LOCAL FUEL INSPECTORS MAY SOON BE APPOINTED

PORTLAND, Nov. 16 .- To assist money makes big money. See 634 county chairmen of the council of defense to appoint local fuel inspectors. One man will be named in each city or town, and he will report direct to Fred G. Holmes, federal fuel administrator, on the fuel needs of large quantities; Newtons, Ben Da- rect to Fred G. Holmes, federal fuel his section.

The local fuel inspectors must no engage in the fuel business, even indirectly. They represent the people and their duty will be to see that the amount of fuel in the hands of local dealers and the probable demands for fuel are reported each week to the fuel administrator.

GLASGOW PLANS

MERRY CHRISTMAS

GLASGOW, Nov. 16 .- There is a great rush for whiskey in this town, and despite the very high prices now ruling, there have been long lines of women in the Clyde working districts waiting outside shops to buy as many bottles as possible for the Christmas fetivities.

Scotch distillers express the belief that the sale of whiskey_will cease in a few weeks, and this has increased the urgency of the demand. Publicans have decided to curtail their selling hours, and the prices in the bars have risen to ten pence a glass in the poorer districts, and to 14 pence in

the higher class saloons. These are the highest prices ever known in Scotland, but, in consequence of the big wages now being earned, there is no slackening in the

Wash yourself on the inside before ties into the blood, causing illness, This is vastly more important because the skin pores do not absorb impurities nto the blood, causing illness. while the bowels pores do.

For every ounce of food and drink taken into the stomach, nearly an ounce of waste material must be carried out of the body. If this waste material is not eliminated day by day it quickly ferments and generates poisons, gases and toxins which are absorbed or sucked into the blood stream through the lymph ducts which should suck only nourishment to sustain the

A splendid health measure is to drink, before breakfast each day, a glass of real hot water with a teaspoonful of limestone phosphate in it, which is a harmless way to wash these poisons, gases and toxins from the stomach, liver, kidneys and bowels; thus cleansing, sweetening and freshening the entire alimentary canal before putting more food into the stom-

A quarter pound of limestone phosphate costs but very little at the drug store, but is sufficient to make anyone an enthusiast on inside bathing. Men wake up with a dull, aching head or have furred tongue, bad tasts, nasty breath, sallow complexion; others who pearance shortly.--Adv.

USE GRANDMA'S BAGE TEA AND SULPHUR RECIPE AND NO-BODY WILL KNOW

The use of Sage and Sulphur for estoring faded, gray hair to its natural color dates back to grandmoththat dull, faded or streaked appearance, this simple mixture was applied with wonderful effect.

But brewing at home is mussy and out-of-date. Nowadays, by asking at any drug store for a 50 cent bottle of Wyeth's Sage and Sulphur Compound," you will get this famous old preparation, improved by the addition of other ingredients, which can be depended upon to restore natural color and beauty to the hair.

A well known downtown druggist says it darkens the hair so natural ly and evenly that nobody can tell it has been applied. You simply damp. UNCLE SAM NOW en a sponge or soft brush with it, and draw this through your hair, taking one strand at a time. By morning the gray bair disappears, and after another application or two, it becomes beautifully dark and glossy. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite for those who desire a more youthful appearance. It is not intended for the ure, mitigation or prevention of dis-

Why?

Because, as nearly as mind and hands can do it, we make each OWL just like every other OWL in blend and burning qualities.

"If you like one OWL, you'll like them all." We can say that with certainty because the flavor and even-burning of the OWL are insured by a million dollars worth of selected, carefully mellowed leaf.
