WAKE SALTS TO FLUSH KIDNEYS

GET LESS HEAT IF YOU FEEL
SACKACHY OR HAVE BLADDER
TROUBLE

Meat forms uric acid which excites
and overworks the kidneys in their
effort to filter it from the system. Reg-
ular eaters of meat must flush the
kidneys occasionally. You must relieve
them like you relieve your bowels; re-
moving all the acids, waste and poisons.
When you feel a dull misery in the kid-
ney region, sharp pains in the back or
headache, dizziness, your stomach
sour, tongue is coated and when the
weather is bad you have rheumatic
springs. The urine is cloudy, full of
sediment; the channels often get irri-
tated, obliging you to get up two or
three times during the night.
To neutralize these irritating acids
and flush off the bodies uric waste
take about four ounces of Jad Salts from
any pharmacy; take a tablespoonful in
a glass of water before breakfast for a
few days and your kidneys will then
be free and bladder disorders disap-
pear. This famous salts is made from
the acid of grapes and lemon juice,
combined with lithia, and has been
used for generations to clean and stim-
ulate sluggish kidneys and stop blad-
der irritation. Jad Salts is inexpensive,
pleasant and makes a delightful after-
noon lithia water drink which mil-
lions of men and women take now and
then, thus avoiding serious kidney and
bladder diseases.—Adv.

Nailing U. S. Flag
Over German Club

When Ambassador von Bernstorff
sailed away from here the Germania
Club of Brooklyn hauled down its Ger-
man flag and left the pole bare. Sev-
eral chauffeurs of a garage next door
decided it should not remain so. They
climbed through the skylight of their
own building to the roof of the club.
George Dorsey shinned up the pole
with an American flag, a hammer and
some nails, while Matt Shea watched
below. Dorsey nailed the American
flag to the masthead, and the Germans
left it there.

HIGH SCHOOL NOTES

On Monday of last week a delightful
luncheon was given by the cooking
class girls, in honor of Miss Mears. The
affair was a decided success, as well as
being a surprise to Miss Mears. Many
beautiful flowers and several gifts
were given her.

Miss Marshall of the English depart-
ment, was absent from school Tuesday,
due to illness.

The seniors are practicing every
night on their play, "Merely Mary
Ann," which they intend to present
Friday evening of this week.

The class of 1920 has hung its pen-
nant, a beautiful green and white one,
in the library.

Those having the highest grades for
the six weeks ending April 15th, and
the number of subjects carried by each,
are as follows: Christine Murdoch,
six subjects, average of 97.5; Mildred
Whitcomb, five subjects, above 95 in
all.

List of students with grades of 90 or
above in five subjects: Constance Mil-
ler, Helen Maguire, Anna Hackland,
Bernice Nichols, Aleatha Willard, Mar-
jorie Detsell, Marguerite Whitcomb,
Florence Dowling, Mary Ball.

List of students with grades of 90
or above in four subjects: Mary Wil-
liams, Miriam Martin, Margaret Upp,
Irene Shidler, Florence DuFault, Inez
Hall, Clara Calkins, Neva Faught, Dor-
othy Miller, Earl Humphrey, Margaret

some new classics. The seniors are be-

Tale of Two Cities," and the fresh-

pers," by Burroughs.

"TIZ" FOR TIRED
AND SORE FEET

USE "TIZ" FOR PUFFED-UP,
BURNING, ACHING, CALLOUSED
FEET AND CORNS

Why go limping around with ach-
ing, puffed-up feet—feet so tired,
chafed, sore and swollen you can
hardly get your shoes on or off?
Why don't you get a 25c box of "Tiz"
from the drug store now and gladden
your tortured feet?
"Tiz" makes your feet glow with
comfort; takes down swellings and
draws the soreness and misery right
out of feet that chafe, smart and
burn. "Tiz" instantly stops pain in
corns, callouses and bunions. "Tiz"
is glorious for tired, aching, sore feet.
No more shoe tightness—no more
foot torture.—Adv.

JUMP FROM BED
IN MORNING AND
DRINK HOT WATER
Open sluices of system each morning and
wash away the poisonous, stagnant
matter, says authority.
A glass of hot water with a teaspoonful of
limestone phosphate in it, drank each
morning before breakfast, keeps
us looking and feeling fit.
Life is not merely to live, but
to live well, eat well, digest well,
work well, sleep well, look well.
What a glorious condition to
attain, and yet how very easy it is
if one will only adopt the morning
inside bath.
Folks who are accustomed to
feel dull and heavy when they
arise, splitting headache, stuffy
from a cold, foul tongue, nasty
breath, acid stomach, can, instead,
feel as fresh as a daisy by open-
ing the sluices of the system each
morning and flushing out the
whole of the internal poisonous
stagnant matter.
Everyone, whether ailing, sick
or well, should, each morning,
before breakfast, drink a glass
of real hot water with a teaspoon-
ful of limestone phosphate in it
to wash from the stomach, liver,
kidneys and bowels the previous
day's indigestible waste, sour
bile and poisonous toxins; thus
cleansing and sweetening and puri-
fying the entire alimentary canal
before putting more food into
the stomach. The action of hot
water and limestone phosphate
on an empty stomach is wonder-
fully invigorating. It cleans out
all the sour fermentations, gases,
waste and acidity and gives one
a splendid appetite for breakfast.
While you are enjoying your
breakfast the water and phos-
phate is quietly extracting a large
volume of water from the blood
and getting ready for a thorough
flushing of all the inside organs.
The millions of people who
are bothered with constipation,
bilious spells, stomach trouble,
rheumatism; others who have
sallow skins, blood disorders and
sickly complexions are urged to
get a quarter pound of limestone
phosphate from the drug store,
which will cost but little, but is
sufficient to make anyone a pro-
nounced crank on the subject of
internal sanitation.
