TAKE SALTS FOR THE KIDNEYS IF YOUR BACK HURTS

Should Drink Lots of Water and Eat Less Meat, Says Noted Authority on Kidney Disorders

Recommends a Spoonful of Jad Salts in Glass of Water Before Breakfast to Stimulate Kidneys and Eliminate the Uric Acid

Uric acid in meat overloads the kidneys, they become overworked, get sluggish, ache, and feel the strain of load. The urine becomes cloudy, the kidneys are irritated, and you may be obliged to urinate two or three times during the night. The kidneys clog you must help them flush out the body's urinous waste or you'll be a real pain in the back. At first you feel a dull ache in the kidney region, you suffer from dizziness, sick headache, dizziness, stomach gets bloated and coated and you feel rheumatic when the weather is bad. Eat less meat, drink lots of water, also get a pharmacist four ounces of Jad Salts! Put a teaspoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive, cannot injure, makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

"Father Time and Mother Nature grew the tobacco. I guess they cure it best."

A pipe load of VELVET gives you every last bit of enjoyment that there is in a pipe.

VELVET'S two years' ageing in wooden hogheads brings out the last bit of mildness, mellowness and taste that is naturally in Kentucky's best Burley tobacco. That two years' ageing is Nature's own method. No shortcut processes can even touch it. And VELVET will prove this to you.

The best natured fellow in the world will lose his temper if you push him too hard. An even good Burley tobacco must be a bit of its from "Nature" if you wish the curb.
