RUSSIANS DRIVE WEDGE IN EAST

SIXTEEN THOUSAND PRISONERS REPORTED AS FIRST RESULT OF GREAT OFFENSIVE

By Associated Press

The regenerated Russian army's great offensive initiated by Minister of War Kerensky is progressing successfully. After capturing over 10,000 prisoners in initial thrust, the Russians are keeping up the drive. Six thousand more have been captured, and twenty-one guns, and the forces are pressing on to Zlochoff. Galicia, beyond the line of original attack. Zlochoff is a railrooad town thirty-five miles east of Lemberg. The Russians have plenty of ammunition.

MANY OREGON TOWNS CELEBRATE THE FOURTH

PORTLAND, July 5.—Cities thruout Oregon celebrated Independence Day with increased fervor and patriotism. All were bedecked in the national colors, and a majority held celebrations with a "war time" fervor and spirit.

Portlands celebration was purely military, the day having been set aside as a time for saying farewell to the Oregon soldiers who are to leave for the front with the American soldiers sooner or later.

Making Generals to Lead Pershing's Men

Brig. Gen. Henry T. Allen. Brig. Gen. H. C. Hodges Jr. Major Gen. Wm. L. Sibert.

When President Wilson sent to the senate the nominations of two colonels to be brigadier generals and one brigadier to be a major general it was learned that they were to command the divisions of the United States army to go to France under General Pershing. Colonel Henry T. Allen and CoClonel Henry C. Hodges Jr. were named to be brigadiers. General William Sibert was nominated for major general. They will, it is believed, have immediate charge of the troops which will go first to the trenches in France.

Woman Lawyer Who Showed Up New York Police, Girl Murder Victim, and Italian Who Is Wanted

MRS. GRACE HUMISTON RUTH CRUGER ALFREDO COCCHI

Mrs. Grace Humiston, a woman lawyer, has been declared by the head of the New York police force, which sometimes calls itself "the Finest," to be a better detective than its whole squad of four hundred sleuths. She it was who insisted workmen should dig in the cellar of the bicycle repair shop of Alfredo Cocchi to seek the body of Ruth Cruger, the school girl who disappeared there several months ago. Detectives had insisted the body could not be buried in the cellar, but her workmen found it there.

TWO BOYS ARE HURT BY AUTOS

HEROLD DEHLINGER AND PITT PENNY ARE RUN OVER BY AUTOMOBILES AND BADLY INJURED

Herold Dehlinger, 10-year-old son of Sam Dehlinger of this city, was run over and painfully injured at the corner of Third and Klamath Tuesday, during the dedication ceremonies..

Clayton Cornish, who was driving a Chevrrolet car, struck the lad, who was looking in an opposite direction and ran over him with front and rear wheels before he could stop the car. The injured lad was rushed to Blackburn hospital by Cornish, where his condition was discovered to be serious, but he rallied under the treatment of Dr. L. L. Truax, and strong hope is now held out for his recovery.

Another lamentable accident which marred the celebratioin was the injury of Pitt Penny, one of the Herald carirers, who was struck by an unknown driver, believed to have belonged at Pelican City. The boy was dragged for a considerable distance, and his nose and ear badly cut. He was also taken to the hospital and cared for by Dr. R. R. Hamilton. He was sufficiently recovered to be removed to his home yesterday.

Moving Pictures

The costumes worn by Marie Doro as Oliver Twist in the Jesse L. Lasky adaptation of that famous story, which will be the Paramount attraction at the Star tonight, are the same that she wore during the all-star stage revival of that celebrated story. Even the wig which the fair star wears as Oliver is made from her own hair, and is the same that was designed for her in the spoken drama. The Lasky company made exhaustive research into London conditions of the period in which the story was written, and have reproduced everything with great fidelity and attention to detail.

Ætna policies provide perfect protection. They are standard of the world. Ask Chilcote. 27

Tell Your Wife Corns Lift Off
Doesn't hurt a bit to lift corns or calluses off with fingers.

Not a twinge of pain or soreness before applying, or afterwards. This may sound like a dream to corn-pestered men and women who have been cutting, filing and wearing tortuous plasters. Yes! Corns lift out and calluses peel off as if by magic.

A small bottle of freezone costs but a few cents at any drug store. Apply a few drops directly upon your tender corn or callus, and instantly the soreness disappears; then shortly the corn or callus will be so loose that it lifts off.

Freezone dries instantly. It doesnt eat out the corn or callus, but just shrivels it up so it lifts away without even irritating the surrounding skin. Women should keep a tiny bottle on the dresser, and never let a corn or callus ache twice.—Adv.

FEDERAL TIRES

Rugged Tread — Double Cable Base — Traffik Tread

Tread design perhaps has little influence on your choice of tires. Yet efficient skid prevention is a big advantage.

Federal Rugged (white) and Traffik (black) non-skid treads were not designed for good looks, but for good traction and safety. And they are genuinely efficient.

They embody the best tire construction that a great plant and years of experience can produce. Equip your car with these "Extra Service" Tires. They cost much less per season.
