illes, descendants of the ancient house of Fujiwara.

In former decades the members of the five families acted as courtiers or regents to the Emperor. They are still known as the "go sekke" (five regents). The "go sekke" are the families of Konoyo, Takatsukasa, Kujo, Niho and Ichijo.

The circumstances which give Miss Asako the clear path for the Imperial Palace are:

The present head of the Konoyo family, Prince Fuminaro, has no daughter; in the Takatsukasa family there is no daughter of age to make her available; from the Kujo family came the present Empress Sadako, blood relationship eliminates her family, and the Niho family is on the financial rocks, the present head, Prince Hiromoto, having exhausted the treasury trying to attain political power.

BOTH SEXES IN THE ARMORED TANKS TOO

United Press Service

LONDON, Oct. 28.—(By Mail). Latest reports from Northern France apropos the "Tanks"—British armored land cruisers—say there are male and female "Tanks."

The difference is in the nature of their gun equipment. But in the case of the "Tanks" the female is not more deadly than the male.

If the call is affirmed the Congress will be held at a time fixed by the executive committee and prior to the close of the European war. The specific rights the Congress will seek are:

1. Civil, religious and political rights and in addition thereto.
2. Wherever the various peoples of any land are, or may be recognized, as having rights as such, the conferring of the Jewish people of the land affected, of like rights if desired by them, as determined and ascertained by the Congress.
3. The securing and protection of Jewish rights in Palestine.

The Congress, if called, is to select an executive committee which, in cooperation with the Jews of other lands, shall strive for the realization of the program.

BY RALPH TURNER

TOKIO, Japan, Oct. 30.—Crown Prince Hirohito, fifteen years old, was today, his father's birthday, officially proclaimed. His engagement to Miss Asako Ichijo is soon to be announced.

TOKIO, Oct. 2.—(My Mail)—For the first time in the history of Japan there is but one available candidate for the hand of the Crown Prince. She is Miss Asako Ichijo, fourteen. Her betrothal to the Prince will be announced soon after he is proclaimed. The marriage will be delayed several years.

Miss Asako, or Miss Morning, as it would be in English, will become

the bride of the Emperor-to-be by virtue of a peculiar set of circumstances. She is without opposition for the place despite the tradition that permits the selection of the Emperor-to-be from any of five historical fam-
