

SUGAR BEETS HERE PROVING A SUCCESS

SUGAR BEET CROP LOOKS GOOD FOR THE COUNTY

KLAMATH TO MAKE GOOD AS A BEET COUNTRY

J. Flannigan of Utah-Idaho Sugar Company Declares Prospects Are Promising for Satisfactory Yield Throughout Valley—About 100 Acres Are Put In—County May Get Factory Next Year.

That the sugar beet crop in Klamath County, which is being supervised by the Utah-Idaho Sugar company, is very promising at this time, is the opinion of E. J. Flannigan, who is looking after the matter here for his company.

Flannigan left this morning with George M. Lewis for Montague, where another tract has been planted, after spending several days here. He had a number of very fine specimens of beets in his machine, and was of the opinion that the yield here would be very satisfactory. A small part of the beet shipped in by the company was not what it should have been, and one or two of the places selected were not well adapted to the culture as others, which may bring down the average, but there seems to be little doubt that the country as a whole will prove itself well adapted to this culture.

The Utah-Idaho company has made an offer to install a factory here next year if the crop shows up well this year, and the required acreage can be subscribed. About 100 acres have been planted this year. The farmers are to receive \$6 per ton for their beets on the cars here at harvest time. They will be shipped to Grants Pass. The installation of a sugar factory here is eagerly looked forward to by many, as the culture is known to be very profitable for the farmers, the net returns per acre being more than any other crop.

It is particularly desirable in this section, where so large an amount of livestock is produced, as the beet pulp makes an excellent food for livestock.

PEACE MEETING AT HUDSON
MINNEAPOLIS, Minn., Aug. 30.—Julia P. Lochner, secretary of the Peoples Council for Democracy and Peace of America, announced today that the national peace conference will be held at Hudson, Wis., beginning September 2d.

This is the convention which Governor Burnquist of Minnesota prohibited August 28th from being held in his state by a proclamation declaring the meeting could only aid and abet the enemies of the United States.

If you wish your mail delivered by carrier, have it addressed to street and number.

Rabid Bird Dog Shot Yesterday

B. P. Lewis of this city was obliged to shoot a very fine bird dog yesterday which had become infected with rabies. The dog was a pup about three months old, and Mr. Lewis is at a loss to know what could have caused the trouble. Its actions convinced him, however, that it had rabies, and having young children about he took no chances, and dispatched it at once.

DELAYED BLAST CAUSED DEATH OF TURNER

STOOPS TO RELIGHT FUSE AS CHARGE EXPLODES

Local Man Passes Away Instantly When Explosion Occurs—Had Charge of Camp Five With Forty Men Employed—Remains Are Brought to City Early This Morning—Was Well Known Here.

Failure of a dynamite charge to explode when expected is learned to have been the cause of the death of Walter Turner, the man killed at the Crater Lake Park yesterday.

Two charges of giant powder had been set and one blast went off as expected. The other did not go off, and after waiting some time, and believing that the fuse had gone out, Turner went forward and was leaning over to relight it when the charge exploded. He was killed instantly, and passed away without suffering. The accident occurred at 11 o'clock, and the remains of the unfortunate man were brought in by Undertaker Earl Whitlock and E. W. Gowen at 4:30 this morning.

Contrary to the report published yesterday, Mr. Turner was married, and has a wife and 17-year old daughter living in Colorado. The daughter, Winifred, was expected here this next month to visit and spend the winter here with her father and aunt, Mrs. Harry Stilts.

Turner was born in David City, Neb., June 21, 1876, being the youngest of a family of seven. He was 40 years old at the time of his death. He had charge of Camp No. 5 in Crater Lake Park, engaged in the construction of the new road around the rim of the lake. He was a member in good standing of the Woodmen of the World, carrying a \$3,000 insurance policy in favor of his daughter. Immediate relatives here, Mr. and Mrs. Harry Stilts and Miss Flora B. Brownell, are grief stricken over the tragedy, and a large number of personal friends in the city will mourn his departure. Funeral services will be held under the auspices of the W. O. W., probably at 2 o'clock tomorrow.

RED CROSS ROOMS WILL BE OPEN FROM 10 TO 5

MRS. C. K. SEITZ TO HAVE GENERAL CHARGE

Work Rooms Now Available to Public Both Morning and Afternoon. Large Shipment of Wool is Expected Next Week for Use in Knitting Garments for Soldiers—Plans to Form Auxiliaries Are Made.

At a meeting of the directors of the Red Cross Society yesterday afternoon, arrangements were made to secure the services of Mrs. C. K. Seitz to take permanent charge of the Red Cross work rooms in the Orpheum building on Main street, and to keep the rooms open daily from 10 in the morning to 5 in the afternoon.

Anyone wishing to knit or sew will find the rooms open between these hours. A large shipment of wool has been ordered and is expected to arrive by express within the next week for the local chapter. It will be disposed of at wholesale prices to members of the community who are ready to help this cause. If there are any of those who wish to help in the work and are unable to afford the material, it will be provided without cost.

Instead of being under the direction of the San Francisco office as in the past, the local chapter is now under the supervision of Director J. A. Baillargeon of the Northwest branch of Seattle.

It is the hope of the directors of the local chapter to establish auxiliaries in the smaller towns of the county some time in the near future.

Turner went forward and was leaning over to relight it when the charge exploded. He was killed instantly, and passed away without suffering. The accident occurred at 11 o'clock, and the remains of the unfortunate man were brought in by Undertaker Earl Whitlock and E. W. Gowen at 4:30 this morning.

MRS. WHITE AND SONS LEAVE

Mrs. F. M. White and two sons, Albert and Russel, left this morning for Marshfield, which will be their home for some time. They will go to Myrtle Point to visit Mrs. White's parents, Mr. and Mrs. Dement, and return to Marshfield in time for Albert and Russel to start school. Dr. White will join his family about the 1st of October, and will take charge of a specialist's practice there during his absence at the front. Many friends will regret the departure of Dr. White and family, and hope for their return to this city.

Mr. and Mrs. Lawrence Kinnear will occupy the White residence during their absence.

Mr. and Mrs. James Bratton, who have been visiting Dr. and Mrs. White, will move into their own home at 413 High street, which has been occupied by Mr. and Mrs. A. F. Graham and family.

The Grahams will move into the house on Third and Washington streets which was the home of J. B. Mason for several years, and which is now being remodeled.

BIG ROUND-UP IS PLANNED FOR KLAMATH

SHOW WILL BE STAGED AT MODOC PARK

Skeeter Bill Robbins and Dorothy Morrell Will Put on Exciting Bill. Many Local Riders Expected to Participate, as Well as Outside Talent. Fifteen or Sixteen Events Each Day of the Show.

Klamath Falls is to have another big round-up.

For the first time since the Eiks' rodeos, a big Western show is to be staged in this city. William (Skeeter Bill) Robbins with Mrs. Robbins plans to hold the big event here September 28, 29 and 30. The Modoc ball park has been leased for this occasion, and a race track will be constructed there, one quarter mile in length.

Robbins is well known as a rider here, having been prominent in the Eiks' rodeos, and has won fame throughout the West thru his ability.

Mrs. Robbins is known to be one of the best women riders in the country, and will be a big feature of the coming show. It is believed that there will be at least fifty riders take part in the show from the local field, where there is some remarkable talent, in addition to that brought in from the outside.

Mr. and Mrs. Robbins will participate in the California Cowboy Round-Up at San Francisco September 6, 7 and 10, and plan to advertise the show there as well as the other attractive features of this country in their bills and posters at that time.

Several other shows of this character are to be given in California and Oregon next month, and it is believed that a large representation of outside riders will be here for the coming event. Fifteen or sixteen events are planned.

Mrs. Robbins is known to the public as Dorothy Morrell.

Chas. Miller of the Miller Photo company and Carey Ramsby of "The Smoke," have returned from a sage hen hunting trip thru Lake county. They report a successful trip, and declare the roads over the country are much improved since the recent rain.

Enemy Repulsed In West Slavs Still Forced Back

By Associated Press
August 30.—A large proportion of the Russian troops in the Fokshani region on the Roumanian front left positions and retired yesterday, according to Petrograd announcements. A dispersal of one of the regiments followed, and measures were taken to restore the position lost.

Austrian counter attacks were made yesterday against the new Italian positions at Gorizia, according to Paris reports. Everywhere the Austrians were driven back. The French last night repulsed fresh attacks by the Germans on the Verdun front, and the French have penetrated the German trenches, taking many prisoners.
