PRESIDENT ENVIES MEN IN TRENCHES

EXPRESSES WISH THAT HE MIGHT BE WITH THEM IN THE FINAL BATTLE FOR THE INDEPENDENCE OF NATION

WASHINGTON, D. C., Sept. 12.—Following is a letter from the president to Thomas L. Chadbourne Jr., of the mayor's committee on National defense:

"The White House, Washington, August 30, 1917.

"My Dear Mr. Chadbourne: Please say to the men on September 4 how entirely my heart is with them and how my thoughts will follow them across the sea with confidence and also with genuine envy, for I should like to be with them on the fields and in the trenches, where the real and final battle for the independence of the United States is to be fought alongside the other peoples of the world, struggling like ourselves to make an end of those things which have threatened the integrity of their territory, the lives of their people, and the very character and independence of their governments. Bid them God speed for me from a very full heart. Cordially and sincerely yours, WOODROW WILSON."

WOMEN COUNTY AGENTS APPOINTED IN MONTANA

BOZEMAN, Mont., Sept. 12.—Seven women county agents have been appointed by the Montana State College extension department, in accord with the provisions of the food survey bill recently passed by congress providing for a continuation and extension of the food production and conservation campaign in the various states.

So far as is known Montana is taking the lead in this matter.

U-Boat Captain Gives a Receipt for An American Ship He Sank

The Christiane, an American bark, was destroyed off the Azores August 7th. Captain C. M. Crooks was taken aboard the German submarine, commanded by Captain Eyring, who it is believed was the second officer in command of the Deutschland when she came to the United States. He gave Captain Crooks the receipt here shown for the vessel, at the same time remarking that he did not like to sink American vessels. The following is a free hand translation of the receipt:

Capture "The formerly in Finland belonging but now (and since March 17) under the American flag, sailing vessel Christiane was captured today as an enemy vessel. At sea, August 7, 1917." The signature of Captain Eyring is followed by his rank as captain lieutenant. The submarine is designated as X. In the lower left hand corner is the seal of the submarine flotilla.

VonKuhlmann Circulates Suggested Peace Terms

WASHINGTON, D. C., Sept. 12.—What purported to be an outline of Germany's peace terms has been circulated among diplomats here within the last two weeks, but has been regarded by the entente embassy and most of the neutrals as a "feeler." The origin of the so-called terms was not disclosed, but they are said to have been written by Foreign Secretary von Kuhlmann before his visit to Vienna, which since has been pointed to as strengthening the probability that they bear evidence of authority. Briefly the so-called terms were as follows: Restoration of Belgium and Northern France, to be paid for out of the sale of German's colonies to Great Britain. Alsace and Lorraine to be independent states. (High French officials recently have stated anew the determination of France to be satisfied with nothing less than the recovery of her lost provinces.) Trieste to be a "free port." Serbia and Roumania to be restored and Serbia to have a port on the Adriatic. The Balkan question and the status of Turkey to be subjects for negotiation. Disarmament and international police. Freedom of the seas, with Great Britain in control of the English channel until the proposed tunnel is built between Dover and Calais. By some diplomats such an outline is regarded as presenting something susceptible of discussion. It is discussed merely as a probability, without having yet advanced fully into the range of probability.

Reply to Pope Meets Favor With Socialists

BERLIN, via London, Sept. 12.—President Wilson can bring immediate peace if he will prove by acts the faith in the German people he has expressed in words, Philip Scheidemann, leader of the German socialist majority party, declared in a recent interview. "Further bloodshed is now unnecessary, if America believes in and does not under-estimate the reichstag's power and the strength of the German movement which pushes irresistibly toward democratization of the entire public life," Scheidemann asserted. "It is pushing on, altho, as in America, war offers the worst chance for further development of democratic institutions. "The German advance will be quicker the sooner the obstacles of war are removed." Special significance attaches to Scheidemann's views on the American note and as to Germany's democratization. The German socialist majority leader is now at the head of a special committee charged by the kaiser with investigating Germany's constitutional system and recommending reforms. It was Scheidemann who fostered the plans for a socialist international meeting at Stockholm, in an effort to obtain a basis of mutual understanding. His interview was granted after detailed analysis of President Wilson's reply to Pope Benedict. "The irritating tone of the American note," he said, referring to this answer, "has been responded to in the same way by the greater part of the German press. "But one in public life must be mindful of the English saying that words do not break eggs. "I find the American government phrases its war aims in such a way that it looks as if the reichstag's peace formula had served as a base. "As already known, the reichstag demands with its program of peace, understanding and durable conciliation of peoples; declares forcible extension of territory as well as political, commercial and financial oppression incompatible with such a peace; repulses all plans for commercial restriction and popular animity after the war, and declares willingness to pro-

UNCLAIMED BANK DEPOSITS HUGE

SALEM, Sept. 12.—According to a statement issued by the secretary of state, the unclaimed deposits in the banks of the state total \$11,929,633. The law provides that such deposits must be listed by the secretary of state, and after a certain period they escheat to the state. Commercial deposits escheat at the end of seven years and savings deposits at the end of twelve years.

You will have to hurry, we sold seven yesterday. Only nine left.—Klamath Electrical Supply Co., 505 Main street.

Auto channels reset by the Klamath Auto Spring Works makes your old wheels as good as new. All work strictly first class and guaranteed. eod

Mr. Oren E. Rae is now connected with the Chilcote agency, and is giving special attention to all lines of insurance. Ask Chilcote or Rae for rates. 31

Start Tomorrow and Keep It Up Every Morning

Get in the habit of drinking a glass of hot water before breakfast.

We're not here long, so let's make out stay agreeable. Let us live well, eat well, digest well, work well, sleep well, and look well. What a glorious condition to attain, and yet, how very easy it is if one will only adopt the morning inside bath.

Folks who are accustomed to feel dull and heavy when they arise, splitting headache, stuffy from a cold, foul tongue, nasty breath, acid stomach, can, instead, feel as fresh as a daisy by opening the sluices in the system each morning and flushing out the whole of the internal poisonous stagnant matter.

Everyone, whether ailing, sick or well, should, each morning, before breakfast, drink a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver and bowels the previous day's indigestible waste, sour bile and poisonous toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases, waste and acidity and gives one a splendid appetite for breakfast. While you are enjoying your breakfast the water and phosphate is quietly extracting a large volume of water from the blood and getting ready for a thorough flushing of all the inside organs. The millions of people who are bothered with constipation, bilious spells, stomach trouble; others who have sallow skins, blood disorders and sickly complexions are urged to get a quarter pound of limestone phosphate

SAGE TEA KEEPS YOUR HAIR DARK

WHEN MIXED WITH SULPHUR TO BRINGS BACK ITS BEAUTIFUL LUSTRE AT ONCE

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a 50-cent bottle of "Wyeth's Sage and Sulphur Compound", which is merely the old time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully, besides no one can, possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.—Adv
