

NEBRASKA TAKES BIG GAME FROM OREGON AGGIES

Men Upholding Football Reputation of the West Can't Withstand Incessant Line Smashing of Cornhuskers—Conn of O. A. C. Makes 110 Yard Run for Only Touchdown for the Aggies.

United Press Service
PORTLAND, Oct. 23.—The University of Nebraska football team defeated the Oregon Agricultural College here Saturday afternoon by a score of 17 to 7.

The Aggies only touchdown came after a 110-yard run by Conn. Nebraska made two touchdowns and one field goal. It defeated the Aggies because the latter could not withstand the terrific line hammering of the cornhuskers. In the fourth period O. A. C. had the ball on Nebraska's one-yard line, but fumbled. Nebraska recovered and kicked out of danger. A. Anderson and Captain Bissett, two of the Aggies' best players, were knocked out during the game and carried from the field.

Only Photograph Taken of Sarah Bernhardt as She Stepped from Liner on Arrival Here

MME. SARAH BERNHARDT

Sarah Bernhardt, the great French actress, positively refused to pose for the photographers when she stepped from the liner Espagne at the New York pier, Wednesday. She had just gone through the sea off Nantucket, believed to be in control of U-53, which has already sunk six steamers.

The French liner would have been fair game, and the most important the undersca boat had found.

The photographer who got this picture was fortunate. He caught the great actress in one of her excited moments trying to answer the welcome of those glad to see her back in the United States.

SAGE TEA KEEPS YOUR HAIR DARK

WHEN MIXED WITH SULPHUR IT BRINGS BACK ITS BEAUTIFUL LUSTRE AT ONCE

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold. Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a 50-cent bottle of "Wyeth's Sage and Sulphur Compound," which is merely the old time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully, besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored, and it becomes thick, glossy and lustrous, and you appear years younger. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.—Adv.

For the Sake of Your Watch

A WATCH can go from twelve to eighteen months without being cleaned or oiled, but it needs the attention of the expert watchman then, or expensive injury will result. For the sake of your watch, have it examined at Upp's, where it gets the attention of an expert watchmaker who knows what to do, how to do it, and does it exactly right.
