New Cardinals' Manager Has Successful Career

Jack Hendricks, new manager of the St. Louis Cardinals in the National League, will cut an important figure in big league baseball the coming season if he lives up to his past. Manager for twelve seasons of minor league clubs, he has yet failed to finish in the second division. Beyond that, he has won four pennants for clubs he managed.

Klamath County News

FAIRVIEW FINDINGS

Mr. Ream has been in the city for the last few days sorting his potatoes.

C. A. Hill and family visited with Warren Patterson Sunday.

Miss Viola Cheyne spent Sunday with her parents.

County Agent H. R. Glaiser spent Monday night at the home of Mr. Ream.

L. B. Dawson made a trip to Merrill Monday.

Wilma Burk spent Monday in Klamath Falls.

A number of farmers here are taking active interest in the Potato Growers Association, which was organized Monday night.

L. A. West and H. J. Lester have returned from Portland, where they disposed of a carload of cattle. Mrs. June Dow stayed with Mrs. Lester during the absence of Mr. Lester.

Mr. and Mrs. John Koontz spent Tuesday with Mr. and Mrs. Herbert Phillips.

Despite the stormy weather, a number of Fairview representatives attended the Spring Lake box social on Tuesday evening.

The public is urged to attend the shadow social to be given at the Fairview school house Friday evening, February 15th. Refreshments will consist of oyster soup and crackers. One half of the proceeds are to be donated to the Red Cross.

MILLER HILL COMMENT

Mr. and Mrs. Lee Sutton spent Saturday afternoon in the city.

E. A. Schulemire transacted business at the county seat Saturday.

Ernest and Howard Loper were in Klamath Falls Monday.

Stewart Briggs spent part of the day at Klamath Falls on business Tuesday.

Mr. and Mrs. Howard Wynant, Mr. and Mrs. Homer Dupuy and Mr. and Mrs. J. C. Wright and Mr. and Mrs. F. W. Sexton attended the dance at the home of Mr. and Mrs. Newham at Henley Saturday evening.

The Miller Hill Industrial Club is preparing a patriotic program to be given at the school house soon. The date of the affair and the program will be deary for publication in a few days.

Several volumes of interesting books purchased by the Industrial Club have been added to the school library.

Lawrence Hanson and James Morris visited at the home of Mr. and Mrs. Frank Sexton Sunday afternoon.

Investigate the new low cost life, accident and health policies of the Travelers, and you'll want to sign on the dotted line. See Chilcote. 1

Questions Asked of County Commissioners

The following is a copy of the interrogatories submitted by the tax payers' committee to the County Court of Klamath County at its session on Monday morning, February 11, 1918, at which session were present Judge Marion Hanks and Commissioner Frank H. McCornack; Commissioner Burrell Short being absent on account of sickness.

The County Court made no answer to said questions, but a copy thereof was personally left with each Judge Hanks and Frank H. McCornack, and subsequent thereto a copy of said interrogatories was mailed to Mr. Short:

To Marion Hanks, County Judge; Frank H. McCornack, Burrell Short, County Commissioners for Klamath County, Oregon:

Gentlemen—At a meeting of representative citizens and tax payers of Klamath Falls, there was an executive committee appointed to ascertain the sentiment of the different localities of the county, and to obtain an expression from them concerning the contract entered into by and between yourselves and certain architects for the erection of a court house in Klamath Falls, and after due consideration and a meeting of said executive committee, a sub committee was appointed to ascertain from you certain information, and said committee here-

over and discussed at said meeting, with the request that you, and each of you, answer said interrogatories and submit same to this committee.

1—How much money has Klamath County now actually invested in what is termed the new court house, partially completed, in Hot Springs Addition site?

2—What amount of money or warrants has the present County Court paid on the new court house, since the taking of office of the present county judge?

3—What amount has been levied by the present County Court since the taking of office of the present county judge, in the court house fund?

4—How much money is there at present in the county treasury in the court house fund?

5—How much money has been levied and how much collected on the court house fund in the last two years?

We wish to submit the following interrogatories for and on account of the fact that it has been quite generally circulated thruout the county by rumors and otherwise that the present uncompleted court house building in Hot Springs Addition is unsafe and not in condition to be completed. Will you, therefore, kindly answer the following interrogatories?

1—Have you made or caused to be made any examination of the present incomplete court house building as to its fitness for completion or its soundness as a building?

2—If so, will you kindly give the names and address of the parties and the dates upon which said examination was made?

3—Have said parties made written report to the County Court as to the condition of the said building, and if so, is said report now a matter of record of Klamath County so that same may be examined by this committee?

4—If said reports have been made but not filed, and thereby become public records, will you kindly refer said reports to this committee for examination?

5—Have you received estimates and proposals for the completion of said structure? If so, will you kindly submit said bids to the examination of this committee?

6—If said bids contain plans and specifications for the completion of this uncompleted structure, will you kindly submit said plans and specifications to this committee?

There seems to be some controversy over the interpretation and meaning of a certain contract entered into by and between yourselves and certain architects on the 25th of January, 1918, relative to the erection and completion of a court house in Klamath Falls, Oregon, and we respectfully request your answers to the following interrogatories:

1—Is there any understanding or agreement, either orally or in writing, between the County Court and said architects, or between you as in-

dividuals, or any of you as individuals, and said architects relative to plans and specifications, and the price of completing said court house?

2—Have the plans and specifications, and the location of said court house building been agreed upon by the County Court or any of the members thereof?

3—Is there any agreement or understanding between the parties to said contract, entered into by and between the County Court and said architects, that said contract relates to the finishing of the present partially constructed court house?

4—If the plans and specifications referred to and contemplated in said contract of January 25, 1918, has been submitted and adopted by the County Court, or any members thereof, will you submit said plans and specifications to this committee for examination?

5—Will you please state what your present attitude is toward the completion of the present incomplete court house building in Hot Springs Addition? Is it your intention to complete this structure? If not, will you please state definitely why you do not favor the completion of this structure?

The above and foregoing is submitted after careful consideration and discussion of the problems therein mentioned, and upon unanimous vote of the executive committee appointed, and as representative citizens and tax payers of the County of Klamath, we respectfully request you as members of the County Court to kindly answer the above and foregoing. Respectfully submitted, E. L. ELLIOTT, Chairman, W. T. LEE, Secretary, Committee—M. P. Evans, R. A. Emmitt, J. W. Siemens, Charles Wood Eberlein.

MEAT INJURIOUS TO THE KIDNEYS

TAKE A TABLESPOONFUL OF SALTS IF BACK HURTS OR BLADDER TROUBLES

We are a nation of meat eaters and our blood is filled with uric acid, says a well known authority, who warns us to be constantly on guard against kidney trouble.

The kidneys do their utmost to free the blood of this irritating acid, but become weak from the overwork; they get sluggish; the eliminative tissues clog and thus the waste is retained in the blood to poison the entire system.

Like lumps of lead, and you have stinging pains in the back or the urine is cloudy, full of sediment, or the bladder is irritable, obliging you to seek relief during the night; when you have severe headaches, nervous and dizzy spells, sleeplessness, acid stomach or rheumatism in bad weather, get from your pharmacist about four ounces

of Jad Salts: take a tablespoonful in a glass of water before breakfast each morning and in a few days your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys, to neutralize the acids in urine so it is no longer a source of irritation, thus ending urinary and bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia water drink, and nobody can make a mistake by taking a little occasionally to keep the kidneys clean and active.—Adv.

French Dirigible Watches For Submarine Over Merchant Ship Just Sunk By U-Boat

While the ship shown here is sinking in the Mediterranean, a French dirigible called to the rescue, hovers overhead, hoping to get a glimpse of the U boat and drop a bomb on her.

of Jad Salts: take a tablespoonful in a glass of water before breakfast each morning and in a few days your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys, to neutralize the acids in urine so it is no longer a source of irritation, thus ending urinary and bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia water drink, and nobody can make a mistake by taking a little occasionally to keep the kidneys clean and active.—Adv.

RUB YOUR BACK! STOP LUMBAGO

DON'T DRUG KIDNEYS! RUB THE PAIN RIGHT OUT WITH OLD "ST. JACOBS LINIMENT"

Back hurt you? Can't straighten up without feeling sudden pains, sharp aches and twinges? Now listen! That's lumbago, sciatica, or maybe from a strain, and you'll get blessed relief the moment you rub your back with soothing, penetrating "St. Jacobs Liniment!" Nothing else takes out soreness, lameness and stiffness so quickly. You simply rub it on and out comes the pain. It is perfectly harmless and doesn't burn or discolor the skin.

Linger up! Don't suffer! Get a small trial bottle from any drug store, and after using it just once, you'll forget that you ever had backache, lumbago or sciatica, because your back will never hurt or cause any more misery. It never disappoints and has been recommended for 60 years. Stop drugging kidneys! They don't cause backache, because they have no nerves, therefore can not cause pain.—Adv.

Mother's Birthday

Certainly one should remember it with an expression of love and honor other than just words.

Mother does so much for each of us, shares so much with us, we've become accustomed to giving her things all of us get benefit from.

She likes such gifts—yes, but let's make her birthday present a purely personal one—something for her own use. Jewelry is above all things an individual and personal present.

Mother learned a long time ago that Upp's is the best place to buy jewelry. You will find appropriate ornaments here, and she will be a little more pleased when she sees our imprint on the box containing the gift.
