Authorities Declare Germany Is Back of I. W. W. Trouble

Man Accused of Being German Spy Is Arrested and Held Without Bail. Authorities Hold Much Information Showing Germany's Methods

SCRANTON, Pa., July 7.—With the arrest of Joseph Graber, an organizer of the Industrial Workers of the World, charged with being a spy in the employ of the German government, federal authorities declared their investigation had satisfied them that recent strikes and agitations of the I. W. W. in the coal regions had been stirred up by German agents, with the hope of lessening the power of the United States in the war by reducing the coal production. Graber, who was taken into custody by United States Marshal James H. McGee, was held without bail under the alien enemy act.

ers and leaders of the Industrial Workers of the World movement here and the German government. Graber, an organizer of the I. W. W., is a German agent. Our information proves, too, that German money has been poured into the district in an effort to cause strikes and thus lessen local production.

Prosperity--- A War Measure

During peace prosperity is essential to progress. During war it is absolutely vital to the nation's life. The country's Chief Executive sounded the call for immediate service in all lines of industrial endeavor when he said that "our industries must be made more prolific and more efficient than ever." This Institution is cooperating to the fullest measure with business interests in maintaining prosperity.
