HOW can you tell when you're near the Sea?

# Your Nose Knows

There's a salty tang in the air—a pure fragrance that braces you. Quite so with a tobacco of a fine, distinctive flavor—it's the pure fragrance that appeals—"Your Nose Knows."

Only one such tobacco—

Its pure fragrance is as definite as the tang of the sea. It's the sunny Blue Grass fragrance of Old Kentucky, where the rich Burley leaves are grown and cured and blended. Trust your sense of pure fragrance—"Your Nose Knows!"

Try this Test: Rub a little Tuxedo briskly in the palm of your hand to bring out its full aroma. Then smell it deep—its delicious, pure fragrance will convince you. Try this test with any other tobacco and we will let Tuxedo stand or fall on your judgment—"Your Nose Knows!"

# Clothes with Zest!

There's snap and sparkle in a Kuypenheimer Belt; it just makes you want to move forward; it gives you the spirit and animation that makes progress.

## KUPPENHEIMER CLOTHES

have that air of "go-forward" about them; you can notice it on some of the best dressed men right here in Klamath Falls, Oregon.

And the nice thing about it is, you don't have to be built "just so" to wear such clothes; they're built "just so" for you, no matter what your build.

And besides the elegance of style, they have an excellence of value that we couldn't begin to tell about in words. Prices as usual—

\$15, \$17, \$25 to \$35
