BIENNIAL BUDGET WILL BE READY

United Press Service
SALEM, Nov. 21.—The biennial budget will be ready for distribution to all the members of the legislature early in December. The law provides that the budget shall be in the hands of each legislator 30 days before the session opens.

Inasmuch as there has been a general disposition shown by departments and institutions to secure an increased appropriation, the lawmakers will be confronted with puzzling problems.

Following is a list of estimates recently filed and the comparison with appropriations made two years ago:
University of Oregon, \$796,935, increase \$133,136; Oregon Agricultural college, \$923,125, increase \$122,125; stallion registration board, \$11,050; Oregon state library, \$50,000, increase \$11,200; Oregon Historical society, \$25,290, increase \$13,290; Oregon Social Hygiene society, \$40,000, increase \$25,000; Supreme Court reporter, \$3,200, increase of \$2,000; attorney general, \$54,000, increase \$9,320; University of Oregon Medical department \$100,055, decrease \$9,145; child labor commission, \$5,000, same as for 1915-1916; Monmouth normal school, decrease \$40,426; public printing department, \$12,000; industrial accident commission, \$147,400, an increase of \$20,527.

Accurate information about the Klamath country. Ask Chilcote. 7

DULL, SPLITTING, SICK HEADACHE

Dr. James' Headache Powders relieve at once—10 cents a package.

Great Hurdler Proved His Nerve in Real Test

By HAMILTON
(United Press Staff Correspondent)
NEW YORK, Nov. 21.—An obscure little town, Marysville, Mo., the home of one of Missouri's many normal schools, gave Robert Simpson, who broke the senior record in the Amateur Athletic Union's recent meet at Newark, N. J., his start to fame.

Simpson by the way, is one of the few western athletes who have lived up to a reputation established in the west. It is an unfortunate fact that athletes from the west are prone to "blow" when they go to the big eastern meets and, as a consequence, their claims ordinarily are not taken very seriously. Simpson, however, proved beyond any doubt that he is the real thing when he went over the 120-yard high hurdles at Newark in 14 4-5 seconds, a new world's record unless A. A. U. officials allow a previous mark of 14 3-5 seconds made by Simpson.

It was four years ago last spring that Simpson's name was printed on the official program of the northwest Missouri high school. The lanky country boy was entered in every event save the hurdles. Neither he nor his trainer thought much of Simpson as a hurdler.

Simpson started with the 100-yard dash and he finished second. Then he went into the 220 dash and finished second. In the half mile and the quarter he finished first and second, respectively. He broke the record for the shot-put, the discus throw and the broad jump. He also was first in the high jump and finished a good second in the pole vault.

When Simpson got to the hop, step and jump he was a little bit tired, but he managed to crack another record. Simpson's wonderful feats gained for him the school, Bosworth high, second place in the meet, almost beating out the school which had taken first place in every meet since the games had been contested at Marysville.

Missouri university athletic authorities heard of him and at once gabbled him up. He was not heard

from, except in a prophetic way, until after he had spent a year at Missouri, for Missouri Valley conference rules, like most conference rules, prohibit freshmen taking part in athletic events.

The following year, however, Simpson blossomed out as a hurdler and he has been busy winning events of this sort ever since.

EAT LESS MEAT IF BACK HURTS

TAKE A GLASS OF SALTS TO FLUSH KIDNEYS IF BLADDER BOTHERS YOU

Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known authority, because the uric acids in meat excite the kidneys, they become overworked; get sluggish; clog up and cause all sorts of distress, particularly backache and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.—Adv.

Great Lighting Display Will Illuminate Heavens

United Press Service
SAN FRANCISCO, Nov. 21.—The wonderful lighting display at the Panama-Pacific Exposition, at which millions marveled, again will flash across the San Francisco skyline. Arrangements have been completed whereby the battery of acetylators will be used for the exterior lighting effects at the Pacific Automobile Show, to be held at the Exposition Auditorium February 10 to 18.

Only one hitch can occur in the plans. Should the Russian government exercise its option on the big lamps before that time, they will be unavailable. However, there seems no prospect of this, and every indication is that the lights will be used. This announcement will be greeted with enthusiasm, not only in San Francisco, but all over the west, for millions of visitors to the exposition praised the wonderful display night after night, which helped make the exposition the best lighted and most beautiful by night, as well as by day, ever held.

In making his plans for the show Manager Wahlgreen has endeavored to give the San Francisco public and the motor world of the west an exhibition which would surpass anything ever held in this country, and the elaborate lighting scheme will be only one of the features of a show which will be conducted on a scale never before attempted in the west.

Decorative experts to whom he has given an inkling of his plans agree with him that it will far outdo anything ever held in this country from that standpoint. The matter of giving the west a group of exhibits on the same plane with the show has been placed squarely up to the dealers, and they have responded in a manner that has assured the success of the exhibition from every standpoint.

"My only worry now," said Mr. Wahlgreen, "is that we will be unable to meet the demands for space. We

will not have within 20,000 feet of the amount of space demanded. Already the entire lower floor and the two side rooms are over-subscribed, and this is all the space we can devote to pleasure cars. The necessary space has not yet been opened for subscription, but many calls already are coming in for room in this department."

ORGANS GOING
Have sold many organs lately. Large top organs \$20 up, with two years to pay. Don't wait until we are sold out, then wish you had looked them over, at Shepherds, next door postoffice. 14-41

YOU CAN FREE YOURSELF

Surely from old age, poverty and desolation only by your own foresight and prudence. You cannot depend on others to provide for your comfort. A savings bank account started while you are young will be your salvation in later years. Better start it at once.

Klamath Floral Company

We have taken over the business of the Klamath Floral company from Mrs. I. H. Bath, and will endeavor to give the public the very best of service. All orders for funerals promptly filled. Call and leave your orders for Thanksgiving and Xmas holly and flowers.
