KLAMATH DUE FOR FIVE FAST GAMES

SACRAMENTO BALL MAGNATES PROMISE WHOLE CREW OF TROLLEY LEAGUERS AND BILL TUERCK FOR FOURTH OF JULY

Klamath Falls is due to witness a quintet of the fastest baseball games staged in the city for many moons according to word brought back from the Sacramento Valley metropolis by Fred Garrick who recently visited that burg and also by Manager Watt who has been in communication with Duke and O'Neill, sponsors for the embryo Trolley league tossers which they boast they will bring here for the series July 1, 3 and 4.

Garrick says they can sure play some ball and avers they are a good bunch of sports.

Watt has received all the promises in the world from the Sacramento managers and the line-up is most tempting. Klamath's players acquitted themselves exceptionally well at Sisson last Sunday and although shut-out games have been the rule for the season, the boys rose to the bait against McCloud, and weed recruits, and struck like the Rainbows in Spring Creek and Four Mile Lake hit the line.

Micky Shader held his own for another shutout this season which places him on top with no runs off his deliveries so far this season. Eye witnesses of the game aver that he simply whipped them by the Californians so fast they were unable to focus their periscopes long enough to pot one and are satisfied that the series here July 1, 3 and 4 is going to be a stem winder. Sheehy came thru at Sisson as did all the boys and spectators say only one error was chalked up and that was pardonable.

The Sacramento line-up is as follows: Buck Tobin, Sacramento Trolley, and Artie Folk, catchers; Jack O'Neill, Santa Clara, first base; Francis Kooney, Cajanus Trolley, second; Uck Lohman, Chico Trolley, third; Red Rooney, Gridley Trolley, shortstop; Laher, Sacramento Trolley, John Johnson, Marysville Trolley, and Bob Nixon, outfielders.

On the mound will be big "Bill" Tuerck, regular on the University of Oregon pitching staff for the past two years who is playing with Gridley this season; Wallie Magee of the Sacramento Trolley league. Another pitcher is to be brought but is not known at this time. The last time Klamath played against Tuerck hits were plentiful but reports say he is playing better ball than ever before this year, California players being unable to get to him.

The first game of the series will be played on Sunday, a double header on Tuesday and the final game on Wednesday, July 4.
