make any statement regard-

ing action by this government in regard to the submarining of six freight steamers off the American coast last Sunday.

NEW YORK, Oct. 11.—Canadian aeroplanes are reporting to be sweeping over this side of the Atlantic for German submarines.

Rumors are being circulated that British warships have been ordered to escort the Philadelphia and Minnehaha, which sail simultaneously tomorrow for England.

WILL BUILD NEW TELEPHONE LINE

RECLAMATION SERVICE WILL MAKE PHONE CONNECTIONS BETWEEN IRRIGATION MANAGER'S HOME AND FARMERS

Pending only permission from the city council, the reclamation service will build a telephone line from the main office on Eleventh street to the residence of George Fry on Second street.

This line is to be constructed so that Mr. Fry, who is irrigation manager of the Klamath project, may be reached at night and on Sundays in case of a break in the ditch or other emergency. The main telephone lines do not reach all parts of the project.

so the reclamation service must use its private telephone for many purposes.

The reclamation service will make written application to build the line at the meeting of the council next Monday. The line is to follow High street to Second street.

Go to Washington.

Mr. and Mrs. A. B. Brown of Langell Valley were guests last night of Mr. and Mrs. F. R. Matt. They are on their way to Washington for the winter, in hopes of improvement in Mrs. Brown's health.

42 GREEKS AND ITALIANS CLAIMS IMPORTED BOOZE

BOLKO INNOCENTLY LEADS HIS COUNTRYMEN INTO TRAP

Claim Made Covers All of 20 Gallons of Wine or Whiskey—District Attorney Irwin Is Probing Boleo and Another Italian This Afternoon. Warrants May Be Issued for All 42 Claimants of Liquor.

The booze seized by Sheriff C. C. Low last Saturday night near Algoma is not going to be disposed of so easily as was that taken in the raid at Pelican City two weeks ago. Nobody seemed to want the few small kegs of wine and six cases of beer taken in the first seizure, but no less than forty-two Italians and Greeks are clamoring for the 220 gallons of liquor taken in the Algoma raid.

With a written request signed by forty two of the foreigners, most of whom live at Algoma, Arthur Boleo, janitor at several business buildings in Klamath Falls, appeared in the office of Sheriff Low last evening. Low took the paper and turned it over to District Attorney John Irwin. This afternoon Boleo and another Italian are closeted with Irwin.

Whether forty-two warrants are issued by Irwin cannot be foretold, although such a thing is among the possibilities. The law provides for such things in instances where the liquor is imported in any manner other than by a common carrier.

The names of the forty-two Italians and Greeks whom it would appear have an interest in the booze were secured by Sheriff Low through a rather clever subterfuge. He was asked Monday by Boleo what he was going to do with the liquor, and replied that it would be emptied into the lake. Boleo replied that it was not the sheriff's liquor, but belonged to several of his countrymen at Algoma.

"Why don't you tell them to come and claim it, then?" said Sheriff Low. Nothing more was said, but yesterday Boleo appeared with the signatures of the claimants.

BAVARIANS TAKE RED TOWER PASS ON RUSSIAN FRONT

Serbian Are Battling for Height Which if Taken Will Spell Fall of Monastir—London Claims British Are Within Two Miles of Serec and Have Driven Bulgarians Back to Serec.

BERLIN, Oct. 11.—The force of General Falkenyan, after defeating today the first Rumanian army invading Transylvania, slaughtered the second force before it could escape. The remaining Rumanians are retreating in confusion.

Their losses in the fighting of the last twenty-four hours have been appalling.

The Bavarians, after capturing Red Tower Pass, are invading Rumania today from the north.

After a fierce bombardment of several days the Italians at Goris were attacked today by the Austrians. The issue is yet undecided.

LONDON, Oct. 11.—The British are today within two miles of Serec in the new Greek offensive.

The Bulgarian cavalry has been driven back to Serec, and the British have occupied Topolova and Proseuk.

The Serbians are battling fiercely for the Chuka height, and are now dominating Monastir, following the capture of nearby towns. The capture of the height will mean the fall of Monastir.

The allied right wing in the Balkans has captured eight villages.

The Dobrudja fighting still is a deadlock. Reinforced, the Rumanians are holding some positions in Transylvania.

4,413 Voters in County; Republicans Total 2,010

With a total registration of 4,413 voters, the registration books for Klamath county closed Saturday afternoon. This total is compiled by Deputy County Clerk Charles F. De Lap from the figures in County Clerk Delap's office. They do not include a few names to be sent in by registrars in outlying precincts that have not been heard from.

The registration of 4,413 this year is 433 more than that for 1914.

Klamath county is overwhelmingly republican, as it has always been, according to this year's registration. For the entire county, 3,910 voters swore they were republicans, against 1,395 who vote the democratic ticket. The other parties fall far behind, the socialists having 89 and the others less. Twelve voters are still follow-

ers of the bull moose, twenty-five are prohibitionists, fifty are independent, forty-four are non-partisan and six refuse to state.

Klamath Falls alone has 2,214 votes. If it had two more it would have a majority of the total vote of the county.

Outside of Klamath Falls Wood River precinct is the largest in the county, having 325 votes in all parties. Tule Lake comes second, with 185. The smallest vote this fall will be cast in Worden precinct, where there are only twenty-six registered voters.

All the above compilations are based on the figures from the data on hand now, and do not consider the few names that are yet to come in from outlying districts.

Rural Schools to Hold Fair for the Children

An industrial or community fair to exhibit the work of the school children of these districts will be held on September 30th by the Fairview, Henley, Spring Lake and Mt. Laki schools. The fair will be held in the Mt. Laki church.

Any product resulting from the labor of the school children will be shown. This will include agricultural products, handicraft work, or relics

and such things collected by the children themselves.

The fair is being arranged by the children of the four districts, assisted by the Parent-Teachers Associations. About 125 pupils are enrolled in the four schools, and these are expected to assemble a large collection of products.

People from other school districts or any part of the county are invited to visit the fair.
