OPEN NOSTRILS! END A COLD OR CATARRH

How To Get Relief When Head and Nose are Stuffed Up.

Count fifty. Your cold in head or catarrh disappears. Your clogged nostrils will open, the air passages of your head will clear and you can breathe freely. No more sneezing, hawking, mucous discharge, dryness or headache; no struggling for breath at night.

Get a small bottle of Ely's Cream Balm from your druggist and apply a little of this fragrant antiseptic cream in your nostrils. It penetrates through every air passage of the head, soothing and healing the swollen or inflamed mucous membrane, giving you instant relief. Head colds and catarrh yield like a magic. Don't stay stuffed up and miserable. Relief is sure.—Adv.

HIGH SCHOOL NOTES

Monday of last week Mary Thomas and Eleanor Torg served a noon breakfast. The hostess was Florence DuFault, and the host was Edith Sing. The guest of honor was Marie Shelby. The menu consisted of

Peaches and Cream
Cereal
Soft Boiled Eggs

Biscuit Coffee
The current event pictures for November were shown Monday of last week. Mr. Gregg gave the lecture which was well illustrated by the stereopticon slides.

The high school debating team debated on the subject of health insurance in assembly last week. Their opponents were Clinton Hurd, Cecil Adams and Clarence Williams. As has already been announced, they debated against Lakeview Friday night and won the decision of all the judges.

Both last week and this week the seniors have been holding debates in class. The questions have been as follows: "The Eight Hour Day," "Compulsory Arbitration of Labor Disputes," "Chinese Immigration," "The Tariff," "Literacy Test for Immigrants," "Permanent Retention of the Philippines," "Increase of the Navy," "Municipal Ownership of Public Utilities."

The basketball season has started out well this year. Both the game with Lakeview and the game with Merrill have been easy victories for Klamath. Friday night practice games were played between the first and second girls teams and the boys team with the town "scrubs."

School was forced to close Thursday and Friday last week on account of one of the pupils, Erma Ager, getting the scarlet fever. The building was closed merely as a precaution while the rooms were thoroughly fumigated.

A five course dinner was served to the school board Thursday by six girls of the cooking class. These girls were Maude Miller, Helen Zump, Florence Boggs, Erma Bamber, Myrtle Ward and Helen DuFault. The table decorations were white carnations. The place cards were ornamented with yellow pansies and they were made by Myrtle Ward. The menu was:

Oyster Cocktail and Crackers
Ham, Southern Style
Scalloped Sweet Potatoes and Apples
Mashed Irish Potatoes
Creamed Peas Gravy
Parker House Rolls
Pineapple Banana Salad
Pumpkin Pie with Whipped Cream
Coffee

Mr. Dezell made a very interesting talk last Thursday on the Civil War and Reconstruction Period. Mr. Dezell advocated a broad-minded viewpoint toward both sides.

MEAT CAUSE OF KIDNEY TROUBLE

TAKE SALTS TO FLUSH KIDNEYS IF BACK HURTS OR BLADDER TROUBLES

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush out the body's urinous waste get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure, and makes a delightful effervescent lithia water drink.—Adv.

One of These May Succeed Joffre

GEN. CASTELNAU
GEN. NIVELLE
GEN. JOFFRE

Following fast upon the overthrow of Premier Asquith in England rumor has it "Papa" Joffre, commander in chief of the French army in the west, is likely to be supplanted by General Petain, the hero of Verdun; General Castelnau, his chief aid, or General Nivelle, now in command at Verdun. Some Frenchmen argue that General Joffre has reached the limit of his ability, and that a man of different ideas must be placed in command of France is to win.

MEAT INJURIOUS TO THE KIDNEYS

TAKE A TABLESPOONFUL OF SALTS IF BACK HURTS OR BLADDER TROUBLES

We are a nation of meat eaters and our blood is filled with uric acid, says a

well known authority, who warns us to be constantly on guard against kidney trouble.

The kidneys do their utmost to free the blood of this irritating acid, but become weak from the overwork; they get sluggish; the eliminative tissues clog and thus the waste is retained in the blood to poison the entire system.

When your kidneys ache and feel like lumps of lead, and you have stinging pains in the back or the urine is cloudy, full of sediment, or the bladder is irritable, obliging you to seek relief during the night; when you have severe headaches, nervous and dizzy spells, sleeplessness, acid stomach or rheumatism in bad weather, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning and in a few days your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys, to neutralize the acids in urine so it is no longer a source of irritation, thus ending urinary and bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia water drink, and nobody can make a mistake by taking a little occasionally to keep the kidneys clean and active.—Adv.
