HAVE DARK HAIR

VOBODY CAN TELL WHEN YOU DARKEN GRAY, PADED HAIR WITH SAGE TEA

Grandmother kept her hair beautiully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug tore for "Wyeth's Sage and Sulphur Compound,' you will get a large bottle of this old-time recipe, improved by the addition of other ingredients all ready to use, for about 50 cents. This simple mixture can be depended upon to restore natural color and couty to the hair.

A well known downtown druggist says everybody uses Wyeths Sage and Sulphur Compound now because it darkens so naturally and evenly that cobody can tell it has been applie t's so easy to use, too. You simply dampen a comb or soft brush and fraw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to ite natural color and looks glossy, soft and beautiful. This preparation is a delightful tollet requisite. It is not intended for the cure, mitigation or prevention of disease.—Adv.

STOMACH TORN UP

Indiana Lady Describes Condition, Which She Says Was Due To Constipution and Tolle of Relief Obtained From Black-Draught.

Scottsburg, Ind.—Mrs. Annie Johnson, of this place, writes: "I well remember I suffered for a long time with constipation, which would get me down. I took doctors' medicines and any number of purgatives. They would leave me in a worse condition than I was before taking, and my stomach so upset... I know once I suffered... from constipation, I was so ill we had to have the doctor, just so nervous and feverish. The doctor said I would have to quit medicines, my stomach was so bad...

My husband was reading and found nomething about Thedford's Black-Draught and brought me a package to try. I used it regularly at first until I began to feel better, then I used just a dose occasionally. I was cured of this constipation and am sure the Black-Draught did it."
