FORMER COUNTY
BOY PASSES

HIAWATHA WILSON, 18-YEAR-
OLD BROTHER OF MRS. LUKE
WALKER, DIED YESTERDAY AT
ROSEBURG

Mrs. Luke Walker was called to
Roseburg Monday morning by the
death of her brother, Hiawatha Wil-
son. At an early hour that morning
Mrs. Walker received a telegram from
her mother saying that her brother
was very low with typhoid fever, and
to come at once. She left on the
train at 10 o'clock, and at 12 a tele-
gram came to Mrs. Addie Walker say-
ing that Hiawatha passed away at
noon. Mrs. Luke Walker would ar-
rive in Roseburg at midnight.
Hiawatha was 18 years of age and
the younger son of Mr. and Mrs. H.
G. Wilson, who lived at Klamath
Agency for six years, where Mr. Wil-
son was Indian agent. The Wilsons
visit here frequently, and are well
known in Klamath County. Little
Ella May, the 7-year-old daughter, is
very low with typhoid fever at the
present time.

An Inside Bath
Makes You Look
and Feel Fresh

Says a glass of hot water with
phosphate before breakfast
keeps illness away.
This excellent, common-sense
health measure being
adopted by millions.

Count Dohna-Schlodien, comman-
der of the German raider Moewe, who
has just returned to Berlin, where he
was received by the kaiser, reported
that he had sunk twenty-six of the
ships of the Allies on his second raid.
Physicians the world over recom-
mend the inside bath, claiming this is
of vastly more importance than out-
side cleanliness, because the skin
pores do not absorb impurities into
the blood causing ill health, while the
pores in the ten yards of bowels do.
Men and women are urged to drink
each morning, before breakfast, a
glass of hot water with a teaspoonful
of limestone phosphate in it, as a
harmless means of helping to wash
from the stomach, liver, kidneys and
bowels the previous day's indigestible
material, poisons, sour bile and tox-
ins; thus cleansing, sweetening and
purifying the entire alimentary canal
before putting more food into the
stomach.
Just as soap and hot water cleanse
and freshen the skin, so hot water
and limestone phosphate act on the
eliminative organs.
Those who get up with a bad breath
coated tongue, nasty taste or have a
dull, aching head, sallow complexion,
acid stomach; others who are subject
to bilious attacks or constipation,
should obtain a quarter pound of lime-
stone phosphate at the drug store.
This will cost very little, but is suf-
ficient to demonstrate the value of in-
side bathing. Those who continue it
each morning are assured of pro-
nounced results, both in regard to
health and appearance.—Adv.

**This Opinion
of The NEW EDISON won a
\$500 prize. It is worth reading**
"Reality is Better than a Copy—Real Music is Finer than Reproduced
Music."
This is why the New Edison entertains better than an ordinary talk-
ing machine, and gives children a truer appreciation of music.
In our home naturally we would rather have a painting than a pho-
tograph of it. And we wish the music in our home to be like paintings,
possessing all their original beauty.
Now our good but old-fashioned talking machine records seem to us
like photographs of music—enjoyable, tho lacking something.
But our trial of the New Edison convinces us that at last there is a
phonograph that gives music itself in all its strength, freshness and
wonder—music as magnificent as original oil paintings, not photographs
of music, but genuine music.
To make children love painting, show them the artists' own work
rather than photographs—the brilliancy and colors of painting delight
them.
And so in music there are charming tone colors, living, thrilling
sounds that only the New Edison ever brought home for our delight.
Real, Re-Created music is better than reproduced.
Edison music IS REAL
Nothing greater can be said of it. That is why we want a New
Edison."
FREDERICK DOYLE, 620 West St. Catherine Street, Louisville, Ky.
**COME TO OUR STORE AND SEE IF YOU AGREE WITH
MR. DOYLE**
NOTICE: Please do not ask us to sell you
Edison Re-Creations if you intend to attempt
to play them on any other instrument than the
New Edison. No other instrument can bring
out the true musical quality of Edison Re-
Creations. Furthermore, injury to the re-
cords is likely to result if you attempt to play
them on an ordinary phonograph or talking
machine.
WE SHALL be only too glad to give you a
private demonstration of the new Edison,
which the New York Globe calls "the phono-
graph with a soul." There is absolutely no
obligation to buy, and you will not be im-
pulsed to buy. We want you to form an opin-
ion of the New Edison. We are certain it will
be a good opinion, and your good opinion is
worth something to us.

**BIG EATERS GET
KIDNEY TROUBLE**
TAKE SALTS AT FIRST SIGN OF
BLADDER IRRITATION OR BACK-
ACHE
The American men and women must
guard constantly against kidney trou-
ble, because we eat too much and all
our food is rich. Our blood is filled
with uric acid which the kidneys strive to
filter out, they weaken from overwork,
become sluggish; the eliminative tis-
sues clog and the result is kidney trou-
ble, bladder weakness and a general
decline in health.
When your kidneys feel like lumps of
lead; your back hurts or the urine is
cloudy, full of sediment or you are
obliged to seek relief two or three
times during the night; if you suffer
with sick headache or dizzy, nervous
spells, acid stomach, or you have rheu-
matism when the weather is bad, get
from your pharmacist about four
ounces of Jad Salts; take a table-
spoonful in a glass of water before
breakfast for a few days and your kid-
neys will then act fine. This famous
salts is made from the acid of grapes
and lemon juice, combined with lithia,
and has been used for generations to
flush and stimulate clogged kidneys;
to neutralize the acids in the urine so it
no longer is a source of irritation, thus
ending bladder troubles.
Jad Salts is inexpensive; cannot in-
jure, makes a delightful effervescent
lithia water-beverage, and belongs in
every home, because nobody can make
a mistake by having a good kidney
flushing any time.—Adv.
**EFFORT IS MADE

SWITCH IS PULLED AS PORTLAND
OWL LEAVES ON THE GREAT
NORTHERN TRACKS—SLEEPER
OVERTURNED—NONE HURT
SEATTLE, Oct. 3.—Railroad offi-
cials say that deliberate attempts
were made Monday night in Seattle
yards to wreck the outgoing Portland
Owl, the Great Northern train.
The wreckers pulled a switch while
the train was passing and tore two
sleeping cars from the track. The
sleepers bumped along the ties for a
hundred yards and were overturned.
The engine was stopped when the
forward sleeper turned over.
There were nine adults and a baby
in the coach. None were injured.

**COMB SAGE TEA
INTO GRAY HAIR**
DARKENS BEAUTIFULLY AND RE-
STORES ITS NATURAL COLOR
AND LUSTRE AT ONCE
Common garden sage brewed into
a heavy tea, with sulphur and alcohol
added, will turn gray, streaked and
faded hair beautifully dark and lux-
uriant. Mixing the Sage Tea and Sul-
phur recipe at home, though, is trou-
blesome. An easier way is to get the
ready to use preparation improved by
the addition of other ingredients,
costing about 50 cents a large bottle,
at drug stores, known as "Wyeth's
Sage and Sulphur Compound," thus
avoiding a lot of fuss.
While gray, faded hair is not sin-
ful, we all desire to retain our youth-
ful appearance and attractiveness. By
darkening your hair with Wyeth's
Sage and Sulphur Compound, no one
can tell, because it is done so natu-
rally, so evenly. You just dampen a
sponge or soft brush with it and draw
this through your hair, taking one
small strand at a time; by morning
all gray hairs have disappeared. Af-
ter another application or two your
hair becomes dark, glossy, soft, and
luxuriant, and you appear years
younger. Wyeth's Sage and Sulphur
Compound is a delightful toilet regu-
late. It is not intended for the cure,
mitigation or prevention of disease.—
