ANNOUNCEMENT

The Bible Study Belong meets tonight at the First Christian church at 7:30. The lesson begins with Revelation XIV, and suggests conditions of the present time.

KLAMATH COUNTY NEWS

HENLEY HAPPENINGS

The Parent-Teachers Association held an evening session on Friday, the 14th. After a short business meeting there followed a social time, war-time refreshments and a program, as follows:

Song—America Audience Reading Mrs. Bradbury Piano solo Miss Merrill Talk "Community Spirit" R. E. Bradbury

Vocal solo Miss Rose Reading Mrs. Patterson Vocal solo Mrs. J. R. Dixon A Jig C. Latta Talk Burrell Short Piano solo Mrs. Phillips Vocal trio—Misses Stuart, Merrill and Rose

Reading Miss Stuart Violin solo J. W. Morris A number of the strangers in the neighborhood were present. It is hoped that all the strangers in the Henley school district will come to these meetings and get acquainted with the school and the teachers.

The question of the need of the Parent-Teachers Association for the high school was discussed. A vote of those present was taken, and with one exception was found to be in favor of such an organization.

Most of the students in the Henley school have been receiving some very interesting letters from the soldiers and sailors, stationed at various places at home and abroad within the past ten days.

R. C. Short has been very busy of late improving his Meadow Lake ranch. He is preparing to plant timothy hay and clover.

The families of Percy Dixon and Thomas Dixon have traded homes this past week.

Cecil Caldwell left Henley school to take the examination for the navy, but failed on account of a weak heart. He afterward went to work in the box factory.

The Henley high and grammar schools are planning to have a Christmas tree and Christmas program together on Friday afternoon, December 21st, when school closes for the regular two weeks' vacation. It will reopen January 7th.

Combination automobile policies give complete protection. Get one from Chilcote. 17

high school are from surrounding school districts, and as there are many problems that confront both the teachers and school board along the line of equipment and athletics, it is felt by some that such an organization for all concerned would succeed in a measure in solving some of the immediate problems.

Carl M. Rose came out from Klamath Falls Sunday to take dinner with his sister, Miss Jessie Rose of Henley.

O. T. McKendrie and son Scott were also guests at a chicken dinner at the Merrill-Rose bunk house, corner of Low street and Barnyard avenue.

Miss Mabel Latta and Mack Glenn are out of high school at present, on account of illness.

James Newton, who has been out of school on account of illness, has now returned to take up his work.

Marshall McClay entered school on Monday, December 10th.

James T. Henley has been assisting Miss Rose in the Red Cross drive this week in the Henley district.

The English students in the high school have been receiving some very interesting letters from the soldiers and sailors, stationed at various places at home and abroad within the past ten days.

R. C. Short has been very busy of late improving his Meadow Lake ranch. He is preparing to plant timothy hay and clover.

SHIPPINGTON NOTES

With the lake free of ice and all the streams running on regular time, it doesn't seem at all like winter. Arthur Wakefield is building a new garage.

It is reported that Captain Parker had a smash-up a few days ago, badly jamming one wheel of his car. The accident occurred at Fairview.

Preparations are being made at St. Cloud for celebrating at St. Cloud for the holidays with a roaring good time. About seventy-five invitations are to be sent out, and this number is expected to be present.

Mr. Clevenger has arrived from the Coast country, and has decided to remain here. He declares there is too much rain and fog there for him.

Most all fencing has been removed from the Klamath Development property in Buena Vista Addition, and is to be used for other purposes.

Pennsylvania VACUUM CUP TIRES Have Not Yet Increased In Price

The Vacuum Cup Tread is the most practical and efficient tire tread that has ever been devised. It successfully combines long life with actual prevention of skidding, no matter how wet the pavement may be. The tread is extra heavy and composed of the toughest wear-resisting white stock known.

The high quality of the Vacuum Cup tread stock is established by the fact that it has been maintained without change for a period of years, fully justifying our extraordinary mileage guarantee of 4,000 miles per warranty tag, attached to each casing.

IF BACK-HURTS BEGIN ON SALTS

FLUSH YOUR KIDNEYS OCCASIONALLY IF YOU EAT MEAT REGULARLY

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage, or attended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before

breakfast for a few days, and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders.

Jad Salts is inexpensive, and cannot injure; makes a delightful effervescent lithia water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.—Adv.

HEAD STUFFED FROM CATARRH OR A COLD

Says Cream Applied in Nostrils Opens Air Passages Right Up.

Instant relief—no waiting! Your clogged nostrils open right up; the air passages of your head clear and you can breathe freely. No more hacking, snuffling, blowing, headache, dryness. No struggling for breath at night; your cold or catarrh disappears.

Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant antiseptic, healing cream in your nostrils. It penetrates through every air passage of the head, soothes the inflamed or swollen mucous membrane and relief comes instantly.

It's just fine. Don't stay stuffed-up with a cold or nasty catarrh.—Ad.

SAYS HOT WATER WASHES POISONS FROM THE LIVER

Everyone should drink hot water with phosphate in it, before breakfast.

To feel as fine as the proverbial fiddle, we must keep the liver washed clean, and almost every morning to prevent its sponge-like pores from clogging with indigestible material, sour bile and poisonous toxins, says a noted physician. If you get headaches, it's your liver. If you catch cold easily, it's your liver.

If you wake up with a bad taste, furrowed tongue, nasty breath or stomach becomes rancid, it's your liver. Sallow skin, muddy complexion, watery eyes, all denote liver uncleanness. Your liver is the most important, also the most abused and neglected organ of the body. Few know its function or how to release the dammed-up body waste, bile and toxins. Most folks resort to violent calomel, which is a dangerous, salivating chemical which can only be used occasionally because it accumulates in the tissues, also attacks the bones.

Every man and woman, sick or well, should drink each morning before breakfast, a glass of hot water with a teaspoonful of limestone phosphate in it, to wash from the liver and bowels the previous day's indigestible material, the poisons, sour bile and toxins; thus cleansing, sweetening and freshening the entire alimentary canal before putting more food into the stomach.

Limestone phosphate does not restrict the diet like calomel, because it can not salivate, for it is harmless and you can eat anything afterwards. It is inexpensive and almost tasteless, and any pharmacist will sell you a quarter pound, which is sufficient for a demonstration of how hot water and limestone phosphate cleans, stimulates and freshens the liver, keeping you feeling fit day in and day out.—Adv.
