Liquor Questions Up Before California Solons

Measure Before Today Commented on by Legislator Who Introduced Saloon Regulation Bill

SACRAMENTO, Feb. 6.—Assemblymen George Ashley, who introduced the wine men's saloon regulation bill, sees no chance for the Rominger "ten per cent bill" to become a law, even if it is amended. He made known his personal view while at the capitol today.

Rominger's bill in its present form would put the ban on liquor having more than 10 per cent alcohol. A big shout being made by the wine men that the 10 per cent limit would wipe out the grape wine industry in California. Rominger hastily announced his willingness to raise the limit to 14 per cent, or even 20 per cent, so as to permit the manufacture and sale of dry and sweet wines.

But, in Ashley's opinion, even if such amendment is made, the bill will fall short of votes.

"If the bill is left at 10 per cent," explained Ashley, "the bill will be practically a prohibition measure, and no such measure has a chance of getting through the assembly. If the limit is made 14 per cent, a split will be brought about between the dry wine and sweet wine industries, sweet wine requiring at least 20 per cent. The 14 per cent limit would thus be opposed by the sweet wine interests, whiskey interests, saloon interests, and a number of drys. If raised to 20 per cent it would be combatted by all the dry legislators as well as by the whiskey and saloon interests. In short, the bill in any form would be faced with so much opposition that, in my opinion, the lawmakers will turn from it to some other proposed law, most likely the saloon regulation measure proposed by the wine men.

Scholastic "Champeens" To Be Partially Decided

Clash With Ashland Here This Week Forerunner for 800-Mile Journey Soon

The inter-scholastic basketball championship of Southern Oregon will be partially decided by the four games which will be played at the pavilion on Friday and Saturday nights of this week.

The Medford high school, for some unknown reason, has refused all offers to play the Klamath team, and so this leaves only Ashland in the Rogue River Valley to contend with. By comparative scores with Yreka, the Klamath team looks better than Ashland, as they defeated Yreka by a score of 39-16, while the best Ashland could do was to win by a score of 34-18.

The Klamath team starts north on a barn storming trip on Monday, February 13th. Two games will be played with Yreka, two games with the Ashland school and one game at Roseburg, Oakland, Cottage Grove and Eugene. This is the longest trip that a Klamath team has ever taken, and comprises in all approximately 800 miles.

The local girls' team will accompany the boys as far as Ashland, where they will meet the girls team there in a two game series. This trip will be a good advertising boom for Klamath county, as well as an enjoyable trip for the team. The support of the towns people is asked during the games of Friday and Saturday nights.

FEW FOLKS HAVE GRAY HAIR NOW

DRUGGIST SAYS LADIES ARE USING RECIPE OF SAGE TEA AND SULPHUR

Hair that loses its color and lustre, or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only this old time recipe. Nowadays we get this famous mixture improved by the addition of other ingredients by asking at any drug store for a 50 cent bottle of "Wyeth's Sage and Sulphur Compound," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. You just dampen a sponge or soft brush with it, and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears; but what delights the ladies with Wyeth's Sage and Sulphur Compound is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and lustre, and gives an appearance of abundance.

Wyeth's Sage and Sulphur Compound is a delightful toilet preparation to impart color and a youthful appearance to the hair. It is not intended for the cure, mitigation or prevention of disease.—Adv.

AS OUT OF DATE AS HORSE CARS

SAYS CORN RINGS, PLASTERS, RAZOR AND EATING SALVES ARE TABOO NOW

Good things should be passed along. It is now said that a few drops of a drug called freesone applied directly upon a tender, aching corn relieves the soreness, and soon the entire corn, root and all, can be lifted out without pain. For little cost a quarter of an ounce of freesone can be obtained from any drug store which is claimed to be sufficient to remove every hard or soft corn or callus from one's feet.

This is a drug recently announced from Cincinnati. It is gummy, but dries the moment it is applied and simply shrivels up the corn without inflaming or even irritating the healthy tissue or skin.

Cut this out and lay it on your wife's dresser.—Adv.
