MANY CAMP
LEWIS MEN
PROMOTED

LARGE NUMBER OF APPOINT-
MENTS ARE MADE—SEVERAL
MEN SENT HOME ON INACTIVE
LIST

CAMP LEWIS, Jan. 16.—Promo-
tions fell here yesterday like plums
from a tree.

Captain Guy Strohm of Portland
was made a major lieutenant; Frank
Mound of Oregon City was made a
captain, and three other captains and
six lieutenants were commissioned.

Several men were sent home on an
inactive list following an examination
into their qualifications. Lieutenant
Charles Andrews was one of those
sent to Portland on this account. It
is announced that there is no dis-
grace attached to being placed on the
inactive list.

LOCAL MAN
WILL JOIN U-
BOAT CHASERS

IS NOW ATTENDING MOTOR BOAT
SCHOOL AT CHARLESTON, AND
EXPECTS TO BE SENT ABROAD
ABOUT APRIL FIRST

Word has been received from Har-
vey C. Winslow, formerly of the firm
of Couch & Winslow here to the effect
that he has passed his entrance ex-
aminations to the motor boat school
at Charleston, S. C., and will spend
his time there probably until April,
when he expects to cross the ocean
and go after the Kaiser's U boats with
the submarine chasers.

His letter gives an interesting de-
scription of how the depth bombs are
dropped from the rear of the sub-
chasers, which he says are built to go
forty knots an hour.

School Children to
Aid Red Cross Work

WASHINGTON, D. C., Jan. 17.—
Appeals to the school children of the
United States to make garments for
needy children, women and old men,
who fled from the invaded districts
early in the war are being made by
the Red Cross. Some of these people
are in France, others daily cross the
Swiss border. A recent cablegram
from Paris states that an average of
250 children arrive daily from behind
the German lines at Evian-le-Bain,
and that "in the first week of the
American Dispensary over 2,400 chil-
dren were examined, more than 1,900
being between the ages of 3 and 13
years."

The refugees are destitute and ill.
They must be given both food and
clothing before being sent on to their

"billets" in various towns and vil-
lages. The French government,
which is putting all its force into the
fighting line cannot care for these
wrecks of war. They depend for all
the first needs of life, for food, shel-
ter and clothing upon the American
Red Cross.

The Red Cross will continue to
meet these heavy responsibilities as
long as the people in America stand
behind it with money and supplies.
It is calling upon its newest mem-
bers, the girls and boys in the school
auxiliaries to clothe these children
and their parents. The American
children are assured that not an atom
of their work will be wasted. Every
garment turned into the Red Cross
for this purpose adds to some refu-
gee's fighting change for life.

Unique Fire Alarms
In Montana Mines

BUTTE, Mont., Jan. 17.—Fire
alarms here are to be spread thru
the sense of smell, rather than that
of hearing or sight. By the means of
compressed air, an unusual odor is
to be forced thru the workings, and it
is believed that the alarm may thus
be spread quickly.

Because it will not depend upon
unbroken circuits, as the present sys-
tem of electric lights does, and will
be distinctly noticeable everywhere
in the mine, it is believed that the
proposed system will be most effec-
tious.

As a part of its "safety first" pro-

HALIFAX DISASTER

PICTURED TONIGHT

A realistic portrayal of the terrible
disaster at Halifax recently, when
2,000 lives were lost by the explosion
of a munition ship in the harbor, will
be shown at the Temple theater to-
night. The devastation wrought by
this catastrophe was almost indescrib-
able, and the big blizzard which fol-
lowed the next day made the suffer-
ing more intense. A series of remark-
able pictures have been secured by
the management of the Temple, which
are of more than ordinary interest.

PUT CREAM IN NOSE
AND STOP CATARRH

Tells How To Open Clogged Nos-
trils and Stop Head-Colds.

You feel fine in a few moments.
Your cold in head or catarrh will be
gone. Your clogged nostrils will open.
The air passages of your head will
clear and you can breathe freely. No
more dullness, headache; no hawking,
snuffing, mucous discharges or dry-
ness; no struggling for breath at
night.

Tell your druggist you want a
small bottle of Ely's Cream Balm.
Apply a little of this fragrant anti-
septic cream in your nostrils, let it
penetrate through every air passage
of the head; soothe and heal the
swollen, inflamed mucous membrane,
and relief comes instantly.

It is just what every cold and ca-
tarrh sufferer needs. Don't stay
stuffed up and miserable.—Adv.

STOPS BACHACHE
IN FEW MINUTES

RUB LUMBAGO, PAIN, SORENESS,
STIFFNESS RIGHT OUT WITH
"ST. JACOB'S LINIMENT"

When your back is sore and lame
or lumbago, sciatica or neuritis has

you stiffened up, don't suffer! Get a
small trial bottle of old, honest "St.
Jacob's Liniment" at any drug store,
pour a little in your hand and rub it
right into the pain or ache, and by
the time you count fifty, the soreness
and lameness is gone.

Don't stay crippled! This sooth-
ing, penetrating liniment takes the
ache and pain right out and ends the
misery. It is magical, yet absolutely
harmless and doesn't burn or discolor
the skin.

Nothing else stops lumbago, sciatica
and lame back misery so promptly
and surely. It never disappoints.—Ad.

LADIES DARKEN
YOUR GRAY HAIR

USE GRANDMA'S SAGE TEA AND
SULPHUR RECIPE AND NO
BODY WILL KNOW

The use of Sage and Sulphur for
restoring faded, gray hair to its nat-
ural color dates back to grandmoth-
er's time. She used it to keep her
hair beautifully dark, glossy and at-
tractive. Whenever her hair took on
that dull, faded or streaked ap-
pearance, this simple mixture was ap-
plied with wonderful effect.

But brewing at home is messy and
out-of-date. Nowadays, by asking at
any drug store for a 50 cent bottle of
"Wyeth's Sage and Sulphur Com-
pound," you will get this famous old
preparation, improved by the addi-
tion of other ingredients, which can
be depended upon to restore natural
color and beauty to the hair.

A well known downtown druggist
says it darkens the hair so natural-
ly and evenly that nobody can tell it
has been applied. You simply damp-
en a sponge or soft brush with it,
and draw this through your hair, tak-
ing one strand at a time. By morn-
ing the gray hair disappears, and af-
ter another application or two, it be-
comes beautifully dark and glossy.
Wyeth's Sage and Sulphur Compound
is a delightful toilet requisite for
those who desire a more youthful ap-
pearance. It is not intended for the
cure, mitigation or prevention of dis-
ease.—Adv.
