SUPREME IN KLAMATH

Judged from the points of Tone, Beauty of Design and Value, Sonora leads.

The great number of Klamath's leading musical people who have chosen it in direct comparison with other makes speaks for itself.

Sonora also received the highest award for tone at Panama Pacific Exposition, and there is a reason for the beautiful, distinctive cabinets found in no other. Why not let us tell you the why of it.

SONORA, \$250 STYLE

We will place this instrument in your home for direct comparison with any other make. Sonora models at \$100, \$175 and \$250 are leaders, and may be heard alongside of all other Standard makes at our store.

Crop payments or monthly terms can be arranged.

Folks who have soldiers in France, or in the camps, found out how easy and comfortable it is to buy early for Christmas. The advantages of shopping while stocks are complete, and sales-people fresh, we have pointed out in former years. But many learned it by experience for the first time this year.
