WHITMAN DECIDED TO STOP BOXING

BEFORE CLOSE OF THIS YEAR THE GAME IS EXPECTED TO BE ENTIRELY KICKED OUT OF NEW YORK, SO WHITMAN SAYS

By H. C. HAMILTON

(United Press Staff Correspondent)
NEW YORK, March 28.—Governor Whitman of New York is determined that before the close of this year boxing will be kicked completely out of New York. His determination, he declared in recent informal discussions, is unalterable. He is opposed to the game from every angle.

The unfavorable publicity the game has received in this city, the unfavorable and unsavory bouts that have been pulled off from time to time, Fred Wenck's unfortunate experience with the hot-end of that \$100 check and several other things have soured Whitman completely.

Wenck's conduct in office was bad and it was the straw that broke the governor's back. He announced that Wenck would be removed from office and then let it be known in an unofficial way that no one would be appointed to replace the deposed chairman of the boxing commission.

CHICAGO WHITE PLAGUE DOOMED

DECREASED CONSUMPTION OF ALCOHOL, PURIFICATION OF MILK SUPPLY AND HYGIENIC CAMPAIGN LEADS GREAT AID

CHICAGO, March 28.—This city's battle against the great white plague will be won within ten years if the present decrease in deaths continue.

This announcement was made today by Dr. John Dill Robertson, city health officer. Decreased consumption of alcoholic liquors, the Sunday closing law, purification of the city's milk supply and a general hygienic education campaign have made marked inroads against the yearly toll of tuberculosis, Dr. Robertson said.

"We are reaping the reward of persistent propaganda against the disease," said he. "Insanitation, communicable methods of disease, public drinking cups, promiscuous spitting, bad housing, too much liquor and not enough out-door life have been fought."

WASHINGTON, D. C., March 28.—The department of agriculture figures a family of four needs these seeds to keep it in fresh vegetables for the summer: A pint each of snap, pole lima and bush lima beans; one-half ounce of early cabbage, one ounce of carrot, one packet of cauliflower, one of celery, one-half ounce of cucumber, one packet eggplant, one-half ounce of kale, packet of parsley, one-half ounce of parsnips, one ounce of salsify, one-half ounce of summer squash and one-quarter of an ounce of Hubbard squash.

BEGIN HOT WATER DRINKING IF YOU DON'T FEEL RIGHT

Boys glass of hot water with phosphate before breakfast washes out poisons.

If you wake up with a bad taste, bad breath and tongue is coated; if your head is dull or aching; if what you eat sours and forms gas and acid in stomach, or you are bilious, constipated, nervous, yellow, and can't get feeling just right, begin inside bathing. Drink before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it. This will flush the poisons and toxins from stomach, liver, kidneys and bowels, and cleanse, sweeten and purify the entire alimentary tract. Do your inside bathing immediately upon arising in the morning to wash out of the system all the previous day's poisonous waste, gas and sour bile before putting more food into the stomach.

To feel like young folks feel; like you felt before your blood, nerves and muscles became loaded with body impurities, get from your pharmacist a quarter pound of limestone phosphate which is inexpensive and almost tasteless, except for a sourish twinge which is not unpleasant.

Just as soap and hot water act on the skin, cleansing, sweetening and freshening, so hot water and limestone phosphate act on the stomach, liver, kidneys and bowels. Men and
