SAGE TEA KEEPS

YOUR HAIR DARK

WHEN MIXED WITH SULPHUR TO
BRING BACK ITS BEAUTIFUL
LUSTRE AT ONCE

Gray hair, however handsome, de-
notes advancing age. We all know the
advantages of a youthful appearance.
Your hair is your charm. It makes or
mars the face. When it fades, turns
gray and looks streaked, just a few
applications of Sage Tea and Sulphur
enhances its appearance a hundred-
fold.

Don't stay gray! Look young!
Either prepare the recipe at home or
get from any drug store a 50-cent bot-
tle of "Wyeth's Sage and Sulphur
Compound," which is merely the old
time recipe improved by the addition
of other ingredients. Thousands of
folks recommend this ready-to-use
preparation, because it darkens the
hair beautifully, besides no one can
possibly tell, as it darkens so natu-
rally and evenly. You moisten a
sponge or soft brush with it, drawing
it through the hair, taking one
small strand at a time. By morning
the gray hair disappears; after an-
other application or two, its natural
color is restored and it becomes thick,
lustrous and you appear
years younger.

Wyeth's Sage and Sulphur Com-
pound is a delightful toilet requisite.
It is not intended for the cure, miti-
gation or prevention of disease.—Adv

By MABEL MARTIN

The regular meeting of the First
Aid Society met Wednesday afternoon
at the White Pelican hotel. There was
a large attendance, and the meetings
are leading up to things that will be
more interesting each week. Dr. G. A.

Wednesday afternoon at 3 o'clock, at
the White Pelican hotel.

A "hard times" dance was given
Wednesday night by the members of
the Moose Lodge in their hall, the oc-
casion being Ladies Night. An enjoy-
able time was had, and about 10:30 a
lovely supper was served. The Peer-
less orchestra furnished the music.

Mrs. R. E. Wattenburg entertained
the Art Needlework Club and several
guests at her home on Washington
street Wednesday afternoon. The time
was spent doing needlework and also
the election of officers, Mrs. G. M.
Ramsey being elected as president and
Mrs. Wattenburg as secretary, after
which the hostess served dainty re-
freshments. Those invited were Mrs.

In honor of the sixth birthday anni-

of Rev. and Mrs. Cox, the latter enter-
tained a large number of children yester-
day afternoon at the Cox home, at

games were played. A penny hunt
was enjoyed by the children. After the
pennies were found, pencils and paper
were given to the children, and they
were shown how to draw "penny
brownies." One boy dressed as Jack
Horner sat in chair holding a large pie,
which proved to be a milk pan contain-
ing little favors in dainty packages for
the guests, the top of the pan being
covered with brown paper, marked to
represent the top crust. Each child
cut a slice of pie and took out the
package under his or her slice. The
birthday cake was decorated in red

Kokomo, Ind.—Mrs. H. Hankamer,
of this town, says: "I look so well, and
am so well, that it does not seem as if I
ever needed Cardol. But I was not al-
ways this way... I think I have taken a
dozen bottles... before my little girl
came.

I was feeling dreadfully bad, had head-
aches, backaches, sick at my stomach, no
energy... I was very irritable, too, and
nervous.

I began taking Cardol about 6 months
before my baby came. As a result all
these bad feelings left me, and I just felt
good, just as if nothing at all was the
matter, and when the end came I was
nearly sick at all.

Since that I have never taken Cardol
at all... It has done me good, and I
know it will help others, if they will only
try it."

JUMP FROM BED
IN MORNING AND
DRINK HOT WATER

Open sluices of system each morning and
wash away the poisonous, stagnant
matter, says authority.

A glass of hot water with a teaspoonful of
limestone phosphate in it, drank each
morning before breakfast, keeps
us looking and feeling fit.

Life is not merely to live, but
to live well, eat well, digest well,
work well, sleep well, look well.
What a glorious condition to
attain, and yet how very easy it is
if one will only adopt the morning
inside bath.

Folks who are accustomed to
feel dull and heavy when they
arise, splitting headache, stuffy
breath, acid stomach, can, instead,
feel as fresh as a daisy by open-
ing the sluices of the system each
morning and flushing out the
whole of the internal poisonous
stagnant matter.

Everyone, whether ailing, sick
or well, should, each morning,
before breakfast, drink a glass
of real hot water with a teaspoon-
ful of limestone phosphate in it
to wash from the stomach, liver,
kidneys and bowels the previous
day's indigestible waste, sour
bile and poisonous toxins; thus
cleansing, sweetening and puri-

fying the entire alimentary canal
before putting more food into
the stomach. The action of hot
water and limestone phosphate
on an empty stomach is wonder-
fully invigorating. It cleans out
all the sour fermentations, gases,
waste and acidity and gives one
a splendid appetite for breakfast.
While you are enjoying your
breakfast the water and phos-
phate is quietly extracting a large
volume of water from the blood
and getting ready for a thorough
flushing of all the inside organs.

The millions of people who
are bothered with constipation,
bilious spells, stomach trouble,
rheumatism; others who have
sallow skins, blood disorders and
sickly complexions are urged to
get a quarter pound of limestone
phosphate from the drug store,
which will cost but little, but is
sufficient to make anyone a pro-
nounced crank on the subject of
internal sanitation.
