**Germans Fail To Break
 Up Unity Of Belgium**

AMSTERDAM, Jan. 25.—After
 more than three years of effort, the
 German authorities in Belgium have
 to admit the failure of their attempt
 to drive a wedge between the two
 races and languages in Belgium. The
 unity of Belgium still exists, and
 there are signs that the Germans have
 given up, at least for the time being,
 their attempt to break it up.
 The authority for this statement is
 the German propagandist weekly in
 Holland, the Toekomst, which states
 that the present policy of the gover-
 nor general in Brussels is "more mod-
 erate," and that "Berlin approves this
 policy as a means of gaining peace."
 The article concludes by advising the
 advocates of the former German pol-
 icy to "steer a middle course and give
 up their flourishes of rhetoric."
 The attempts of the Germans to
 force the Flemish language on Brus-
 sels and Antwerp are declared to have
 completely failed, and the government

**Brazil Prepares Against
 German Labor Troubles**

RIO GRANDE DO SUL, Brazil,
 Dec. 28.—(Correspondence of the As-
 sociated Press)—Prompted by the be-
 lief that German residents have fo-
 mented and supported railway strikes
 and other labor troubles in Southern
 Brazil, the Brazilian government has
 prepared to take severe steps to pre-
 vent any further German inspired dis-
 turbances.
 Large forces of troops now are
 quartered in Southern Brazil and the
 customs houses at Porto Alegre and
 Rio Grande are filled with artillery,
 which can be transported quickly to
 any other point in the southern part
 of the country.
 By suppressing newspapers printed
 in the German language and by closing
 German schools and removing
 German priests from Catholic schools,
 the government has succeeded in
 blocking a large part of the German
 propaganda, and a strict censorship
 prevents the spreading of news re-
 garding German unrest of the govern-
 ment's steps for overcoming it.
 There is general talk, however,
 throughout Southern Brazil, even by
 Brazilian officials, to the effect that
 the Germans have not given up their
 attempt to harass the Brazilian gov-
 ernment and embarrass its shipmen-
 ts to the entente allies. Municipal
 officers in one of the principal
 towns of the western part of the state
 of Rio Grande do Sul told me that
 their investigations had led them to
 believe that German support was
 largely responsible for the success
 and long duration of the recent rail-
 road strikes, and that they also were
 convinced that the strikes were part
 of a revolutionary plan which has not
 been entirely crushed.
 On several occasions Brazilian peo-
 ple have set fire to property of Ger-
 mans as a protest against their atti-
 tude, which has been considered de-
 sultant and disrespectful toward the
 Brazilian government.

**Our Soldiers Abroad
 Are Morally Clean**

WASHINGTON, D. C., Jan. 25.—
 "There never has been a similar body
 of men to lead as clean lives as the
 American soldiers in France," Gen-
 eral Pershing said in a cablegram to
 Secretary Baker, in reply to inquiries
 as to the truth of reports of immod-
 erate drinking among men.
 General Pershing's message was
 made public by Mr. Baker in this let-
 ter to Governor Capper of Kansas:
 "You may recall writing to me sev-
 eral days ago concerning 'persistent
 reports' as to the immoderate sale of
 liquor among our forces in France.
 My impression was that these rumors
 were not well founded in fact, but I
 felt it my duty to convey their content
 to General Pershing, and to ask him
 to communicate with me as to the
 facts. You will be glad to know that
 I have received the following word
 from the commander of the American
 expeditionary forces:
 "There has never been a similar
 body of men to lead as clean lives as
 our American soldiers in France.
 They have entered this war with the
 highest devotion to duty, and with no
 other idea than to perform these
 duties in their most efficient manner
 possible. They fully realize their ob-
 ligation to their own people, their
 friends and the country.
 "A rigid program of instruction is
 carried out daily with traditional
 American enthusiasm. Engaged in
 healthy, interesting exercises in the
 open air, with simple diets, officers
 and men like trained athletes are
 ready for their task. Forbidden the
 use of strong drink, and protected by
 stringent regulations against sexual
 evils, and supported by their own
 moral courage, their good behavior is
 the subject of most favorable com-
 ments, especially by our allies.
 "American mothers may rest as-
 sured that their sons are a credit to
 them and to the nation, and they may
 well look forward to the proud day
 when on the battlefield these splendid
 men will shed a new luster on Amer-
 ican manhood."

**Pacific Coast Currents
 May Soon Be Surveyed**

WASHINGTON, D. C., Jan. 25.—
 Complete surveys of the entire Pacific
 Coast and a careful study of ocean
 currents were recommended in a bul-
 letin on "The Neglected Waters of the
 Pacific Coast," just issued by the
 Coast and Geodetic survey.
 For twenty-one years no systematic
 survey of water areas adjacent to
 California, Oregon and Washington
 has been made on account of lack of
 vessels. Approximately 64 per cent
 of the waters around the Philippine
 Islands has been surveyed in the
 twenty years that the islands have
 been a dependency of this country,
 while only 27 per cent of California
 waters, 14 per cent of Oregon waters

**Discovers His
 Gold Mine Again
 After Fifty Years**

When David B. Weaver of Saxon,
 Pa., went to Montana in 1864, he dis-
 covered a gold mine, and while he and
 his partners were at work on it In-
 dians drove them off. Four months
 ago he went prospecting again, and
 found the same mine. This photo-
 graph shows him leaving his Penn-
 sylvania home for Montana to work
 the mine, despite his 78 years.

**Many Indians Raids
 Along South Border**

MARFA, Texas, Jan. 25.—Pioneer
 days of Indian raids on American set-
 tlements along the frontier were re-
 called by old time ranchmen and cat-
 tlemen who live in the Big Bend dis-
 trict of Texas by the raids which have
 occurred during the past two months
 on isolated ranches along the Mexican
 boundary.
 Hatred of the white men and a
 scarcity of food which threatens star-
 vation for the outlaws who dwell
 along the south side of the interna-
 tional line were responsible for these
 raids just as they were for the Indian
 raids of the frontier days. At Indo,

and 44 per cent of Washington wa-
 ters have been surveyed in the sev-
 enty years that they have been a
 part of the continental United States.
 Inadequacy of present charts and
 surveys and peculiarities of configura-
 tion and currents were said to have
 been responsible for many costly
 wrecks, notably the loss of the Valen-
 cia in 1906, with 134 persons. It
 would require twenty years to com-
 plete the necessary surveys along the
 coast, but it was said benefits would
 be available within a year after the
 work was begun. The cost of a ves-
 sel and twenty years operation was
 estimated at \$2,300,000.

**LICK YOUR PLATE
 AND LICK THE KAISER**

EL PASO, Texas, Jan. 25.—The
 local food conservation board claims
 the credit of having originated a slogan
 for the war which promises to
 become national in its use. It is:
 "Lick your plate and lick the kaiser."
 The slogan was suggested by a
 local newspaper man, and was later
 modified for use in war stamp cam-
 paigns. It is now being used for the
 thrift stamp campaign as: "Lick a
 stamp and lick the kaiser," and has
 been telegraphed to state and na-
 tional headquarters.

**ODD USE
 FOR NEW
 STAMPS**

WAR SAVINGS STAMPS BEING
 GIVEN FOR TIPS IN TEXAS, AND
 MANY WAITERS HAVE START-
 ED SAVINGS ACCOUNTS

EL PASO, Texas, Jan. 25.—War
 stamps instead of change are being
 used here for tipping waiters, bell
 boys and servants. The idea origi-
 nated with A. P. Coles, general chair-
 man of the war stamp campaign com-
 mittee. Instead of leaving a tip at
 his plate after he finished his meal
 in a public restaurant or hotel, Mr.
 Coles started the custom of affixing a
 25 cent thrift stamp to a thrift card
 and leaving it beside his plate. The
 plan has been taken up here, and
 many of the servants, waiters and
 waitresses in the local hotels and
 restaurants have filed the thrift
 cards and have started war savings
 certificates with their stamp tips.

**POSTMASTER GENERAL
 IS RENOMINATED**

WASHINGTON, D. C., Jan. 25.—
 The president sent the renomination
 of Postmaster General Burleson to
 the senate, and it was confirmed a
 short time afterward. No other cab-
 inet members have been renominated.
 The democrats contend that this ac-
 tion was necessary in the case of
 Burleson only.

**Like Being Hit
 By Rattle Snake**

Says that every time you cut
 or pick at a corn you
 invite lockjaw

You reckless men and women who
 are being pestered with corns and
 who have at least once a week invited
 an awful death from lockjaw or blood
 poison are now told by a Cincinnati
 authority to use a drug called free-
 zone, which the moment a few drops
 are applied to any corn, the soreness
 is relieved, and soon the entire corn,
 root and all, lifts right out with the
 fingers, without one particle of pain.
 This freezone is a sticky substance
 which dries the moment it is applied
 and just loosens the corn without in-
 flaming or even irritating surround-
 ing tissue or skin. He says a quarter
 of an ounce will cost very little at any
 of the drug stores, but this is suf-
 ficient to rid one's feet of every hard
 or soft corn or callus.
 You are positively warned that cut-
 ting or picking at a corn is a suicidal
 habit.—Adv.

**BE PRETTY TURN
 GRAY HAIR DARK**

TRY GRANDMOTHER'S OLD FA-
 VORITE RECIPE OF SAGE TEA
 AND SULPHUR

Almost everyone knows that Sage
 Tea and Sulphur, properly compound-
 ed, brings back the natural color and
 lustre to the hair when faded, gray
 or streaked. Years ago the only way
 to get this mixture was to make it at
 home, which is messy and trouble-
 some. Nowadays, by asking at any
 drug store for "Wyeth's Sage and Sul-
 phur Compound," you will get a large
 bottle of this famous old recipe, im-
 proved by the addition of other in-
 gredients, for about 50 cents.
 Don't stay gray! Try it! No one
 can possibly tell that you darkened
 your hair, as it does it so naturally
 and evenly. You dampen a sponge or
 soft brush with it, and draw this
 through your hair, taking one small
 strand at a time; by morning the gray
 hair disappears, and after another ap-
 plication or two, your hair becomes
 beautifully dark, glossy and attrac-
 tive.
 Wyeth's Sage and Sulphur Com-
 pound is a delightful toilet requisite
 for those who desire dark hair and a
 youthful appearance. It is not in-
 tended for the cure, mitigation or
 prevention of disease.—Adv.

**Waste and Extravagance
 are Germany's Silent Allies**

They will help the kaiser. They will kill American soldiers.
 Every bit of waste, every extravagance takes force from
 the power America must put into the war to win. Every pen-
 ny spent for luxuries and unnecessary things is a penny lost
 to the production and purchase of food, clothing, supplies,
 ships and munitions for our soldiers.

As long as we spend wastefully, Germany will receive
 silent but powerful help from America; just so much farther
 away is the Day of Peace.

Don't spend thoughtlessly or unnecessarily. SAVE! With
 high wages and plenty of work for everyone there never was
