WESTERN COINS GOING EAST

FAST QUANTITIES OF COINS BEING SHIPPED FROM SAN FRANCISCO MINT TO EASTERN MONEY CENTERS

SAN FRANCISCO, Dec. 1.—San Francisco is sending a stream of small coins east to end the shortage there. Superintendent T. W. Shanahan of the local mint recently shipped 1,200,000 dimes in 20,000 lots to New York, Philadelphia, Chicago, Cincinnati and St. Louis, and at the same time sent 2,000,000 pennies to the San Francisco sub-treasury to be sent to Pacific Coast points.

Shanahan says that Washington has called on the San Francisco mint to help break the small coin shortage in eastern centers, and the local institution is working as it never worked before. From November 1 to 22 the mint struck off 20,000,000 pennies, dimes, quarters and halves. Most of these have been sent to eastern and other Pacific Coast points.

OREGON SKIPPER IS ACQUITTED OF BOOTLEGGING

ASTORIA, Dec. 1.—Because the state failed to show that Captain Carey, master of the steamer F. A. Kilburn, was responsible for bringing intoxicating liquors aboard his ship or that he even knew of the presence of the liquor there, the court ordered the case against the skipper dismissed. Charges against three members of the crew were also dismissed, but the bail of three other members, who appealed their cases and failed to appear, was forfeited.

"Father of U. S. Navy" Dies In New Hampshire

CONCORD, N. H., Dec. 1.—William Eaton Chandler, secretary of the navy under President Arthur, died yesterday.

In a lifetime of endless political activity and almost continuous controversy, the one title freely accorded by men of all parties to William Eaton Chandler was that of "Father of the United States Navy." As secretary of the navy under President Arthur, Mr. Chandler, on June 11, 1883, approved the plan for the reorganization of the navy, which resulted in the development of the present fighting fleet.

Born at Concord, N. H., December 28, 1835, Mr. Chandler was educated at academies in New Hampshire and Vermont, and was graduated from the Harvard law school at the age of 19. One of his classmates at the law school was Joseph H. Choate. He entered politics at once, served three terms in the New Hampshire house of representatives and was elected speaker of the house when but 27 years old. His first entrance into national political affairs was as one of the founders of the republican party and a supporter of Abraham Lincoln. President Lincoln appointed him so-

licitor and judge advocate general of the navy in 1865, and three months later he became first assistant secretary of the treasury.

While secretary of the navy Mr. Chandler organized the expedition which, under the command of Captain Winfield S. Schley, went to the relief of the Greely Arctic exploration party. Fourteen years of service in the United States senate ended when Mr. Chandler was defeated for renomination in 1901 by Henry E. Burnham. His radical views on railroad legislation, which brought him in opposition to republican party leaders, were responsible for this defeat. During the remainder of his life Mr. Chandler made many attacks on what he considered the undue influence exerted by railroads in New England politics. His last federal position was that of president of the Spanish war claims commission, to which he was named by President McKinley in 1901 and reappointed by President Roosevelt.

Mr. Chandler's legal talent was displayed when, as chief counsel, he carried thru many stages in state and federal courts the suits in which it was sought to break the will of Mrs. Mary Baker G. Eddy, founder of the Christian Science church.

CIRCUIT COURT OPENS MONDAY

SECOND HAND DEALER ACCUSED OF RECEIVING STOLEN GOODS FROM BOYS IS UP FOR TRIAL MONDAY MORNING

The first case to be called on the new docket of the Circuit Court Monday morning will be that of the state against Fred Plum, who is charged with receiving stolen goods.

It was alleged in the examination held in the justice court that Plum received a number of brass faucets from young boys, which were stolen from beer kegs in the old brewery at the west end of Main street. Plum was operating a second hand store at this time, and it was claimed that he encouraged the boys to get more of the stolen articles. Rutenic & Yaden are defendant's attorneys.

Other cases so far listed on the

court calendar are: December 4th, W. E. Seehorn vs. Kay Loosely, a civil action over a supply of hay.

December 6th, State vs. J. P. Satterlee.

December 10th, State vs. Lorenzen and Byres.

OREGON FRATS MAY FEEL NEW WAR TAX

EUGENE, Dec. 1.—According to a ruling of Milton A. Miller, collector of internal revenue for this district, college fraternities are liable to a 10 per cent war tax. Under a recent national ruling, social organizations must pay a war assessment. Collector Miller holds that college fraternities and other social organizations are not necessary adjuncts to the college, and should pay the tax. His ruling was made with reference to fraternities at the Oregon Agricultural College at Corvallis, whose initiation fees and dues are more than \$12 per year. The tax of 10 per cent also is expected to be assessed upon University of Oregon fraternities and sororities.

GLASS OF SALTS CLEANS KIDNEYS

IF YOUR BACK HURTS OR BLADDER BOTHERS YOU, DRINK LOTS OF WATER.

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salts which removes the body's urinous waste and stimulates them to their normal activity.

Drink lots of water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys will act.

It's just fine. Don't stay stuffed-up with a cold or nasty catarrh.—Ad. fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate clogged kidneys; also to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure; makes a delightful effervescent lithia water drink which everyone should take now and then to keep their kidneys clean and active. Try this, also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache.—Ad.

HAVE ROSY CHEEKS AND FEEL FRESH AS A DAISY—TRY THIS!

Says glass of hot water with phosphate before breakfast washes out poisons.

To see the tinge of healthy bloom in your face, to see your skin get clearer and clearer, to wake up without a headache, backache, coated tongue or a nasty breath, in fact, to feel your best, day in and day out, just try inside bathing every morning for one week.

Before breakfast each day, drink a glass of real hot water with a teaspoonful of limestone phosphate in it as a harmless means of washing from the stomach, liver, kidneys and bowels the previous day's indigestible waste, sour bile and toxins; thus cleansing.
