CORN MEAL AS AN ECONOMIC FOOD

Many Tempting Breads, Cakes and Puddings May Be Prepared at Little Cost

Corn meal, as compared with other foods, is a low priced material, and may be used as the basis for many appetizing dishes. The white and yellow meals differ somewhat in flavor, but are much alike in composition, there being no difference in food values. The following excellent recipes are offered by Laura J. Cheney of O. A. C.:

Corn Meal Puffs—Quart milk, 23 cupful corn meal, 14 cupful sugar, 1 teaspoonful salt, 8 eggs, grated nutmeg. Cook the milk and meal together 15 minutes with the salt and sugar; when cool add the egg well beaten; bake in cups. Serve with stewed fruit or jam.

Sour Milk Corn Bread—Two cupful corn meal, 2 cupfuls sour milk, 2 tablespoonfuls fat, 2 tablespoonfuls brown sugar, 1 1/2 teaspoonfuls salt, 2 eggs, 1 teaspoonful soda, 1 tablespoonful cold water. Cook the meal, milk, salt, butter and sugar in a double boiler for about ten minutes. When the mixture is cool, add the eggs, well beaten, and the soda dissolved in the water. Bake in a shallow iron or granite pan for about thirty minutes.

Buttermilk Waffles—Three cupfuls water, 2 cupfuls corn meal, 2 cupfuls wheat flour, 1 cupful sweet milk, 4 eggs, 2 tablespoonfuls fat, 2 teaspoonfuls salt, 1 1/2 teaspoonfuls soda, buttermilk or sour milk enough to make a thin batter. Cook the meal, water, salt and fat together in a double boiler for ten minutes; when the mush is cool add the well beaten eggs; sift the flour and soda together; add the flour and the sweet milk alternately to the corn mixture; finally add the buttermilk and beat thoroughly. This mixture is improved by standing a short time.

Corn Meal Puffs—Quart milk, 23 cupful corn meal, 14 cupful sugar, 1 teaspoonful salt, 8 eggs, grated nutmeg. Cook the milk and meal together 15 minutes with the salt and sugar; when cool add the egg well beaten; bake in cups. Serve with stewed fruit or jam.

or 15 minutes, with the salt and sugar; when cool add the egg well beaten; bake in cups. Serve with stewed fruit or jam.

Corn Bread—Three cupfuls yellow corn meal, 1 cupful flour, 1 1/2 cupful fat, 1 tablespoonful granulated sugar, 1 teaspoonful salt, 2 tablespoonfuls baking powder. Sift all dry ingredients together and work in the fat; add enough milk or water to make a stiff batter; bake about forty-five minutes.

Moving Pictures

Mae Murray, the charming Lasky star, who will be seen at the Star tonight in the Jesse L. Lasky production of "The Plow Girl," had her first taste of farming during the filming of some of the scenes of this picture. She was given a yoke of oxen and told to make a nice, comfortable furrow. According to reports, the oxen and the plow remained on the ground, the star at the plow handle, spending most of the time doing essential gymnastics. Finally the oxen, realizing that they had an amateur at the helm, ran away with Miss Murray still clinging to the plow handles. The star has announced that in the future she will do her plowing in a taxicab.

EVANS & BALIN

Hopes Women Will Adopt This Habit As Well As Men

Glass of hot water each morning helps us look and feel clean, sweet, fresh.

Happy, bright, alert—vigorous and vivacious—a good clear skin; a natural rosy complexion and freedom from illness are assured only by clean, healthy blood. If only every woman and likewise every man could realize the wonders of the morning inside bath, what a gratifying change would take place. Instead of the thousands of sickly, anaemic-looking men, women and girls with pasty or muddy complexions; instead of the multitudes of "nervous wrecks," "rundowns," "brain fags" and pessimists we should see a virile, optimistic throng of rosy cheeked people everywhere.

An inside bath is had by drinking, each morning before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver, kidneys and ten yards of bowels the previous day's indigestible waste, sour fermentations and poisons, thus cleansing, sweetening and freshening the entire alimentary canal before putting more food into the stomach.

Those subject to sick headache, biliousness, nasty breath, rheumatism, colds; and particularly those who have a pallid, sallow complexion and who are constipated very often, are urged to obtain a quarter pound of limestone phosphate at the drug store which will cost but a trifle but is sufficient to demonstrate the quick and remarkable change in both health and appearance awaiting those who practice internal sanitation. We must remember that inside cleanliness is more important than outside, because the skin does not absorb impurities to contaminate the blood, while the pores in the thirty feet of bowels do.—Adv.

PASSENGER SERVICE TO BE MAINTAINED

No serious inconvenience will be occasioned the public by the readjustment of the railroad service to meet the needs of the government. This was telegraphed from New York by Julius Kruttschnitt, chairman of the executive committee of the Southern Pacific company, and member of the "Railroad War Board." The message will serve to allay apprehension of the general public that passenger service will be radically curtailed.

Mr. Kruttschnitt's telegram indicated that the "Railroad War Board" has done nothing more than suggest avenues of inquiry and investigation to determine means to increase transportation efficiency.
