ROUGH HOUSE METHODS

ONE of the most humiliating and disgraceful spectacles ever witnessed in any civilized community occurred at Portland Saturday morning on the arrival of the "Women's Hughes Special," composed of a body of distinguished women of national reputation.
 Many of the nation's greatest men, of both parties, have visited Portland as speakers in the interest of the political parties of the nation, and they have met with courtesy and respect from citizens and members of all parties, but what must the world think of the great suffrage state of Oregon from the insults showered on this distinguished body of women by a group of women and men wearing Wilson badges.
 An attempt was made to follow the rough house methods started at the reception to the Hughes women in Chicago, and if it is any credit to the women of Oregon, it might be said that the performance in Portland Saturday morning was more vulgar and insulting than even the rowdy element of Chicago could devise.
 The demonstration was led by Dr. Marie Equi, radical agitator, champion of the I. W. W., and a woman who has gained much notoriety through her penchant for military tactics. She was accompanied by a number of women and men wearing Wilson badges, and claiming membership in the Wilson League, and was joined by a rabble of street rowdies who shouted insults. If this crowd had been an independent organization it might have been excused, but it was planned and fostered by the Journal, one of the big Portland papers, and a strong advocate of the re-election of President Wilson.

In justice to some of the more respectable members of the democratic party, it must be said that after witnessing the disgraceful actions, many men in the crowd wearing Wilson buttons who became disgusted with the proceedings, were seen to tear them off and throw them into the street.

IRRIGATION MEN SEE MANEUVERS

DELEGATES TO IRRIGATION CONGRESS WATCH WORK OF BIG EST BODY OF SOLDIERS GATHERED SINCE CIVIL WAR
 United Press Service
 EL PASO, Tex., Oct. 16.—Delegates to the twenty-third international irrigation congress today witnessed the special maneuvers of the 60,000 regular troops and national guardsmen who have been mobilized here since early summer.
 Today these forces, the largest number of American soldiers ever gathered together in one place since the conclusion of the Civil War, began their week's program of war games and the working out of actual war problems on a large scale.
 Delegates and visitors thronged the streets and visited the camps of the soldiers.

SCORES WILSON GUARD POLICY

GEORGE HILL DECLARES THAT RIGHT PREPAREDNESS POLICY WOULD HAVE MADE CALLING MILITIA UNNECESSARY

By GEORGE G. HILL.

No policy of the Wilson administration better illustrates its inefficiency and its indifference to the comfort and welfare of the people than that which it has pursued with regard to the National Guard.
 No patriotic American can object to the president's calling upon the National Guard to aid the regular army in protecting the territory of the United States when an emergency makes that course necessary. Many people are convinced that had Mr. Wilson faced the fact regarding Mexico instead of sneering at those who advocated preparedness, in his message to congress of December, 1914, he would have appreciated the necessity of increasing the regular army and thus have avoided the necessity of calling upon the militia this summer, but that is another proposition.
 When called upon the National Guard responded loyally and cheerfully, and hastened to the border as rapidly as conditions would permit. After a time General Order No. 20 was issued. This provided that the heads of families and those having others dependent upon them should be relieved. The order was proclaimed to the public, and many wives, dependent mothers and others hailed it with delight. But there appears to have been another order, privately issued, which in effect nullifies Order No. 20, for many men whose loved ones were in actual want or were being supported by the patriotic donations of the communities in which they lived, sought to obtain their discharge under Order No. 20, and were met with information from their officers that they were forbidden to make such application.
 There appears to be no good reason for keeping the guardsmen on the border all this time. A redistribution of the command of General

Pershing along the border, the assembling of a greater force of regulars, etc., and sterner, more emphatic methods of dealing with Carranza would doubtless have made possible the release of at least all those who have wives or others dependent upon them for support. If only the administration regarded that end of sufficient importance to warrant its attention.

SAGE TEA KEEPS YOUR HAIR DARK

WHEN MIXED WITH SULPHUR IT BRINGS BACK ITS BEAUTIFUL LUSTRE AT ONCE

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold. Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a 50-cent bottle of "Wyeth's Sage and Sulphur Compound," which is merely the old time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully, besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored, and it becomes thick, glossy and lustrous, and you appear years younger.
 Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.—Adv.

GOVERNMENT TO OWN RAILROADS

SECRETARY OF THE SOCIALIST SOCIETY PREDICTS GOVERNMENT OWNERSHIP OF ALL ROADS IN TEN YEARS

WASHINGTON, D. C., Oct. 16.—Uncle Sam is going into the railroad business within the next decade, according to Benjamin C. Marsh, New York, executive secretary of the real preparedness committee of the inter-collegiate socialist society, an organization backed morally and financially by Amos Pinchot.
 "Every railroad in the United States—352,000 miles of them," said Marsh today, "will pass from private ownership within ten years to be operated in the interest of the public, instead of the interests of privilege."
 "The railroad capitalists, being human, wish to get wine prices for rain water. It is our mission to squeeze all the water out of the roads before the government takes them over."
 Declaring ultimate government operation of all roads inevitable, Marsh said, "the real problem is to see that the properties are not unloaded on the public at more than their actual value."

SALTS FINE FOR ACHING KIDNEYS

WE EAT TOO MUCH MEAT, WHICH CLOGS KIDNEYS, THEN THE BACK HURTS

Most folks forget that the kidney, like the bowels, get sluggish and clogged, and need a flushing occasionally. else we have backache and dull misery in the kidney region, severe headaches,

rheumatic twinges, torpid liver, acid stomach, sleeplessness, and all sorts of bladder disorders.
 You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. The famous salts is made from the acid of grapes and lemon juice combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.
 Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.
 A well known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.—Adv.
