WAR BRINGS OUT TURKISH WOMEN

PRESIDENT OF CONSTANTINOPLE COLLEGE FOR WOMEN SAYS TURKISH WOMAN HAS GOOD INTELLECT AND SPIRIT.

By GEORGE MARTIN

(United Press Staff Correspondent) NEW YORK, Nov. 18.—War is bringing the Turkish woman, feminine mystery of the age, out of the harem and from behind her veil.

"And when she stands revealed, the world will be astounded at her superior intellect and progressive spirit," said Miss Mary Mills Patrick, home from Constantinople today.

"Our centuries-old curiosity about the veiled women of the harems (she pronounced it 'har-ehms') is about to be gratified.

"How they live, what they think, what their dreams may be is gradually unfolding in the general upheaval in Europe today. And these things will not at all be what we Americans have pictured them.

"Our idea that life in a harem is one continuous debauch could not be farther from the truth. The women of Turkey as a class are splendid women. They are not frivolous nor petty nor empty-minded nor dull.

"The veil and the secluded life are no more acceptable to the Turkish woman than they would be to a stenographer in Chicago or a drygoods saleswoman in San Francisco.

"They do not countenance immorality and fast living any more than millions of good women in the United States and their standards are quite as high and noble as those of any woman in the world.

"These women, particularly as to their brain capacity and self-reliance, are greatly misunderstood by the men and women of America. As a class, they possess an unusual degree of intelligence and initiative and when they have fully come into their own the world will be astounded at their high station."

DEMOCRATS ARE AFTER OFFICES

THOSE IN NORTHERN CALIFORNIA MAKING PREPARATIONS FOR RECEIVING REWARDS FOR SERVICES TO WILSON

United Press Service SACRAMENTO, Nov. 18.—Northern California democrats are feeling mighty cocky over having furnished Wilson a plurality. Already, however, many are lining up for office.

In Sacramento a half dozen are out for the postmastership, believing Thos. Fox, the incumbent, will retire to the presidency of his insurance company. D. W. Carmichael is being talked of for the postmastership, and L. E. Bontz, a publisher, is also mentioned.

The United States marshalship is said to be Lynn Simpson's for the asking. Simpson is editor of the Sacramento Union, which supported Wilson and came out for Patton the last week before the election.

It is presumed that Collector Scott, Appraiser Leake and Land Receiver Andrews will be permitted to stay in office, although Napa county politicians are said to be seeking one of these places. Theodore A. Bell of Napa county is said to be in line for the United States district attorneyship of the new Sacramento district.

F. J. Kuhn, whose county of San Joaquin gives Wilson 3,500 plurality, will likely have no opposition for re-appointment as postmaster of Stockton.

OPEN NOSTRILS! END A COLD OR CATARRH

How To Get Relief When Head and Nose are Stuffed Up.

Count fifty. Your cold in head or catarrh disappears. Your clogged nostrils will open. Your air passages of your head will clear and you can breathe freely. No more snuffing, hawking, mucous discharge, dryness or headache; no struggling for breath at night.

Get a small bottle of Ely's Cream Balm from your druggist and apply a little of this fragrant antiseptic cream in your nostrils. It penetrates through every air passage of the head, soothing and healing the swollen or inflamed mucous membrane, giving you instant relief. Head colds and catarrh yield like magic. Don't stay stuffed up and miserable. Relief is sure.—Adv.

How Quick Can a Woman Dress?

DALLAS, Texas, Nov. 18.—How long should it take a woman to dress?

Mrs. Eleanor McAdoo, wife of the secretary of the treasury and daughter of President Wilson, told newspapermen this morning that she "set a world's record when she dressed in twenty minutes."

She was here with her husband, who is heading the farm loan board in a series of hearings. The party reached Dallas over the Texas & Pacific at 7:35. Mrs. McAdoo admitted she over-slept, hence the "world's record."

Asked about his rumored resignation, McAdoo said he "didn't know." His secretary, Claude De Bfum, however, admitted that McAdoo was "considering it." De Baum explained that the secretary was finding it hard to live on the \$12,000 a year salary.

MEAT INJURIOUS TO THE KIDNEYS

TAKE A TABLESPOONFUL OF SALTS IF BACK HURTS OR BLADDER TROUBLES

We are a nation of meat eaters and our blood is filled with uric acid, says a well known authority, who warns us to be constantly on guard against kidney trouble.

The kidneys do their utmost to free the blood of this irritating acid, but become weak from the overwork; they get sluggish; the eliminative tissues clog and thus the waste is retained in the blood to poison the entire system.

When your kidneys ache and feel like lumps of lead, and you have stinging pains in the back or the urine is cloudy, full of sediment, or the bladder is irritable, obliging you to seek relief during the night; when you have severe headaches, nervous and dizzy spells, sleeplessness, acid stomach or rheumatism in bad weather, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning and in a few days your kidneys will act fine.

This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys, to neutralize the acids in urine so it is no longer a source of irritation, thus ending urinary and bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia water drink, and nobody can make a mistake by taking a little occasionally to keep the kidneys clean and active.—Adv.
