

PACIFICISTS TO MAKE SHOWING

LEADERS DECLARE THEY ARE GOING TO SHOW PRESIDENT MAJORITY OF AMERICA, ARE AGAINST WAR WITH GERMANY

WASHINGTON, D. C., March 29.—Pacificists plan to bombard Washington with protests against war when congress convenes next Monday. It was announced by the Emergency Peace Federation.

"We hope, if possible, to create as big a peace demonstration in Washington as has ever been held," said the federation. "We are going to show congress and the president that the anti-war party in this country is in the majority. We expect to have 10,000 and probably 15,000 pacifists marching through the streets when congress convenes at noon. If the government will not listen to the voice of the peace lovers, it may be impressed with the sight of them."

"Supplementing our demonstration there will be another. It will be in the form of 1,000,000 telegrams and letters which will reach the president and arriving congressmen on that day. We are tonight sending 10,000 letters to all parts of the country, telling pacifists who cannot be in Washington to send telegrams. Our purpose is patriotic. President Wilson says he wants to know how the public stands. We will tell him."

Three American Ships Sunk by German Submarines

CITY OF MEMPHIS

The three ships sunk by the Germans, the City of Memphis, Illinois and Vigilancia, not only were American-owned vessels under American registry, but were American built. The City of Memphis, a Savannah liner, and the Vigilancia were constructed at Chester, Pa., and the Illinois, an oil tanker, owned by the Texas Company, in Newport News.

The City of Memphis, under command of Captain L. P. Borum, left Feb. 23 for Havre, and arrived there Feb. 6, where she discharged her cargo of 2,553 bales of cotton, valued at \$300,000, and started back.

The Illinois, under Captain Iversen, sailed from Port Arthur, Tex., Feb. 17, for London. While her arrival was not reported, it was understood she had unloaded her oil and started her return trip.

The Vigilancia left the United States on Feb. 28 for St. Michaels, Azores and Havre. She was spoken on March 2 when 493 miles east of Sandy Hook, and was due at Havre Saturday, March 17.

Instant Action Surprises Many Here

This grocer's story surprises local people: "I had a bad stomach trouble. All food seemed to sour and form gas. Was always constipated. Nothing helped until I tried buckhorn bark, glycerine, etc., as mixed in Adler-ka. ONE SPOONFUL astonished me with its INSTANT action." Because Adler-ka flushes the ENTIRE alimentary tract it relieves ANY CASE of constipation, sour stomach or gas, and prevents appendicitis. It has QUICKEST action of anything we ever sold. LEGISLATIVE BILL WOULD STOP LOVE'S OLD TRICK

All persons about to be joined in marriage must file with the clerk of the county an application in writing stating the intention of the parties and their ages, says the bill.

The person making such application shall deposit with the clerk at the time of making such application a sum sufficient to pay the cost of publication thereof.

A notice of such application shall be published within the county, which publication shall be made not less than once a week for a period of at least four weeks preceding the issuance of a marriage license to such parties, and no marriage license shall be issued until after such publication has been made in accordance herewith.

California Solons Disagree

SACRAMENTO, March 29.—Example of how the assembly and senate are working together—not. Assembly passes bill to grant fishing license to civil war veterans free of charge. Bill goes to senate and senate puts in an amendment to grant licenses also to American Indians free of charge. Bill goes back to assembly and author-of bill, Doran, tears into the senate amendment.
