

Tobacco Prices Soar in Mexico--Revenue

MEXICO CITY, June 12.—The retail price of tobacco of all grades and classes, advanced on June 1 in Mexico. This was caused by the increase in revenue taxes which, on imported tobacco, amounted to 100 per cent. National tobacco taxes were increased in lesser degree, but sufficient to make a material difference in the retail price. Well known brands of American tobaccos and cigarettes sell for from three to four times the price paid for them at retail in the United States. On June 1st, the Mexico City street cars increased their fares 20 per cent.

Whose Message to Russia On War Pleases People

PRESIDENT WILSON

President Wilson's second great war message has been well received in Russia, and is followed by a similar British message sent afterwards. Wilson's Flag Day address is expected to be a more complete and greater statement of the war aims than has heretofore appeared.

JAPANESE DENY RUSSIAN RUMORS

CLASS AS ABSURD STATEMENT THAT JAPAN WOULD OCCUPY SIBERIA IF RUSSIA AND GERMANY MAKE PEACE

TOKIO, June 12.—The story emanating from Russia that if Russia made separate peace with Germany, Japanese troops would occupy Siberia, which was prominently printed in the Japanese press, was promptly characterized as absurd by the Japanese Foreign office.

The Japanese press thinks that the report was probably fabricated for the purpose of suppressing the peace movement brewing among the Russian people. The report declared that if Russia relaxed her military efforts she would be threatened with serious danger from Japan and that according to a treaty concluded with the entente powers Japan would have the right to occupy all Siberia as far as the Ural mountains. This was denied by British statesmen.

Switzerland Store Keepers Are Warned

SCHAFFHAUSEN, Switzerland, May 27.—(Correspondence)—A recent pronouncement of the Bavarian ministry of the interior, which has been received here, though couched in polite and fatherly language, contains a threat to all food storekeepers that unless they treat their customers civilly they will be debarred from conducting their business in the future. Countless complaints about the arrogance of the storekeepers, who are variously described as having become the "lords of creation," "autocrats," and "dictators" are responsible for the order. The ministry's proclamation reminds all who sell food of any kind that because of the war and the state of affairs it has brought with it, they have become in a way public servants. They are no longer purely private individuals, but numbers of the communal economic machine. That being the case, continues the order, each storekeeper must subordinate his own interests to those of the state. He is not allowed to ridicule his patrons, ignore their wants, nor be impolite to them. "Accordingly," concludes the proclamation, "it becomes the duty of the communal organization to remove the merchant, butcher, baker, etc., who fails in his duty to his patrons, to refuse to apportion any further goods. On occasion he may ever be debarred from trading under the regulations of the Bundesrat, which covers undesirable and irresponsible persons in business."

WAR CREATING GOODS DEMAND

TOKIO, May 27.—(Correspondence)—A notable increase in commercial inquiries from overseas buyers is reported by the government's commercial museum. This is a direct result of the war. Buyers say they wish to open accounts to fill the gap created by the withdrawal of European goods. Inquiries from the United States apply to all sorts of articles and include such things as perfumery bottles, canvas, chemicals, canned crabs, dyestuffs, women's clothes, brushes, paper, Panama hats, trunks, imitation gold, peanuts and electric apparatus. Welch is still buying hides and pelts. Good prices, 100 Sixth street, south of Klamath avenue. 12-6*

Automobile Search Lights

If every wagon carried a lamp at night and if every lamp were big enough to be seen for two blocks, it would help some, wouldn't it?
But when you are coming to a cross road it is hard to see what is outside of the line of your headlights.
And there are always spots here and there that you wish you could see into. Sometimes you want to read a sign or house number.
Light anywhere and everywhere in any direction and for a long distance can be had by putting on one of our swivel search lights. Once in use you will wonder how you ever got along without it.
It increased the safety and pleasure of night motoring.

TAKE SALTS FOR THE KIDNEYS IF YOUR BACK HURTS

We Should Drink Lots of Water and Eat Less Meat, Says Noted Authority on Kidney Disorders

Recommends a Spoonful of Jad Salts In Glass of Water Before Breakfast to Stimulate Kidneys and Eliminate the Uric Acid

Uric acid in meat excites the kidneys, they become overworked, get sluggish, ache, and feel like lumps of lead. The urine becomes cloudy, the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush off the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from backache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad. Eat less meat, drink lots of water; also get from any pharmacist four ounces of Jad Salts; take a tablespoonful in a glass of water before

breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it no longer is a source of irritation, thus ending bladder weakness. Jad Salts is inexpensive, cannot injure, makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

SAGE TEA TURNS GRAY HAIR DARK

IT'S GRANDMOTHER'S RECIPE TO BRING BACK COLOR AND LUSTRE TO HAIR
That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundred fold. Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients for 50 cents a large bottle, all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre of your hair. Everybody uses "Wyeth's" Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy and lustrous. This ready-to-use preparation is a delightful toilet requisite for those who desire dark hair and a youthful appearance. It is not intended for the cure, mitigation or prevention of disease.—Adv.

STOMACH TORN UP

Indiana Lady Describes Condition, Which She Says Was Due To Constipation and Took of Relief Obtained From Black-Draught.
Scottsburg, Ind.—Mrs. Annie Johnson, of this place, writes: "I well remember I suffered for a long time with constipation, which would get me down. I took doctors' medicines and any number of purgatives. They would leave me in a worse condition than I was before taking, and my stomach so upset... I know once I suffered... from constipation, I was so ill we had to have the doctor, just so nervous and feverish. The doctor said I would have to quit medicines, my stomach was so bad... My husband was reading and found something about Theodor's Black-Draught and brought me a package to try. I used it regularly at first until I began to feel better, then I used just a dose occasionally. I was cured of this constipation and am sure the Black-Draught did it." "If your stomach is out of order, you will suffer from such disagreeable symptoms as headache, biliousness, indigestion, etc., and unless something is done, serious trouble may result. Theodor's Black-Draught has been found a valuable remedy for these troubles. It is purely vegetable and in a pleasant and natural way, helps to regulate the liver and to cleanse the bowels of impurities."—Adv.
