**HARVARD MAY  
 TAKE UP MORE  
 OPEN ATTACK**

HAVE DEPENDED ON OLD  
 STRAIGHT FOOTBALL

Believed That the Crimson Will Drop  
 Some of Trick Plays and Straight  
 Football Built Around One Man  
 for Forward Pass and Other Open  
 Attack—Haughton Less Enthusi-  
 astic Than Assistants.

By HAMILTON  
 (United Press Staff Correspondent)  
 NEW YORK, Oct. 19.—When Har-  
 vard and Yale clash November 25th in  
 their annual big football game, the  
 Harvard coaches may surprise follow-  
 ers of the game by the method of play  
 they adopt for the encounter.

After years of adherence to trick  
 formations and smashing attack, and  
 concentration upon kickers the Har-  
 vard team has been trying out the  
 open game this year. The coaches  
 have been laying more and more  
 stress upon hidden ball and forward  
 pass plays, which, in the last few  
 years have been rather sidetracked  
 in favor of straight football.

The conservative style of football,  
 which has been Harvard's since Percy  
 Haughton took charge of the team, is  
 not favored so greatly by assistant  
 coaches who have had much to do  
 with building the team this year and  
 the open formations probably will get  
 their share of attention in the big  
 game. They probably have not been  
 given the full sanction of the famous  
 coach, but he doubtless will give a  
 large bit of attention to the open  
 style.

New formations both in attack and  
 defense, have been used with suc-  
 cess by both varsity and scrub teams  
 in practice. The almost entirely new  
 material from which the backfield  
 was built this year had made neces-  
 sary some changes.

Flower and Casey, stars last year  
 on the freshman eleven, are men  
 around whom the basis of trick plays  
 probably will be formed. The newer  
 men have had much schooling in sen-  
 ior years in open formations and  
 they yield easier to that kind of in-  
 struction.

Yale's failure to make a success of  
 the wide open style of attack has not  
 deterred Harvard's under coaches  
 from pressing that style of play.

**OUCH! BACKACHE!  
 RUB LUMBAGO OR  
 PAIN FROM BACK**

RUB STIFFNESS AWAY WITH  
 SMALL TRIAL BOTTLE OF OLD,  
 PENETRATING "ST. JACOB'S  
 OIL"

Ah! Pain is gone!  
 Quickly!—Yes. Almost instant relief  
 from soreness, stiffness, lameness  
 and pain follows a gentle rubbing  
 with "St. Jacob's Oil."

Rub this soothing, penetrating oil  
 right on your painful back, and like  
 magic, relief comes. "St. Jacob's Oil"  
 is a harmless backache, lumbago and  
 sciatica cure which never disappoints  
 and doesn't burn the skin.

Straighten up! Quit complaining!  
 Stop those torturous "stitches." In a  
 moment you will forget that you ever  
 had a weak back because it won't hurt  
 or be stiff or lame. Don't suffer! Get  
 a small trial bottle of old, honest, "St.  
 Jacob's Oil" from your druggist now  
 and get this lasting relief.—Adv.

**Players of Former Mack  
 Machine Showing Lustre**

By HAMILTON  
 (United Press Staff Correspondent)  
 NEW YORK, Oct. 19.—Although  
 in Philadelphia only a few members  
 of the famous old Mackian machine  
 still are working for Connie Mack,  
 none of the lustre has faded from a  
 majority of the players who took part  
 in the wonderful playing of the Ath-  
 letics. In nearly every club which  
 finished well up among the leaders in  
 the big league races just finished,  
 there are one or two former White  
 Elephants who were cast adrift or  
 sold by Mack when he began the dis-  
 memberment of the club.

Among members of the champion  
 Red Sox are Jack Barry, who played  
 shortstop in the \$100,000 infield;  
 Herb Pennock, pitcher; Weldon  
 Wyckoff, pitcher, and Jimmy Walsh,  
 outfielder.

The Dodgers, champions of the Na-  
 tional League, also have a former  
 Athletic star in Jack Combs, the most  
 remarkable comeback, it seems of all  
 times.

With the White Sox are Eddie Mur-  
 phy, Jack Lapp and Eddie Collins, all  
 of whom were members of the noted  
 Philadelphia juggernaut team.

Frank Baker and Rube Oldring  
 took part in the fine race made by the  
 Yankees, and Bob Shawkey was the  
 most consistent winning pitcher of  
 the New Yorkers. Eddie Plank, vic-  
 tor in many a world's series battle,  
 went through a successful season with  
 the Browns.

In Philadelphia, but on the Nation-  
 al League club, another member of

**DRUGGIST SAYS LADIES ARE  
 USING RECIPE OF SAGE TEA  
 AND SULPHUR**

Hair that loses its color and lustre,  
 or when it fades, turns gray, dull and  
 lifeless, is caused by a lack of sulphur  
 in the hair. Our grandmother made up  
 a mixture of Sage Tea and Sulphur to  
 keep her locks dark and beautiful, and  
 thousands of women and men who  
 value that even color, that beautiful  
 dark shade of hair which is so attrac-  
 tive, use only this old time recipe.

Nowadays we get this famous mix-  
 ture improved by the addition of other  
 ingredients by asking at any drug store  
 for a 50 cent bottle of "Wyeth's Sage  
 and Sulphur Compound," which dark-  
 ens the hair so naturally, so evenly,  
 that nobody can possibly tell it has  
 been applied. You just dampen a  
 sponge or soft brush with it, and draw  
 this through your hair, taking one  
 small strand at a time. By morning  
 the gray hair disappears; but what de-  
 lights the ladies with Wyeth's Sage  
 and Sulphur Compound is that, be-  
 sides beautifully darkening the hair  
 after a few applications, it also brings  
 back the gloss and lustre, and gives it  
 an appearance of abundance.

Wyeth's Sage and Sulphur Com-  
 pound is a delightful toilet requisite  
 to impart color and a youthful ap-  
 pearance to the hair. It is not intended for  
 the cure, mitigation or prevention of  
 disease.—Adv.
