## Quality and Value Back of Our Hardware

You don't buy hardware with the same frequency that you buy groceries, and if you buy the wrong kind you have bought trouble that lasts a long time. The expert buyer can buy here better because he doesn't have to waste time putting aside the goods of poor quality; he makes a selection from the best grades only. The least skillful buyer will find it to his advantage to buy here because we have only the best to select from, and he is sure of getting good quality, no matter what he chooses.
