

Food Preparedness

All signs point to eggs being costly next winter, but to meet the situation the housewife can preserve eggs in various ways, and this "beat" the market, says today's bulletin from the National Emergency Food Garden Commission of Washington, which is co-operating with this paper in a nation wide campaign to conserve the food of the country. The commission will send its drying and canning manuals to any reader of this paper who sends a two cent stamp to 210 Maryland building, at Washington, D. C.

Use only strictly fresh, clean, unwashed and solid shelled eggs for putting down. Discard any egg which floats in the water glass solution prepared to the direction herewith. For home preservation eggs may be packed in salt, oats or bran. Cover them with paraffin, butter or lard or immerse in brine, lime water, water glass, etc. The methods commonly used are immersion in either lime water or water glass.

For preservation in lime water slack three pounds of lump lime in a little water and add three gallons of pure water. Stir occasionally for a

day, let settle, and then pour off the clear liquid. Washed eggs will not keep.

Water glass is soluble sodium silicate, and should be obtained as pure as possible. This should be used with pure cold boiled water in the proportion of one part water glass to nine parts of water. Should eggs tend to float and it is known that they are absolutely fresh, add a little cold boiled water to the solution. Water glass may be purchased at drug stores, and is preferable to lime water. Three gallons of either will preserve about twenty dozen eggs. A gallon of pure water glass diluted as above will preserve about ninety dozen.

Any glass, wooden or earthenware receptacle may be used, but not metal. Pack eggs small end down and pour liquid over them, and keep two inches of preservative above eggs at all times. Cover receptacle with waxed paper or paraffin cloth. Wash eggs in cold water after taking them out for use.

Send for the drying and canning manuals for complete instructions on food conservation by the best method.

How to Send U. S. Mail to The Front

Instructions for Addressing Correspondence. Only Magazines Having Official Notice to Be Sent

By order of the postmaster general letters, postcards and printed matter mailed in the United States for transmission to United States expeditionary forces in Europe will be accepted at ordinary domestic postage rates.

All such matter should bear the complete designation of the division, regiment, company and organization to which the addressee belongs, as well as the name and address of the sender. Patrons should under no circumstances attempt to designate on the envelope the place where troops are located.

The correct manner of addressing such a letter is shown below:

Return to
Mrs. John Smith,
... Blank St.
New York City

John Smith, Jr.,
Co. X, — Infantry,
American Expeditionary Forces

Postmasters will forward to New York all mail addressed "American Expeditionary Forces."

Unwrapped and unaddressed magazines, when intended for the United Expeditionary forces in Europe, will be accepted for mailing at the rate of one cent per copy, regardless of weight, when mailed by others than the publishers.

Magazines to be accepted for mailing at this rate must have printed in the upper right hand corner of the front cover the following:

"Notice to reader—When you finish reading this magazine place a one-cent stamp on this notice, hand same to any postal employee, and it will be placed in the hands of our soldiers or sailors at the front. No wrapping; no address."
"A. S. BURLISON,
"Postmaster General."

It will be noted by the above that only the magazines which the printed notice in the upper right hand corner can be sent to the soldiers, thus indicating that the government is intending that only the right class of literature is reaching the front.

RECEPTION WEDNESDAY EVE.

The Catholic ladies of Klamath Falls will hold a reception Wednesday evening in the new Klamath Falls Academy, Eighth and High streets, to all interested Klamath county people. After the reception there will be music, refreshments and dancing.

MEAT CAUSE OF KIDNEY TROUBLE

WE EAT TOO MUCH MEAT, WHICH CLOGS KIDNEYS, THEN THE BACK HURTS

Most folks forget that the kidneys, like the bowels, get sluggish and clogged, and need a flushing occasionally else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness, and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.—Adv.

FEEL FRESH AND FIT

You can feel fine all summer and avoid the depression which is so often caused by an inactive liver and the resultant stomach and bowel troubles, by using Nyal's Little Liver Pills. They act as a mild laxative and at the same time tone up the bowels and increase the activity of the liver. Price 25c.

Underwood's Pharmacy
Klamath Falls Oregon
WHERE PARTICULAR PEOPLE BUY THEIR DRUGS

Girls! Use Lemons! Make a Bleaching, Beautifying Cream

The juice of two fresh lemons strained into a bottle containing three ounces of orchard white makes a whole quarter pint of the most remarkable lemon skin beautifier at about the cost one must pay for a small jar of the ordinary cold cream. Care should be taken to strain the lemon juice through a fine cloth so no lemon pulp gets in; then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan and is the ideal skin softener, smoothener and beautifier.

Just try it! Get three ounces of orchard white at any pharmacy and two lemons from the grocer and make up a quarter pint of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands. It naturally should help to soften, freshen, bleach and bring out the roses and beauty of any skin. It is simply marvelous to smoothen rough, red hands.—Adv.

Situate in Klamath County, Oregon, west half of southeast quarter of section 33; northwest quarter of northeast quarter, and northeast quarter of northwest quarter of section 26, township 38 south, range 10 east of Willamette Meridian,

and that the usual decree be made for the foreclosure of plaintiff's said mortgage and for the sale of said mortgaged premises, and for such other and further relief as to the court may seem equitable.

This summons is served upon the said A. B. Chambers, J. C. Chambers, J. H. Rea and Fred H. Wheeler by publication thereof in the Evening Herald, a daily newspaper of general circulation printed and published at Klamath Falls, Oregon, by order of the Honorable Marion Hanks, County Judge of Klamath County, Oregon, made, dated and filed in this cause on July 31, 1917, which said order requires that this summons be published for six weeks beginning on July 31, 1917, the said date being the date of first publication of this summons.

R. C. GROESBECK,
Attorney for Plaintiff.
Klamath Falls, Oregon.

MUNITION PLANT IS BLOWN UP

TERRIFIC EXPLOSIONS WRECK VAST PLANT OF CURTIS AND HARVEY—LOSS WELL UP IN MILLIONS.

RIGAUD, Quebec, Aug. 20.—The great plant here of Curtis & Harvey, Ltd., explosive manufacturers, was wrecked today by a series of terrific explosions, and buried beneath the ruins of a dozen or so structures that comprised the factory are an unknown number of dead.

Several thousand male and female workers employed at the plant were in the danger zone for hours.

An early estimate based on first reports, placed the number of killed at about 250, but indications were this afternoon that there were comparatively few casualties.

A relief train arrived from Montreal at noon, bringing doctors and nurses, but owing to the fierce heat from the burning ruins of the plant they were unable to approach.

No death list can be obtained until the ruins cool.

The loss in the value of buildings and stock will reach well up into millions.

The first explosion was caused by the overheating of the machinery in the nitric acid plant.

The flames leaped along through

the building and another explosion occurred.

Most of the workers, however, are believed to have had ample time to escape.

Other explosions occurred every five minutes or so, shaking the country around. Altogether fifteen detonations were counted.

One of the explosions blew down a number of houses in Dragon, where most of the workers lived and farm houses in the vicinity also caught fire.

Provision was made by the people of Rigaud for accommodating the homeless workers.

COUNTY OFFICERS HELD RUSSELVILLE, Ky., Aug. 21.—Sheriff James Taylor and County Judge J. W. Edward of the local exemption board have been arrested on a charge of obstructing the draft.

LABOR TROUBLES REDUCE LUMBER

PORTLAND, Aug. 21.—On account of labor shortages, strikes and other causes, the cut of pine timber in Eastern Oregon, Eastern Washington and Idaho and Montana will be reduced this year about 25 per cent from a normal cut of 1,200,000,000 feet, according to estimates made by members of the Western Pine Manufacturers Association, at a meeting here recently.

WONDERFUL FILM COMING SOON

William Fox in his million dollar picture beautiful, "A Daughter of the Gods," featuring Annette Kellerman, created a bewitchingly lovely succession of earthly mythological visions. A combined fairy and love story, the big feature of 10,000 feet of perfect film has been passed in its entire length by a board of art review, who regard it as the most artistic dream ever imaged in the mind of man. Miss Kellerman, known as the "woman perfect," the amazing star of this production, will never be seen to better advantage. This remarkable picture is booked for the Houston opera house Wednesday and Thursday, August 23 and 24.

MARRIAGE LICENSE ISSUED
A marriage license has been issued by County Clerk C. R. DeLap to Bert L. Herrington of Klamath Falls and Miss Lillian A. Hogan of Reno, Nev.

WITNESSES LEAVE FOR PORTLAND

As witnesses before the Federal Grand Jury convening in Portland today, a number of local men have left for that point. Fred Morley and Charles Graves appear on a "bootlegging" case, the Haskins brothers of Merrill on the case of Henry Stump and P. H. Cartwright and Ben Preston on the Sullivan case. The latter two are for violation of the Espionage act.

Chilcote can find you a good home in the city or country. 18

HEADACHE STOPS, NEURALGIA GONE

Dr. James' Headache Powder give instant relief—Cost dime a package.

Nerve-racking, splitting or dull, throbbing headaches yield in just a few moments to Dr. James' Headache Powder which cost only 10 cents a package at any drug store. It's the quickest, surest headache relief in the whole world. Don't suffer! Relieve the agony and distress now! You can. Millions of men and women have found that headache and neuralgia misery is needless. Get what you ask for.

EASY TO DARKEN YOUR GRAY HAIR

YOU CAN BRING BACK COLOR AND LUSTRE WITH SAGE TEA AND SULPHUR

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture, though, at home is messy and troublesome. For 50 cents you can buy at any drug store the ready-to-use preparation, improved by the addition of other ingredients, called Wyeth's Sage and Sulphur Compound. You just dampen a sponge or soft-brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and, after another application or two, your hair becomes beautifully darkened, glossy and luxuriant.

Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Wyeth's Sage and Sulphur Compound and look years younger. This ready-to-use preparation is a delightful toilet requisite, and not a medicine. It is not intended for the cure mitigation or prevention of disease.—Adv.

Russian Girls of the "Battalion of Death" Ready For the Front

Three members of the "Battalion of Death," that strange organization of girls of Petrograd who lately took the field against the Germans, are shown here. Each girl carried with her a dose of cyanide of potassium, which she meant to swallow in case she were captured. The girls were the same uniform as the ordinary Russian soldier, but each had her hair clipped off. Their fight on the eastern front, where they advanced while other soldiers retreated, has roused the Russian people.

"Splendid Lubricating Qualities"

PAIGE
McKinney-Cord Motor Co., Phoenix
"We cannot speak too highly of the splendid lubricating qualities of Zerolene."

WINTON
The Winton Co., San Francisco
"We use Zerolene exclusively. It is giving entire satisfaction."

CHEVROLET
J. W. Lewis & Co., Los Angeles
"Zerolene is our choice for Chevrolet cars."

"We use Zerolene exclusively. It has roused the admiration of our customers."

ZEROLENE
The Standard Oil for Motor Cars
Endorsed by Leading Car Distributors

Because the records of their service departments show that Zerolene, correctly refined from California asphalt-base crude, gives perfect lubrication—less wear, more power, least carbon deposit.

Sold everywhere and at our service stations.

STANDARD OIL COMPANY (California)

For travelers, Zerolene is the standard.

LEGAL NOTICES

Notice of Foundmaster's Sale
Notice is hereby given that the undersigned foundmaster of the City of Klamath Falls, did impound in the pound of said city the following described animals on or about the 12th day of August, 1917:

One black horse, about 3 years old, wire scars on both hind feet.
One bay mare, blaze face, brand (I) on right houlder.

And that unless the owner or owners of said animal, or other persons having an interest therein shall before the time of sale stated below, pay all costs and charges for the keeping and advertising thereof, together with all fees provided by ordinance of said city for such cases, said animals will be sold at public auction for cash at Klamath Falls, Oregon, at the Klamath barn at the hour of 3 p. m., on the 26th day of August, 1917.

H. S. WILSON,
Chief of Police and Foundmaster,
Dated at Klamath Falls, Oregon,
August 20, 1917. 31-4t

SUMMONS

In the Circuit Court of the State of Oregon, for Klamath County.
W. P. Sedge, Plaintiff,
vs.
A. B. Chambers, J. C. Chambers, S. T. Summers, G. R. Manning, Elizabeth Manning, Fred H. Wheeler, Ben Gay, Geo. T. Baldwin, J. W. Nye, Dan Irwin, R. S. Woodford, J. H. Rea, Fred Carlisle, Nora Pickens, A. McLean and Swift and Company, a corporation, Defendants:

In the name of the State of Oregon, you and each of you are hereby required to appear and answer to the complaint filed against you in the above entitled suit for the foreclosure of mortgage on real property on or before Tuesday, the 11th day of September, 1917, that being the last day of the time prescribed in the order for the publication of this summons, and if you fail so to appear or answer, for want thereof plaintiff will apply to the court for the relief prayed for in his said complaint, to-wit:

For judgment against the said defendants, A. B. Chambers and J. C. Chambers, and each of them, for the sum of \$594.66, together with interest thereon at the rate of 10 per cent per annum from December 13, 1916; for the further sum of \$100 as attorney's fees, and for the costs and disbursements of this suit; that the judgment and attachment liens of all other defendants above named be decreed inferior to plaintiff's mortgage lien; that defendants herein and each of them be debarred and foreclosed of all right, title and interest they may have in and to the following described premises:
