Many New War Taxes
Are Effective Today

Many Special Revenue Additions Became Effective at Midnight Last Night Which Will Be Used to Defray the War Expenses of Uncle Sam

With the exception of increased letter rates and tobacco taxes, which go into effect tomorrow, the special stamp on documents, legal instruments and parcel post packages, which go into operation December 1, all special taxes began to apply at midnight last night. They include:

One cent on each dime paid for amusement admissions.

Three per cent on payments for freight transportation.

Eight per cent on passenger fares.

Ten per cent on payments for Pullman and similar accommodations.

Five per cent on oil pipe line transportation.

One cent for each 20 cents or fraction paid for express packages.

Five cents on each telegraph, telephone or radio message costing 15 cents or more.

Various taxes on cigars, cigarettes, tobacco and products.

Ten per cent on club dues.

Eight cents on each \$100 of new life insurance and one cent on each dollar of fire, marine, casualty and other insurance policies.

Altho the tobacco taxes do not become operative until Friday, many dealers have already advanced retail prices in anticipation of the tax levies. Other taxes of the new law, including those on hard and soft drinks, incomes and war-excess profits, have been in effect since the law was approved, October 3d, but in indirect form.

Amusement taxes become effective tomorrow at places charging more

than 10 cents. They are one cent for each 10 cents or fraction, paid for such admission, payable by the person admitted, but collected by the government from the amusement proprietor; required to make sworn returns to the treasury. A flat tax of one cent for each child under 12 admitted when children are charged is also provided. Passes also are taxed except those to bona fide employees, municipal officers and children under 12, at the regular rate, which also is extended to cabarets or other entertainment in which the admission is included in the price paid for refreshment, merchandise or service. Persons leasing theater boxes must pay 10 per cent on their rental.

The new rates on cigars range from 25 cents to \$7 per 1,000, and on cigarettes from 80 cents to \$1.20 per 1,000. Five cents a pound is the new tax on tobacco, snuff and other manufactured tobacco, while cigarette papers are taxed from half a cent to one cent per 100. As the taxes are now reaching the ultimate consumer, the raises mean about one cent more on 5-cent tobacco, from 2 to 5 cents on cigarette packages and from 1 to 10 cents on cigars.

The taxes on freight and passenger transportation are also extended to motor vehicle competitors of steam and electric railways and water lines. The passenger transportation tax is not applicable to fares costing 35 cents or less or commutation or season tickets for trips less than thirty miles. Payments for service render-

ed the federal and state governments are exempt from taxation.

The 10 per cent tax on Pullman accommodations is applicable to payments for seats, berths and state-rooms in parlor and sleeping cars or on vessels.

The 5 cent tax on telegraph, telephone or radio messages costing 15 cents or more applies only to those originating in the United States.

Clubs whose dues are less than \$12 a year and fees to lodges are exempt from the 10 per cent tax on club dues.

The new insurance taxes are imposed on new policies issued, with re-insurance policies exempted. Industrial or weekly payment policies are taxed 40 per cent on the first premium on policies for \$500 or less.

BIG EATERS GET
KIDNEY TROUBLE

TAKE SALTS AT FIRST SIGN OF
BLADDER IRRITATION OR BACK-ACHE

The American men and women must guard constantly against kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder troubles.

Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.—Adv.

RUB PAIN RIGHT OUT WITH
SMALL TRIAL BOTTLE OF OLD
PENETRATING "ST. JACOB'S

Kidneys cause backache? No! They have no nerves, therefore can not cause pain. Latent! your backache is caused by lumbago, sciatica or a strain, and the quickest relief is soothing, penetrating "St. Jacob's Oil." Rub it, right on your painful back, and instantly the soreness, stiffness and lameness disappears. Don't stay crippled! Get a small trial bottle of "St. Jacob's Oil" from your druggist and limber up. A moment after it is applied you'll wonder what became of the backache or lumbago pain.

Rub old, honest "St. Jacob's Oil" whenever you have sciatica, neuralgia, rheumatism or sprains, as it is absolutely harmless and doesn't burn the skin.—Adv.

A COLD OR CATARRH
Apply Cream in Nostrils To
Open Up Air Passages.

Ah! What relief. Your clogged nostrils open right up, the air passages of your head are clear and you can breathe freely. No more hawking, snuffling, mucous discharge, headache, dryness—no struggling for breath at night—your cold or catarrh is gone.

Don't stay stuffed up! Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic cream in your nostrils, let it penetrate through every air passage of the head; soothe and heal the swollen, inflamed mucous membrane, giving you instant relief. Ely's Cream Balm is just what every cold and catarrh sufferer has been seeking. It's just splendid.—Adv.

Look and Feel
Clean, Sweet and
Fresh Every Day

Drink a glass of real hot water
before breakfast to wash
out poisons.

Life is not merely to live, but to live well, eat well, digest well, work well, sleep well, look well. What a glorious condition to attain, and yet how very easy it is if one will only adopt the morning inside bath.

Folks who are accustomed to feel dull and heavy when they arise, splitting headache, stuffy from a cold, foul tongue, nasty breath, acid stomach, can, instead, feel as fresh as a daisy by opening the sluices of the system each morning and flushing out the whole of the internal poisonous stagnant matter.

Everyone, whether ailing, sick or well, should, each morning, before breakfast, drink a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver, kidneys and bowels the previous day's indigestible waste, sour bile and poisonous toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases, waste and acidity and gives one a splendid appetite for breakfast. While you are enjoying your breakfast the water and phosphate is quietly extracting a large volume of water from the blood and getting ready for a thorough flushing of all the inside organs.

The millions of people who are bothered with constipation, bilious spells, stomach trouble, rheumatism; others who have sallow skins, blood disorders and sickly complexions are urged to get a quarter pound of limestone phosphate from the drug store, which will cost very little, but is sufficient to make anyone a pronounced crank on the subject of internal sanitation.—Ad.

Why This Coffee
Is So Popular

Some folks say: "My, but Crescent Cream Coffee is popular! Why do so many people prefer it?"

We reply: "Why do you prefer it?" And the universal answer is:

"Because it is so good."

That's just it—because it is so good. Crescent Cream Coffee is a specialized blend that took years to develop. But it's a wonder for flavor and appeal. The blend is maintained whether a few or many coffees are required. Folks know this—know that for a good cup of coffee they can depend upon Crescent Cream. The price is always the same—40c a pound.—Crescent Mfg. Co., Seattle, San Francisco, Los Angeles.
