McCALL RECEIVES  
LIFE SENTENCE

FLAMES "BOTCHING" OF CASE ON  
HIS ATTORNEY, WHO FORCED  
HIM TO PLEAD INSANITY, HE  
DECLARED BEFORE SENTENCE

PORTLAND, Feb. 15.—Declaring  
that his attorneys had "botched up"  
his case, and that it was against his  
own wishes that he pleaded insanity as  
a defense, Marcus H. McCall made an  
impassioned speech before Circuit  
Judge Kavanaugh just before receiv-  
ing a life sentence in the penitentiary  
for the murder of W. A. Shaner.

The court allowed a five days ex-  
tension of time to permit filing of a  
new motion for a new trial. McCall  
will not be taken to the penitentiary  
until this motion has been disposed of.

McCall in his talk, which consumed  
several minutes, insisted that he was  
sane, despite the contentions of the  
defense in the recent trial, in which  
the jury returned a verdict of guilty.

He declared that it was never his  
intention to plead insanity, and that  
this course was practically forced on  
him by his counsel, W. A. Carter and  
W. E. Critchlow. It was the opinion  
of expert witnesses for the defense  
that McCall is a paranoiac.

96,000 ACRES  
LAND TO FORFEIT

GOVERNMENT DECLARED OWNER  
OF LAND VALUED AT \$4,000,000  
BETWEEN ROSEBURG AND THE  
COOS BAY COUNTRY

SAN FRANCISCO, Feb. 15.—Nine-  
ty-six thousand acres of land valued  
at \$4,000,000 between Coos Bay and  
Roseburg, have been ordered forfeit-  
ed to the United States government by  
decision of the circuit court of ap-  
peals, upholding a previous decision  
of the United States district court of  
Oregon.

The Oregon company, present hold-  
ers of the land, will appeal to the  
United States supreme court, it is an-  
nounced.

The land was granted by congress  
in 1867 to the Coos Bay Wagon Road  
company with the provision that it be  
sold for not more than \$2.50 an acre,  
and in tracts of not more than 160  
acres.

The property later came into the  
hands of Collis P. Huntington, Leland  
Stanford and others. Then it was  
transferred to the present owners.

No Freak Legislation Here  
BISMARCK, N. D., Feb. 15.—North  
Dakota's former legislature isn't go-  
ing to take up its time with freak  
bills. This became apparent today  
when the only near approach to a  
freak on the calendar was a bill pro-  
viding that bobbeds shall be 56  
inches wide. This is not freakish,  
since smaller gauge runners cut up  
snow roads in this snowy country.

How Great Explorer

SIR ERNEST SHACKLETON AND BOB DEVERE

Sir Ernest Shackleton, the great ex-

for his wonderful Antarctic trips by

himself. Here he is shown with Bob

NEUTRALS' PERIOD  
OF GRACE PAST

GERMANY HAS ISSUED DEFINITE  
WARNING THAT ALL ENTERING  
BARRED ZONE DO SO AT THEIR  
OWN RISK

LONDON, Feb. 15.—Germany has  
issued warning that all periods of  
grace for neutral ships in the barred  
zones have expired, according to dis-  
patches from Amsterdam. An official  
statement has been issued in which  
neutrals are warned that hereafter all  
neutral ships entering the barred zone  
do so at their own risk, and with a  
knowledge of the dangers they will  
face.

Germany's warning is believed here  
to mean that she now will pursue her  
relentless U-boat warfare to the full  
limit, regardless of neutrals.

## CORN HURT TODAY?

Lift your corns or calluses off  
with fingers and it won't  
pain you one bit.

Yes! You truly can lift off every  
hard corn, soft corn or corn between  
the toes, as well as hardened calluses  
on bottom of feet without one bit of  
pain.

A genius in Cincinnati  
discovered frezone. It is  
an ether compound, and  
tiny bottles of this magic  
fluid can now be had at  
any drug store for a few  
cents.

Apply several drops of  
this frezone upon a ten-  
der, aching corn or callus.  
Instantly all soreness dis-  
appears, and shortly you will find the  
corn or callus so shriveled and loose  
that you can lift it off with the fingers.  
You feel no pain while applying  
frezone of afterwards.

Just think! No more corns or cal-  
luses to torture you, and they go with-  
out causing one twinge of pain or  
soreness. You will call frezone the  
magic drug, and it really is. Genu-  
ine frezone has a yellow label! Look  
for yellow label.—Adv.

TAKE SALTS TO  
FLUSH KIDNEYS

EAT LESS MEAT IF YOU FEEL  
BACKACHE OR HAVE BLADDER  
TROUBLE

Meat forms uric acid which excites  
and overworks the kidneys in their ef-  
forts to filter it from the system. Reg-  
ular eaters of meat must flush the  
kidneys occasionally. You must relieve  
them like you relieve your bowels; re-  
moving all the acids, waste and poison,  
else you feel a dull misery in the kid-  
ney region, sharp pains in the back or  
sick headache, dizziness, vomit, stomach  
ache, nervousness, etc.

To neutralize these irritating acids  
and flush off the body's urinous waste  
get about four ounces of Jad Salts from  
any pharmacy; take a tablespoonful in  
a glass of water before breakfast for a  
few days and your kidneys will then  
act fine and bladder disorders disap-  
pear. This famous salt is made from  
the acid of grapes and lemon juice,  
combined with lithia, and has been  
used for generations to clean and stim-  
ulate sluggish kidneys and stop blad-  
der irritation. Jad Salts is inexpensive,  
harmless and makes a delightful ef-  
fervescent lithia water drink which mil-  
lions of men and women take now and  
then, thus avoiding serious kidney and  
bladder diseases.—Adv.
