

WESTON PRESIDENT FAVORS PENDLETON

PROF. R. C. FRENCH, FORMER HEAD OF WESTON NORMAL, IS BOOSTER FOR PENDLETON AS NORMAL LOCATION.

Portland, Ore.—Professor R. C. French, ex-President of the State Normal School at Weston, Oregon, prefers Pendleton to Weston as the facilities for practice teaching at Pendleton make it the logical site for the Eastern Oregon Normal School. Here is what he says:

"The previous history of the Normal School in Eastern Oregon proves that a large number of young people to whom other educational institutions are not easily accessible are ready to avail themselves of the privileges offered by a Normal School to fit themselves for community service in public school work. The immediate establishment of such a school at some central point, such as Pendleton, would prove a great asset to the State of Oregon."

SAYS BUSINESS IS GETTING BETTER

A. L. MILLS, PRESIDENT OF FIRST NATIONAL BANK OF PORTLAND SAYS MONEY IS AVAILABLE FOR ALL NEEDS

PORTLAND, Oct. 21.—"You can safely say that business and financial conditions in the Pacific Northwest are improving every day, and are now quite good."

The words are those of A. L. Mills, president of the First National bank. "Some time ago I made the assertion that business was much better in the Pacific Northwest," said Mr. Mills, "and I am more convinced of it today than ever before."

"There has never been so much money brought into this section from the outside world as during recent months. Our wheat is selling at the highest price known; we had a very big crop of it; all farm products are commanding good prices and taking all lines into consideration, I see not the slightest cause for complaint."

"The banks are overflowing with money. Our deposits are the greatest since the bank was organized and we are willing, no, anxious, to put it into circulation. Any business man who has legitimate need for money can get it abundance; the more he needs and takes the better for us. We are turning no one down, who has the slightest excuse to secure credit."

"Our vaults are full of gold, and we are trying to discover places where it can be put at a profit. We want to loan money to business interests, not only for the good it will do business generally, but for our own sake. A bank does not want to keep money in its vaults. It must loan it to make money for its stockholders."

DRUGGIST SAYS LADIES ARE USING RECIPE OF SAGE TEA AND SULPHUR

Hair that loses its color and lustre, or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only this old time recipe.
Nowadays we get this famous mixture improved by the addition of other ingredients by asking at any drug store for a 50 cent bottle of "Wyeth's Sage and Sulphur Compound," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. You just dampen a sponge or soft brush with it, and draw this through your hair, taking one small strand at a time. By morning

the gray hair disappears; but what delights the ladies with Wyeth's Sage and Sulphur Compound is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and lustre, and gives it an appearance of abundance.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite to impart color and a youthful appearance to the hair. It is not intended for the cure, mitigation or prevention of disease.—Adv.
