# HELP SAVE "IDLEREST" For Klamath County

Trout Caught in Spring Creek

A Portion of Spring Creek

If I were a man of moderate wealth, I would like to present the celebrated "Idlerest" fishing camp, and grounds to the people of Klamath County for their exclusive use for all time, but as I have already stated I am forced to sell this property, in order to meet certain obligations, which to most people might not be considered very large.

I have given my word that this obligation will be met on a certain date, and I am going to keep my word. This is the reason I am going to offer these lots at one-half their value and in addition give the purchasers the privilege of paying for them in very small monthly installments. I want to make it possible for the people of limited means to own a home on Spring Creek, which they can enjoy for the rest of their lives.

## LIST OF LOTS FOR SALE

There are on the water front 20 lots at \$125 each, and 19 lots at \$100 each. Lots just back from water front which are very desirable. Thirty-six lots at \$50 each, and 36 lots at \$35 each.

The price on lots lying back of these range from \$15 to \$25 each according to location.

The terms upon which these lots can be secured during this sale are \$2.50 to \$10 down and \$2.50 to \$5.00 monthly payments. No interest or taxes.

I am going to give away ABSOLUTELY FREE, 20 acres of land to the purchasers of these lots. In addition to this I will set aside sufficient grounds for tennis courts, croquet

grounds and for any other sport or game that may be desired, FREE for the use of our summer colony.

In other words I am going to give away about 40 acres of land for exclusive and joint use of the owners

of these beautiful lots on Spring Creek. In order to do this I must sell all buyers to be sellers. Get your friends to buy one with you and in this way the sale is assured of success.

There are surely 100 people in Klamath who will give the small assistance asked in saving this beautiful spot for themselves and friends as a whole. I am going to call personally upon every man in Klamath Falls in this matter and I anticipate success.

I will open my office Monday, August 6 at No. 511 Main street and will have complete maps and scenes of the place and will be ready to give all information to those interested. Address

The home of Miss Faye Hogue was the scene of a "butterfly" luncheon Tuesday afternoon, to announce the engagement of Miss Ruth Bell to Heber Kalcritte of Klamath Agency. Surrounded by a military atmosphere, fifteen of Klamath Falls' most prominent business men banqueted in the dining room of the White Pelican hotel Wednesday night as the guests of Mr. T. Mortenson, president of the Pelican Bay Lumber company, given as a farewell in honor of Clifford Taylor, an employe of the Pelican Bay Lumber company, who recently passed the government forest reserve examinations. Only the intimate friends of Mr. Taylor were present. The banquet hall was gaily decorated with the flags of the allies, and the entire setting was one that loaned a patriotic dignity to the affair. Mr. Mortenson acted as toastmaster and called on each one for a few words fitting to the occasion. During the course of the dinner Mr. Foster sang. Those who attended the banquet were Dr. C. E. Wheeler, E. C. Pike, E. A. Horton, Lou Fritchard, J. C. Brooksbrough, Lawrence Mehahey, T. Mearing, Dr. E. D. Johnson, John Siemens, Fred Haglish, W. G. Carman, A. L. Tiffany and H. P. Ballard.
