Better Delivery Service

In order to give better service to our patrons and to assist in reducing the high cost of living, the undersigned merchants have decided to eliminate the present expensive system of maintaining separate deliveries, and have organized a more efficient delivery, which will handle all the business of the firms interested. This will mean a great saving in unnecessary expense to both ourselves and our patrons, and we believe will result in better and more prompt service.

On and after April 1st, regular deliveries will be made as follows:
First deliveries for the meat markets at 7 and 8 o'clock, and deliveries for all the stores and meat markets at 9:30, 1:30 and 4:00. No special deliveries will be made.

LADIES! DARKEN
YOUR GRAY HAIR

USE GRANDMA'S SAGE TEA AND SULPHUR RECIPE AND NOBODY WILL KNOW

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and attractive. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect.

But brewing at home is messy and out-of-date. Nowadays, by asking at any drug store for a 50 cent bottle of "Wyeth's Sage and Sulphur Compound," you will get this famous old preparation, improved by the addition of other ingredients, which can be depended upon to restore natural color and beauty to the hair.

A well known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it, and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark and glossy. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite for those who desire a more youthful appearance. It is not intended for the cure, mitigation or prevention of disease.—Adv.

of Flynns Coming Out for Honors

JIM FLYNN AND JIM FLYNN JR.

"Ladies and gentlemen," said Jim Flynn, the battler, who is now recognized as the toughest and hardest pugilist in the ring, "let me present to you Jim Flynn Jr., the greatest battler for his years and weight the American ring knows. For every year of his life he is going to hold that title. By the time he is 21 he will be the heavyweight champion of the world—if the mollycoddles don't kill the grand old game. For many years, and seventeen now, I have been fighting for the heavyweight championship. I never missed any of them, and few of them missed me. I don't bar anyone because of race, color or previous condition of servitude. I fought Sam Langford and I fought Jack Johnson, whom you know I licked at Las Vegas, N. M. I fought Carl Morris when he weighed seventy pounds more than I did, and I leave it to you if I didn't beat him. Now Jess Willard, the champion, won't fight him. I'd rather fight than eat, and I'd rather eat than be president. I shall fight on as long as there are white hopes, when I am done Jim Flynn Jr. will pull on my old gloves and continue the good work of killing the white hope crop."

Moving Pictures

Seven is said to be the perfect number, which ought to be a satisfaction to Dorothy Gish, the Triangle-Fine Arts star, who completed her seventh Triangle picture when she played the last scene of "Gretchen the Greenhorn," in which she will be seen at the Star theater tonight.

First in her list of Triangle appearances was "Old Heidelberg." Then came an entire change of character, in "Jordan's a Hard Road," followed by the quaint New England romance, "Betty of Graystones." Her impersonation of a Pennsylvania Dutch heroine in "Little Moon's Romance" came next. Then she appeared in "Susan Rocks the Boat" as a society girl who tried to set things right in a sphere where her methods were sadly out of place.

Next she was "The Little School-marm" in a play of American rural life, and now she is seen as a Dutch immigrant girl, who finds peril, adventure and ultimate happiness in the new world.

STOP CATARRH OPEN
NOSTRILS AND HEAD

Sera Cream Applied to Nostrils Relieves Head-Colds at Once.

If your nostrils are clogged and your head is stuffed and you can't breathe freely because of a cold or catarrh, just get a small bottle of Ely's Cream Balm at any drug store. Apply a little of this fragrant antiseptic cream into your nostrils and let it penetrate through every air passage of your head, soothing and healing the inflamed, swollen mucous membrane and you get instant relief. Ah! how good it feels. Your nostrils are open, your head is clear, no more hawking, snuffing, blowing; no more headache, dryness or struggling for breath. Ely's Cream Balm is just what sufferers from head colds and catarrh need. It's a delight.—Adv.

IF KIDNEYS ACT
BAD TAKE SALTS

SAYS BACKACHE IS SIGN YOU HAVE BEEN EATING TOO MUCH MEAT

When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat, says a well known authority. Meat forms uric acid which overworks the kidneys in their effort to filter it from the blood, and they become sort of paralyzed and lazy. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels; removing all the body's urinous waste, else you have backache, sick headache, dizzy spells; your stomach sour, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water scalds and you are obliged to seek relief two or three times during the night.

Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take before breakfast in a glass of water for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys, also to neutralize acids in the urine so it no longer irritates, thus ending bladder weakness.

Jad Salts is a life saver for regular meat eaters. It is inexpensive, cannot injure, and makes a delightful, effervescent lithia-water drink.

DON'T HURT A BIT!

Lift your old, torturous corns and calluses right off with the fingers.

This tiny bottle holds the wonder of wonders. It contains an almost magical drug discovered by a Chiropractic man. It is a compound made from ether.

Apply a few drops of this freestone upon a tender, aching corn of a hardened callus. Instantly the soreness disappears and shortly you will find the corn or callus so shriveled and loose that you just lift it off with the fingers. You feel no pain or soreness when applying freestone or afterwards. It doesn't even irritate the skin.

Just ask in any drug store for a small bottle of freestone. This will cost but a few cents, but will positively rid your poor, suffering feet of every hard corn, soft corn or corn between the toes, or the tough calluses on bottom of feet. Genuine freestone has a yellow label. Look for yellow label.—Adv.
