WOMAN MAKER OF LAWS BESIEGED

MISS JEANETTE RANKIN OF MONTANA RECEIVES MANY OFFERS OF MARRIAGE AFTER BEING ELEVATED TO OFFICE

United Press Service.

MISSOULA, Mont., Nov. 23.—Pursued by offers of marriage, advertising agencies wanting her pictures, cranks and beggars, Miss Jeanette Rankin, Montana's new congresswoman, today took refuge behind closed doors, and stationed her brother, a former Harvard University football player at the front gate to meet visitors.

Every mail brings a fresh crop of proposals. It was learned today. They come from all over the United States. One from an Oklahoma lawyer, "temporarily picking cotton," said he loved Miss Rankin from the moment he heard she could make her own hats.

A tooth paste company wanted to photograph Miss Rankin's teeth. It is willing to pay \$5,000 for the picture.

An automobile concern asked the privilege of presenting a new model car to Miss Rankin, if she would merely consent to having her ownership used for advertising purposes.

The latest excitement is a motion picture sharpshooter from California, who has dug himself in near the Rankin home, and made preparations for remaining all winter.

BIG EATERS GET KIDNEY TROUBLES

TAKE SALTS AT FIRST SIGN OF BLADDER IRRITATION OR BACKACHE

The American men and women must guard constantly against kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder troubles.

Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.—Adv.

The Ku Klux Klansmen in the Birth of a Nation

The Ku Klux Klan's warning to intended victims was three dried peas. Singular, but the order itself was singular, and did nothing after conventional lines. These would be sent to the marked man at intervals, and no word to accompany them. If he were residing in the South during those troublous days, he would know the significance of those mysterious, but seemingly harmless peas, and if he were guilty of a misdeed against either the cause of the South and of its traditions, or to the silent, deadly band who thus remembered him, his days were surely numbered, and there was no escape from their vengeance but by death at his own hand—and seldom was there that.

One dared not breathe the name of the organization for fear his nearest neighbor might belong to it, and many a man suddenly disappeared because of unguardedly making a careless remark about the Ku Klux Klan.

When first hastily gotten together, it is said, these modern knights enrolled the best and noblest blood in the Old South, but after their specific mission was completed, and a stable law regulated the rights of the Southern people, their services were no longer required, and they disbanded, when the hoodlums and desperate characters of the land took up the order, and used it to cover their own misdeeds, thus bringing down the name of the "Klansmen," the odious reputation they have ever since borne.

Many blood-curdling tales were told of their secret doings and secret and deadly workings.

The rides and rescues of the Ku Klux so graphically, dramatically set forth in "The Birth of a Nation" are those of the original, right-enforcing organization of true sons of the Old South.

CREAM FOR CATARRH OPENS UP NOSTRILS

Tells How To Get Quick Relief From Head-Colds. It's Splendid!

In one minute your clogged nostrils will open, the air passages of your head will clear and you can breathe freely. No more hawking, snuffing, blowing, sneezing, dryness. No struggling for breath at night; your cold or catarrh will be gone.

Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic, healing cream in your nostrils. It penetrates through every air passage of the head, soothes the inflamed or swollen mucous membrane and relief comes instantly.

It's just fine. Don't stay stuffed-up with a cold or nasty catarrh—relief comes so quickly.—Adv.

WHERE PARTICULAR PEOPLE BUY THEIR DRUGSHot Water Each Morning
Puts Roses in Your Cheeks

To look one's best and feel one's best is to enjoy an inside bath each morning to flush from the system the previous day's waste, sour fermentations and poisonous toxins before it is absorbed into the blood. Just as coal, when it burns, leaves behind a certain amount of incombustible material in the form of ashes, so the food and drink taken each day leave in the alimentary organs a certain amount of indigestible material, which, if not eliminated, form toxins and poisons which are then sucked into the blood through the very ducts which are intended to suck in only nourishment to sustain the body.

If you want to see the glow of healthy bloom in your cheeks, to see your skin get clearer and clearer, you are told to drink every morning upon arising, a glass of hot water with a teaspoonful of limestone phosphate in it, which is a harmless means of washing the waste material and toxins from the stomach, liver, kidneys and bowels, thus cleansing, sweetening and purifying the entire alimentary tract, before putting more food into the stomach.

Girls and women with sallow skins, liver spots, pimples or pallid complexion, also those who wake up with a coated tongue, bad taste, nasty breath, others who are bothered with headaches, bilious spells, acid stomach or constipation, should begin this phosphated hot water drinking and are assured of very pronounced results in one or two weeks.

A quarter pound of limestone phosphate costs very little at the drug store but is sufficient to demonstrate that just as soap and hot water cleanses, purifies and freshens the skin on the outside, so hot water and limestone phosphate act on the inside organs. We must always consider that internal sanitation is vastly more important than outside cleanliness, because the skin pores do not absorb impurities into the blood, while bowel pores do.

Women who desire to enhance the beauty of their complexion should just try this for a week and notice results. (Advertisement)
