LEGAL NOTICES

FOR THE INFORMATION OF ELECTORS

The confusion and inconvenience resulting to electors applying to vote and failing to find their names on the registration lists, arises from the fact that having removed to a different ward after registering they have neglected to have their registration changed. Another source of confusion results because of the fact that the five voting wards of the city are not coterminous with county voting precincts, and the electors fail to get the distinction fixed in their minds. Electors who have changed their residence since the closing of registration a year ago in April, should apply to the Police Judge at once for change of registration.

Briefly, the boundaries of the five voting wards of the city are as follows:

Ward 1.—From western city limits easterly to Center, northwesterly along Juniper and Ewauna streets to line between First addition and Buena Vista addition to intersection with Mitchell street, west to city limits.

Ward 2.—From Center to Sixth street.

Ward 3.—From Sixth street northwesterly to south boundary of cemetery and southeasterly to Commercial.

Ward 4.—Includes all the city territory east of Commercial street and south of Main street from the White Pelican corner to easterly city limits, also the territory known as the Hot Springs addition.

Ward 5.—The line dividing Ward 5 from Wards 3 and 4 extends from intersection of Grant and Sixth streets to Prospect; along Prospect to Upham; easterly along Upham and south boundary of cemetery to southeast corner of cemetery; thence due north to north boundary of Hillside addition; thence west to city limits.

A. L. LEAVITT, Police Judge.

NOTICE

Whereas, on April 2, 1917, the Common Council of the City of Klamath Falls duly ordained an ORDINANCE, No. 411, which said ordinance was duly approved and filed for record April 4, 1917, proposing a grant and franchise to the Keno Power Company and which said ordinance was declared to be a competing ordinance with an initiated ordinance filed with the Police Judge March 8, 1917, and presented to the Common Council on March 12, 1917, and, whereas, the Police Judge was duly authorized and directed by the Common Council to submit such competing ordinance to the qualified voters at the general municipal election May 7, 1917, and to publish a brief statement of the tenor and effect of such competing ordinance, NOTICE IS HEREBY GIVEN that the purpose of such competing ordinance is to grant to the said Keno Power Company a franchise and right for and during a period of 25 years to erect, maintain poles, wires, cables, ducts and necessary appliances and apparatus for supplying electricity for all purposes within the limits of said city, and for the purpose of enabling and assisting the Keno Power Company to carry on its business elsewhere than in said city, as now or hereafter bounded and constituted; said franchise ordinance provides that before beginning installation of its distributing system plans and specifications therefor shall be submitted to the Police Judge for his approval.

It is further provided that the Keno Power Company shall not during the term of the franchise, sell, assign or transfer the same or any portion of its physical property without the consent of the Common Council.

By authority of the Common Council.

Dated at Klamath Falls, April 18, 1917.

A. L. LEAVITT, Police Judge.

Pedigreed!

Overland

Price Effective April 1st, 1917

Light Four: \$850
Light Six: \$985

Nine years of continuous, consistent development, improvement, refinement!

Each year a better car and a better value!

Over three hundred thousand now in use!

That is the history of the car that built Overland because it represented integrity of value.

And as steadfastly as this car has represented original integrity of value, so also has The Willys-Overland Company sustained that integrity of value throughout its service in the hands of those who purchased it.

The Overland Big Four of this season and its twin—except for the motor—the Overland Light Six, are the direct outcome of all this development.

More than three hundred thousand owners and more than four thousand dealer and factory-branch organizations have assisted this development by their experience with these cars and their helpful suggestions or improvements.

In their new beauty, in their perfected easy riding qualities, in their proven sturdiness and mechanical excellence, in their admitted tire, fuel and oil economy, these cars are worthy of the confidence we have, that they will further enhance Overland prestige.

The prices are \$850 for the Big Four, \$985 for the Light Six, while we have them to deliver until May 1st—thereafter \$995 and \$1025.
