Larsen, a drafted man from San Francisco, who was tried by court martial for failure to submit to physical examination for contagious diseases. Larsen will be confined here for the present, and later sent to Fort Leavenworth or Alcatraz Island.

Another soldier arrested for selling "dope" to the soldiers will also be court martialed.

#### ANTI-LA FOLLETTEISM STRONG IN WISCONSIN

MADISON, Wis., Oct. 23.—La Folletteism will be the chief issue in the event of a special election being held to name a successor to the late United States Senator Paul O. Hastings.

Also the attorney general in an unofficial opinion has declared an election will be necessary, Governor of Milwaukee, Thomas Kearney of Racine, before taking decisive action. The Wisconsin League legion will be a factor in the political campaign, and it will oppose every La Follette candidate who appears in the field.

Some of those mentioned as possible successors to Hastings are Governor Philipp and Judge John C. Karel. Philipp has requested a formal ruling since, William H. Hatton of New London and former Governor Francis McGovern of Milwaukee.

All of these men are strong foes of La Folletteism.

## Princess May Be British Queen

PRINCESS MAUD, DUCHESS OF FIFE.

Princess Maud, the beautiful daughter of the Duchess of Fife, will be come Queen of Great Britain and Ireland, if, as reported, she is engaged to the Prince of Wales. But the young prince has been reported engaged many times. The Duchess of Fife was a daughter of Edward VII., grandfather of the present Prince of Wales.

## Plot to Kill President On Thanksgiving Day

MEMPHIS, Tenn., Oct. 23.—Eight men are being held for further orders from Washington. The man at whose home the plot is said to have been hatched has been bound over to the federal grand jury and the government has refused him bail.

The plot, which is said to have been worked out in a small town near here, was neutralized by secret service agents. Federal officials refuse to give the names of the men involved.

Detectives say that three of the men planned to go to Washington and gain an audience, thru political influence. The crime was to be committed then. The method was not given out.

Two of the men lived in Pickett County, two were arrested near Nashville, and one was arrested in Scott County. The others were arrested here.

Four of the men have been bound over to await the action of the grand jury. Exact charges placed against the men are not given out by federal

agents. The men are being held for further orders from Washington. The man at whose home the plot is said to have been hatched has been bound over to the federal grand jury and the government has refused him bail.

WASHINGTON, D. C., Oct. 23.—Secretary Tumulty, shock absorber outside, President Wilson's office, smiled when informed of the plot in Tennessee on the president's life.

"How'd they get by me?" he asked, disparaging the idea that anyone with mere political influence could gain an audience with the president.

Joe Murphy, guardian of the president's person in public, regarded the plot lightly.

W. H. Moran, head of the government secret service bureau, said they had an agent stationed at Memphis, but that no word of any plot had been received by him.

## Germans Now Expect Peace In November

WASHINGTON, D. C., Oct. 23.—An Italian workman interned in Germany since the beginning of the war, has escaped thru the Alps to his own country with a report that the German people want peace, and expect it to come in November. Official dispatches received tell the man's story, according to which the Germans have abandoned hope of victory of arms. Laborers are threatening to leave the

factories if the war continues another winter, and the civil population generally is living under terrible conditions. He said 800 soldiers attending a circuit at Essen were killed at one time by a bomb of allied aviators.

WASHINGTON, D. C., Oct. 23.—Interesting statements about Germany's unsettled political situation and treachery in the ranks of the army,

made by an East Prussian prisoner, have been received here in official dispatches. According to this soldier the socialistic and revolutionary spirit is growing so rapidly that it is expected to endanger the supremacy of the Junkers by spring, and the military authorities are adopting most severe repressive measures. He also told a story of how German privates left their officers to their fate in the face of fire, and of how officers hated by their troops fell on battlefields with bullets in their backs.

## COMB SAGE TEA INTO GRAY HAIR

DARKENS BEAUTIFULLY AND RESTORES ITS NATURAL COLOR AND LUSTRE AT ONCE

Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready to use preparation improved by the addition of other ingredients, costing about 50 cents a large bottle, at drug stores, known as "Wyeth's Sage and Sulphur Compound," thus avoiding a lot of fuss.

While gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it is done so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes dark, glossy, soft, and luxuriant, and you appear years younger. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.—Adv.
